The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. Each Note will be dated the date of its authentication. The Notes shall be in integral multiples of \$1.00.

The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) *Global Notes.* Notes issued in global form will be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form will be substantially in the form of Exhibit A hereto (but without the Global Note Legend thereon and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

Section 2.02 *Execution and Authentication.*

At least one Officer must sign the Notes for the Company by manual or facsimile signature.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual signature of the Trustee. The signature will be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee will, upon receipt of a written order of the Company signed by two Officers (an “*Authentication Order*”), authenticate Notes for original issue that may be validly issued under this Indenture, including any Additional Notes. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Company pursuant to one or more Authentication Orders, except as provided in Section 2.07 hereof.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Company.

Section 2.03 *Registrar and Paying Agent.*

The Company will maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“*Registrar*”) and an office or agency where Notes may be presented for payment (“*Paying Agent*”). The Registrar will keep a register of the Notes and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar and the term “Paying Agent” includes any additional paying agent. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company will notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

The Company initially appoints The Depository Trust Company (“*DTC*”) to act as Depository with respect to the Global Notes.

The Company initially appoints the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Global Notes.

Section 2.04 *Paying Agent to Hold Money in Trust.*

The Company will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium on, if any, or interest on the Notes, and will notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) will have no further liability for the money. If the Company or a Subsidiary acts as

Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee will serve as Paying Agent for the Notes.

Section 2.05 Holder Lists.

The Trustee will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders and shall otherwise comply with TIA §312(a). If the Trustee is not the Registrar, the Company will furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders of Notes and the Company shall otherwise comply with TIA §312(a).

Section 2.06 Transfer and Exchange.

(a) *Transfer and Exchange of Global Notes.* A Global Note may not be transferred except as a whole by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Notes will be exchanged by the Company for Definitive Notes if:

(1) the Company delivers to the Trustee notice from the Depositary that it is unwilling or unable to continue to act as Depositary or that it is no longer a clearing agency registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Company within 120 days after the date of such notice from the Depositary;

(2) the Company in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee; or

(3) there has occurred and is continuing a Default or Event of Default with respect to the Notes.

Upon the occurrence of either of the preceding events in (1) or (2) above, Definitive Notes shall be issued in such names as the Depositary shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a), however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1)

or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *All Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests, the transferor of such beneficial interest must deliver to the Registrar either:

(A) both:

(1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(B) both:

(1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above.

(c) *Transfer and Exchange of Definitive Notes for Definitive Notes.* If Definitive Notes are issued hereunder, upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(c), the Registrar will register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder must provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(c).

(d) *Legends.* The following legend will appear on the face of all Global Notes and Definitive Notes issued under this Indenture unless specifically stated otherwise in the applicable provisions of this Indenture.

“THIS GLOBAL NOTE IS HELD BY THE DEPOSITARY (AS DEFINED IN THE INDENTURE GOVERNING THIS NOTE) OR ITS NOMINEE IN CUSTODY FOR THE BENEFIT OF THE BENEFICIAL OWNERS HEREOF, AND IS NOT TRANSFERABLE TO ANY PERSON UNDER ANY CIRCUMSTANCES EXCEPT THAT (1) THE TRUSTEE MAY MAKE SUCH NOTATIONS HEREON AS MAY BE REQUIRED PURSUANT TO

SECTION 2.06 OF THE INDENTURE, (2) THIS GLOBAL NOTE MAY BE EXCHANGED IN WHOLE BUT NOT IN PART PURSUANT TO SECTION 2.06(a) OF THE INDENTURE, (3) THIS GLOBAL NOTE MAY BE DELIVERED TO THE TRUSTEE FOR CANCELLATION PURSUANT TO SECTION 2.11 OF THE INDENTURE AND (4) THIS GLOBAL NOTE MAY BE TRANSFERRED TO A SUCCESSOR DEPOSITARY WITH THE PRIOR WRITTEN CONSENT OF THE COMPANY.

UNLESS AND UNTIL IT IS EXCHANGED IN WHOLE OR IN PART FOR NOTES IN DEFINITIVE FORM, THIS NOTE MAY NOT BE TRANSFERRED EXCEPT AS A WHOLE BY THE DEPOSITARY TO A NOMINEE OF THE DEPOSITARY OR BY A NOMINEE OF THE DEPOSITARY TO THE DEPOSITARY OR ANOTHER NOMINEE OF THE DEPOSITARY OR BY THE DEPOSITARY OR ANY SUCH NOMINEE TO A SUCCESSOR DEPOSITARY OR A NOMINEE OF SUCH SUCCESSOR DEPOSITARY. UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITARY TRUST COMPANY (55 WATER STREET, NEW YORK, NEW YORK) ("DTC"), TO THE COMPANY OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR SUCH OTHER NAME AS MAY BE REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO. OR SUCH OTHER ENTITY AS MAY BE REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN."

(e) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(f) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Company will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(2) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the

Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.09, 4.10, 4.15, 4.19 and 9.05 hereof).

(3) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Company will be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(9) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or an Indirect Participant) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. The Trustee shall have

no obligation or duty to monitor the Company's compliance with state and federal securities laws.

Section 2.07 Replacement Notes.

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

Every replacement Note is an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor, will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy canceled Notes (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all canceled Notes will be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 *Global Notes.*

Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depositary.

Section 2.14 *CUSIP and ISIN Numbers.*

The Company in issuing the Notes may use “CUSIP” and corresponding “ISIN” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” and corresponding “ISIN” numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only

on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee in writing of any change in the “CUSIP” and corresponding “ISIN” numbers.

ARTICLE 3 REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof or is required to redeem the Notes in accordance with Section 4.10 or 4.19 hereof, it must furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officers’ Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select Notes for redemption or purchase on a *pro rata* basis (or, in the case of Notes issued in global form pursuant to Article 2 hereof, based on a method that most nearly approximates a *pro rata* selection as the Trustee deems fair and appropriate) unless otherwise required by law or applicable stock exchange or depositary requirements.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee will promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in integral multiples of \$1.00. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Subject to the provisions of Section 3.09 hereof, at least 30 days but not more than 60 days before a redemption date, the Company will mail or cause to be mailed, by first class mail or, if the Notes are held in global book-entry form, post with DTC, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption

notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 12 hereof.

The notice will identify the Notes to be redeemed and will state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (8) the CUSIP number, if any, printed on the Notes being redeemed;
- (9) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes; and
- (10) that Notes called for redemption become due on the date fixed for redemption.

At the Company's request, the Trustee will give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the Trustee, at least 45 days prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03, 3.07, 4.10 or 4.19 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

Section 3.05 *Deposit of Redemption or Purchase Price.*

One Business Day prior to the redemption or purchase date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase

price of accrued interest on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of and accrued interest on all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 Optional Redemption.

(a) At any time prior to the third anniversary of the date of this Indenture, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes originally issued under this Indenture, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 108.000% of the principal amount of the Notes redeemed, plus accrued and unpaid interest to the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date), with the net cash proceeds of an Equity Offering by the Company or a contribution to the Company's common equity capital made with the net cash proceeds of a concurrent Equity Offering by the Company's direct or indirect parent; *provided that*:

(1) at least 65% of the aggregate principal amount of Notes originally issued under this Indenture (excluding Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption;

(2) the redemption occurs within 120 days of the date of the closing of such Equity Offering; and

(3) the Company furnishes an Officers' Certificate certifying that such redemption is being effectuated pursuant to this Section 3.07(a) and that such Equity Offering complies with the terms of this Section 3.07(a).

(b) At any time prior to the third anniversary of the date of this Indenture, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than

30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium as of, and accrued and unpaid interest to the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date; *provided*, the Company shall furnish an Officers' Certificate certifying that such redemption is being effectuated pursuant to this Section 3.07(b).

(c) Except pursuant to the preceding paragraph, the Notes will not be redeemable at the Company's option prior to the third anniversary of the date of this Indenture. Notwithstanding the foregoing, the Company shall be permitted to refinance the Notes in full at par on or prior to the first anniversary of the date of this Indenture with the proceeds of other Indebtedness; *provided*, the Company shall furnish an Officers' Certificate certifying that such redemption is being effectuated pursuant to the second sentence of this Section 3.07(c).

(d) On or after the third anniversary of the date of this Indenture, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest on the Notes redeemed, to the applicable redemption date, if redeemed during the period indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date; *provided*, the Company shall furnish an Officers' Certificate setting forth the relevant percentage below and certifying that such redemption is being effectuated pursuant to this Section 3.07(d):

<u>For the period below</u>	<u>Percentage</u>
On or after the third anniversary of the date of this Indenture and before the fourth anniversary of the date of this Indenture	102.000%
On or after the fourth anniversary of the date of this Indenture and before November 30, 2021	101.000%
On or after November 30, 2021	100.000%

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *[Reserved]*.

Section 3.09 *Offer to Purchase by Application of Excess Proceeds.*

In the event that pursuant to clause (a)(i) of Section 4.10 hereof, the Company is required to commence an offer to all Holders to purchase Notes (an “*Asset Sale Offer*”) it will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the “*Offer Period*”). No later than three Business Days after the termination of the Offer Period (the “*Purchase Date*”), the Company will apply all Excess Proceeds (the “*Offer Amount*”) to the purchase of Notes (on a substantially *pro rata* basis based on the principal amount of Notes tendered) or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Company will send, by first class mail, or, if the Notes are held in global book-entry form, post with DTC, a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

- (1) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof, as applicable, and the length of time the Asset Sale Offer will remain open;
- (2) the Offer Amount, the purchase price and the Purchase Date;
- (3) that any Note not tendered or accepted for payment will continue to accrue interest;
- (4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;
- (5) [reserved];
- (6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to tender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Notes completed, or transfer by book-entry transfer, to the Company, a Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;
- (7) that Holders will be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the

Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes tendered by holders thereof exceeds the Offer Amount, the Company will select the Notes to be purchased on a *pro rata* basis based on the principal amount of Notes tendered; and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes tendered (or transferred by book-entry transfer).

ARTICLE 4 COVENANTS

Section 4.01 *Payment of Notes.*

The Company will pay or cause to be paid the principal of, premium on, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due.

The Company will pay interest (including post-petition interest in any proceeding under the Bankruptcy Code) on overdue principal at a rate that is 2% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest

in any proceeding under the Bankruptcy Code) on overdue installments of interest (without regard to any applicable grace period), at the same rate to the extent lawful.

Section 4.02 *Maintenance of Office or Agency.*

The Company will maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Company of its obligation to maintain an office or agency for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 hereof.

Section 4.03 *Reports.*

The Company will, for so long as any Notes remain outstanding, use its commercially reasonable efforts to hold and participate in quarterly conference calls with the Holders of the Notes, Beneficial Owners of the Notes, bona fide prospective investors (which investors may not be Competitors or Competitor Affiliates), securities analysts and market makers to discuss such financial information and material developments with respect to the Company and its business no later than ten (10) Business Days after distribution of such financial information.

Such certificate and Opinions of Counsel shall be jointly addressed to the Trustee and the Collateral Agent.

(b) So long as not contrary to the then current recommendations of the American Institute of Certified Public Accountants, the year-end financial statements delivered pursuant to Section 4.03 above shall be accompanied by a written statement of the Company's independent public accountants (who shall be a firm of established national reputation) that in making the examination necessary for certification of such financial statements, nothing has come to their attention that would lead them to believe that the Company has violated any provisions of Article 4 or Article 5 hereof or, if any such violation has occurred, specifying the nature and period of existence thereof, it being understood that such accountants shall not be liable directly or indirectly to any Person for any failure to obtain knowledge of any such violation.

receipt of such Designated Non-cash Consideration, with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value; and

(3) in the case of an Asset Sale that constitutes a Sale of Notes Priority Collateral, the Company or the applicable Restricted Subsidiary, as the case may be, promptly deposits the Net Proceeds therefrom immediately upon receipt thereof as Collateral into one or more Collateral Proceeds Accounts held by or under the “control” of (within the meaning of the Uniform Commercial Code) the Collateral Agent or its agent as security for the Notes pursuant to arrangements reasonably satisfactory to the Collateral Agent pending application in accordance with the following paragraphs; *provided* that no such deposit will be required except to the extent the aggregate Net Proceeds from all sales of Notes Priority Collateral that are not held in a Collateral Proceeds Account exceeds \$5.0 million.

Within 360 days after the receipt of any Net Proceeds from an Asset Sale other than (1) a Sale of Notes Priority Collateral, or (2) a Sale of a Guarantor, the Company or such Restricted Subsidiary may apply such Net Proceeds at its option and to the extent it so elects:

(1) to repay any Indebtedness and other Obligations that are secured by a Permitted Prior Lien solely to the extent required by the terms of such Indebtedness;

(2) to repay Indebtedness and other obligations of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Company or a Restricted Subsidiary of the Company;

(3) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary of the Company;

(4) to make an Investment in Replacement Assets or make a capital expenditure in or that is used or useful in a Permitted Business; or

(5) any combination of the foregoing;

provided that the Company will be deemed to have complied with the provisions described in clauses (3) and (4) of this paragraph if and to the extent that, within 360 days after the Asset Sale that generated the Net Proceeds, the Company has entered into and not abandoned or rejected a binding agreement to acquire the assets or Capital Stock of a Permitted Business, make an Investment in Replacement Assets or make a capital expenditure in compliance with the provision described in clauses (3) and (4) of this paragraph, and that acquisition, purchase or capital expenditure is thereafter completed within 180 days after the end of such 360-day period. Pending the final application of any such Net Proceeds, the Company may invest such Net Proceeds in any manner that is not prohibited by this Indenture.

Within 360 days after the receipt of any Net Proceeds from an Asset Sale that constitutes (1) a Sale of Notes Priority Collateral or (2) a Sale of a Guarantor, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply an amount equal to such Net Proceeds:

- (1) to make an Investment in other assets or property that would constitute Notes Priority Collateral;
- (2) to make an Investment in Capital Stock of another Permitted Business if, after giving effect to such Investment, the Permitted Business becomes a Guarantor or is merged into or consolidated with the Company or any Guarantor;
- (3) to make a capital expenditure with respect to assets that constitute Notes Priority Collateral;
- (4) to repay Indebtedness secured by a Permitted Prior Lien on any Notes Priority Collateral that was sold in such Asset Sale solely to the extent required by the terms of such Indebtedness; or
- (5) any combination of the foregoing;

provided that the Company will be deemed to have complied with the provisions described in clauses (1), (2) and (3) of this paragraph if, and to the extent that, within 360 days after the Asset Sale that generated the Net Proceeds, the Company has entered into and not abandoned or rejected a binding agreement to make an Investment in assets or property that would constitute Notes Priority Collateral or make an Investment in Capital Stock of another Permitted Business or to make a capital expenditure with respect to assets that constitute Notes Priority Collateral in compliance with the provisions described in clauses (1), (2) and (3) of this paragraph, and that purchase or capital expenditure is thereafter completed within 180 days after the end of such 360-day period. Upon completion of such Investment in assets or property that constitutes Notes Priority Collateral or Capital Stock, the Company shall enter into appropriate Security Documents or amend existing Security Documents, as applicable, with the Collateral Agent creating and perfecting a Lien on such Notes Priority Collateral or Capital Stock, as applicable, in favor of the Collateral Agent and deliver any such Capital Stock accompanied by share transfer powers or other instruments of transfer to the Collateral Agent.

Any Net Proceeds from Asset Sales that are not applied or invested as provided in the second and third paragraphs of this Section 4.10 will constitute "*Excess Proceeds*." Within 15 Business Days after the aggregate amount of Excess Proceeds exceeds \$2.5 million, the Company will perform one of the following:

- (a) if the Senior Secured Leverage Ratio, calculated on a pro forma basis giving effect to such Asset Sale, is less than or equal to 3.50 to 1.00 (i) make an Asset Sale Offer to all Holders of Notes to purchase, prepay or redeem the maximum principal amount of Notes that may be purchased, prepaid or redeemed out of the Excess Proceeds or (ii) redeem the PIK Preferred Stock with the Excess Proceeds; or
- (b) if the Senior Secured Leverage Ratio, calculated on a pro forma basis giving effect to such Asset Sale, is greater than 3.50 to 1.00, make an Asset Sale Offer to all Holders of Notes to purchase, prepay or redeem the maximum principal amount of Notes that may be purchased, prepaid or redeemed out of the Excess Proceeds.

The offer price for the Notes in any Asset Sale Offer will be equal to 100% of the principal amount of the Notes, plus accrued and unpaid interest on the Notes to the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use such Excess Proceeds for any purpose expressly permitted by this Indenture. If the aggregate principal amount of Notes tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Notes shall be purchased on a pro rata basis based on the principal amount of Notes tendered. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

For the avoidance of doubt, the premiums set forth in Section 3.07 shall not be applicable to any redemption made pursuant to this Section 4.10.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of Section 3.09 hereof or this Section 4.10, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 3.09 hereof or this Section 4.10 by virtue of such compliance.

Section 4.11 *Transactions with Affiliates.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, make any payment to or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each, an “*Affiliate Transaction*”), unless:

(1) the Affiliate Transaction is on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person; and

(2) the Company delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions, a resolution of the Board of Directors of the Company set forth in an Officers’ Certificate certifying that such Affiliate Transaction complies with clause (1) of this Section 4.11(a) and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Company; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$10.0 million, an opinion as to the fairness to the Company or such Subsidiary of such Affiliate Transaction from a financial point of view issued by an accounting, appraisal or investment banking firm of national standing.

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a) hereof:

(1) any employment agreement, employee benefit plan, Officer or director indemnification agreement or any similar arrangement entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto, other than with respect to any Principal;

(2) transactions between or among the Company and/or its Restricted Subsidiaries;

(3) transactions with a Person (other than an Unrestricted Subsidiary of the Company) that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(4) payment of reasonable and customary fees and reimbursements of expenses (pursuant to indemnity arrangements or otherwise) of Officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries;

(5) any issuance of Equity Interests (other than Disqualified Stock) of the Company to Affiliates of the Company;

(6) Restricted Payments that do not violate Section 4.07 hereof;

(7) loans or advances to employees in the ordinary course of business not to exceed \$1.0 million in the aggregate at any one time outstanding; *provided*, that no individual employee of the Company shall receive loans and advances in an aggregate amount in excess of \$25,000;

(8) any transaction pursuant to any agreement in existence on the date of this Indenture or any amendment or replacement thereof that, taken in its entirety, is no less favorable to the Company than the agreement as in effect of the date of this Indenture; and

(9) transactions with customers, clients, suppliers, or purchasers or sellers of goods, in each case, in the ordinary course of business, provided that as determined in good faith by the Board of Directors or senior management of the Company, such transactions are on terms that are no materially less favorable, taken as a whole, to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person.

Section 4.12 *Liens.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or suffer to exist any Lien of any kind securing Indebtedness or trade payables on any asset now owned or hereafter acquired, except Permitted Liens.

Section 4.13 *Business Activities.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than Permitted Businesses, except to such extent as would not be material to the Company and its Restricted Subsidiaries taken as a whole.

Section 4.14 *Corporate Existence.*

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its corporate existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Subsidiary; *provided*, that the Company shall be permitted to effect the Reincorporation upon delivering (w) at least thirty (30) days' prior written notice to the Trustee and the Collateral Agent of the proposed Reincorporation, (x) evidence to the Trustee and the Collateral Agent that (i) the Company's common stockholders have validly approved the Reincorporation and (ii) the Reincorporation shall have occurred and become effective under applicable law, accompanied by an Officers' Certificate and Opinion of Counsel (which Opinion of Counsel shall include legal opinions (A) as to the enforceability of the Notes Documents against the Company and its Subsidiaries (in each case, after giving effect to the Reincorporation), (B) that the supplemental indenture entered into in connection with the Reincorporation has been duly and validly authorized, executed and delivered and that all conditions precedent to such supplemental indenture have been complied with, (C) that all Notes Obligations under this Indenture and the other Notes Documents are, and continue to be, legal, valid and binding obligations of the re-incorporated Company and its Subsidiaries and (D) that all necessary actions, including all filings, have been taken or made by the Company and its Subsidiaries to maintain the perfection of the security interests in favor of the Secured Parties in the Collateral), (y) true, correct and complete copies of the related amendment to the Company's certificate of incorporation and the related Reincorporation documents filed with the States of Texas and Delaware to accomplish the Reincorporation and (z) a supplemental indenture to the Trustee and Collateral Agent, duly executed and delivered by the Company, which supplemental indenture shall state, *inter alia*, that the re-incorporated Company shall have all duties, rights and responsibilities of the Company under this Indenture and the other Notes Documents, with the same effect as if it had been named originally herein and therein, and that the re-incorporated Company shall assume all of the obligations of the Company under this Indenture and the other Notes Documents; and

(2) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

Section 4.15 *Offer to Repurchase Upon Change of Control.*

(a) Upon the occurrence of a Change of Control, the Company will make an offer (a "*Change of Control Offer*") to each Holder to repurchase all or any part of that Holder's Notes

at a purchase price in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest on the Notes repurchased to the date of purchase (the “*Change of Control Payment*”), subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date; *provided*, that for the avoidance of doubt, the premiums set forth in Section 3.07 shall not be applicable to any redemption made pursuant to this Section 4.15. Within 30 days following any Change of Control, the Company will mail a notice to each Holder describing the transaction or transactions that constitute the Change of Control and stating:

(1) that the Change of Control Offer is being made pursuant to this Section 4.15 and that all Notes tendered will be accepted for payment;

(2) the purchase price and the purchase date, which shall be no earlier than 30 days and no later than 60 days from the date such notice is mailed or, if the Notes are held in global book-entry form, post with DTC, (the “*Change of Control Payment Date*”);

(3) that any Note not tendered will continue to accrue interest;

(4) that, unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled “Option of Holder to Elect Purchase” attached to the Notes completed, or transfer by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased; and

(7) that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be in integral multiples of \$1.00.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change in Control. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.15, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 4.15 by virtue of such compliance.

(b) On the Change of Control Payment Date, the Company will, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- (2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- (3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent will promptly mail, or if the Notes are held in global book-entry form, post with DTC, (but in any case not later than five days after the Change of Control Payment Date) to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(c) Notwithstanding anything to the contrary in this Section 4.15, the Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.15 and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or notice of redemption has been given pursuant to Section 3.07 hereof, unless and until there is a default in payment of the applicable redemption price.

(d) Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

Section 4.16 *Payments for Consent.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid and is paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 4.17 *Additional Note Guarantees; Further Assurances.*

(a) If the Company or any of its Restricted Subsidiaries acquires or creates another Domestic Subsidiary after the date of this Indenture, then the Company will cause that newly acquired or created Domestic Subsidiary to provide a Note Guarantee pursuant to a supplemental indenture in substantially the form of Exhibit F hereto to the Trustee and the Collateral Agent and deliver an Opinion of Counsel to the Trustee and the Collateral Agent within twenty (20) Business Days of the date on which it was acquired or created to the effect that such

supplemental indenture has been duly authorized, executed and delivered by that Domestic Subsidiary and constitutes a valid and binding agreement of that Domestic Subsidiary, enforceable in accordance with its terms (subject to customary exceptions); *provided* that any Domestic Subsidiary that constitutes an Immaterial Subsidiary need not become a Guarantor until such time as it ceases to be an Immaterial Subsidiary. It shall be the sole responsibility of the Company to ensure compliance with the delivery of supplemental indentures as required by this covenant. Within twenty (20) Business Days following the formation or acquisition of such new Domestic Subsidiary (other than an Immaterial Subsidiary), the Company shall (i) pledge, have pledged or cause or have caused to be pledged to the Collateral Agent pursuant to a joinder to the Notes Security Agreement, all of the outstanding shares of equity interests or other equity interests of such new Domestic Subsidiary owned directly or indirectly by the Company and, subject to the terms of the Intercreditor Agreement, deliver all certificates representing such equity interests along with, delivery of undated stock or equivalent powers for such certificates, executed in blank, together with an Opinion of Counsel that confirms that all necessary perfection steps have been taken in respect of such pledge; (ii) cause the new Domestic Subsidiary to take such other actions (including entering into or joining any Security Documents) as are necessary or advisable in accordance with the advice received in the Opinion of Counsel that will be opining on the perfection of the pledge as set forth in the foregoing clause (i) in order to grant the Collateral Agent, acting on behalf of the Secured Parties, a first-priority Lien (subject to the terms and conditions of the Intercreditor Agreement) on all real property with fair market value (as determined in good faith by the Company's Board of Directors) or an appraised value in excess of \$1.0 million and all personal property in which a lien may be perfected by filing a financing statement of such Subsidiary in existence as of such date and in all after acquired property, which first-priority Liens are required to be granted pursuant to this Indenture, together with an Opinion of Counsel that confirms that all necessary perfection steps have been taken in connection with the grant of such security interest; (iii) cause such new Domestic Subsidiary to become a Guarantor hereunder with joint and several liability for all obligations of the Company and the Guarantors hereunder and under the other Notes Documents; and (iv) cause the new Domestic Subsidiary to deliver certified copies of such Subsidiary's certificate or articles of incorporation, certificate of formation or certificate of limited partnership (as the case may be), together with good standing certificates, by-laws (or other operating agreement or governing documents), resolutions of the Board of Directors or other governing body, approving and authorize the execution and delivery of the Security Documents, incumbency certificates and to execute and/or deliver such other documents and legal opinions as are necessary to effectuate such Subsidiary becoming a Guarantor hereunder. Notwithstanding anything herein to the contrary, in no event shall the Collateral include or the security interest granted hereunder attach to (a) any of the issued and outstanding voting Capital Stock of any CFC or CFC Holdco in excess of sixty-five percent (65%) of the voting power of all classes of Capital Stock of such CFC or CFC Holdco entitled to vote; *provided* that immediately upon an amendment of the Internal Revenue Code to allow the pledge of a greater percentage of the voting power of Capital Stock in a CFC or CFC Holdco without adverse tax consequences, the Company shall, at its own cost and expense, take all further acts such that the Collateral shall include, and the security interest granted by the Company and its Subsidiaries shall attach to, such greater percentage of Capital Stock of each Controlled Foreign Corporation, or (b) any direct or indirect Subsidiary of a Controlled Foreign Corporation.

(b) The Company will, and will cause each Restricted Subsidiary to, at its own cost and expense, promptly and duly take, execute, acknowledge and deliver all such further acts, documents and assurances as may from time to time be necessary or as the Trustee or the Collateral Agent may from time to time reasonably request in order to carry out the intent and purposes of the Notes Documents and the transactions contemplated thereby, including all such actions to (i) establish, create, preserve, protect, record and perfect a first-priority Lien (subject only to Permitted Liens and the Intercreditor Agreement) in favor of the Collateral Agent for itself and for the benefit of the Secured Parties on the Collateral (including Collateral acquired after the date hereof), and (ii) cause all Subsidiaries (subject to the terms and conditions of this Indenture other than Immaterial Subsidiaries) of the Company to be jointly and severally obligated with the Company under all covenants and obligations under this Indenture, including the obligation to repay the Notes Obligations. Without limiting the generality of the foregoing, (x) the Company shall, at the time of the delivery of any Compliance Certificate disclosing the ownership, filing or acquisition by the Company or any of its Restricted Subsidiaries of any registered intellectual property or application for the registration of intellectual property, deliver to the Collateral Agent a duly completed and executed supplement to the applicable entity's intellectual property security agreement or such other documents as required by the Notes Security Agreement, and (y) following the disclosure by the Company on any Compliance Certificate of the acquisition by the Company or any Restricted Subsidiary of any rights under a license as a licensee with respect to any registered intellectual property or application for the registration of any intellectual property owned by another Person, the Company shall execute any documents required to establish, create, preserve, protect, record and perfect a first-priority lien (subject to the terms of the Intercreditor Agreement) in favor of the Collateral Agent, to the extent legally possible, in the Company's or such Restricted Subsidiary's rights under such license and shall use their commercially reasonable best efforts to obtain the written consent of the licensor which such license to the granting in favor of the Collateral Agent of a Lien on the Company's or such Restricted Subsidiary's rights as licensee under such license. For the avoidance of doubt, it shall be the sole responsibility of the Company and each Restricted Subsidiary to take all necessary actions to maintain, record and preserve a perfected first-priority security interest in the Collateral (subject only to Permitted Liens and the Intercreditor Agreement).

(c) The Company and its Restricted Subsidiaries shall use commercially reasonable efforts to obtain a landlord waiver, collateral access agreement or mortgagee agreement, as applicable, from the lessor of each leased property or mortgagee of owned property with respect to any business location where any portion of the Collateral, or the records relating to such Collateral and/or software and equipment relating to such records or Collateral, is stored or located, but only to the extent such lessor or mortgagee has provided a landlord waiver, collateral access agreement or mortgagee agreement to the ABL Agent (or any successor agent of the credit facility incurred pursuant to clause (1) of the definition of Permitted Debt); provided that in the case where such lease is a lease in existence on the date of this Indenture, the Company or Restricted Subsidiary that is the lessee thereunder shall have 90 days from the date of this Indenture to satisfy the requirement set forth in this Section 4.17(c). For the avoidance of doubt, if the Company or any Restricted Subsidiary fails to enter into a landlord waiver, collateral access agreement or mortgagee agreement after using commercially reasonable efforts (it being understood that the Company shall determine in good faith whether it has used commercially reasonable efforts, which determination shall be set forth in an Officers' Certificate delivered to

the Trustee and the Collateral Agent (upon which the Trustee and the Collateral Agent may rely)), the Company shall notify the Holders of such event. Neither the Collateral Agent nor the Trustee shall have any obligation to enter into such an agreement and shall have the right to decline signing such an agreement if, after being advised by counsel, the Trustee or Collateral Agent determines in good faith that such action would adversely affect its rights, duties, liabilities or immunities under this Indenture or the Notes Documents. The Company and its Restricted Subsidiaries shall timely and fully pay and perform their respective obligations under all leases and other related agreements with respect to each leased location where any Collateral, or any records related thereto, is or may be located, except for breaches or defaults that have not resulted, and will not result, in a default or event of default under the credit facility incurred pursuant to clause (1) of the definition of Permitted Debt or have otherwise been waived by the ABL Agent.

(d) Subject to Permitted Liens, the terms of the Security Documents, upon the acquisition by the Company or any Guarantor after the date hereof of any after-acquired owned real property, which has a fair market value (as determined in good faith by the Company's Board of Directors) or appraised value of \$1.0 million or greater at the time of acquisition, the Company or such Guarantor shall execute and deliver:

- (1) such Mortgages and financing statements;
- (2) a mortgagee's customary title insurance policy insuring a first-priority lien with respect to each such property, subject to Section 10.07(c)(4);
- (3) customary surveys, phase one environmental reports, appraisals and other material due diligence; and
- (4) a customary opinion of local counsel relating to the enforceability of the Mortgages;

in each case, as may be necessary to vest in the Collateral Agent a perfected security interest, subject only to Permitted Liens, in such after-acquired owned real property and to have such after-acquired owned real property added to the Collateral, and thereupon all provisions of this Indenture, the Notes, the Intercreditor Agreement, and the Security Documents relating to the Collateral shall be deemed to relate to such after-acquired property to the same extent and with the same force and effect.

(e) Notwithstanding the foregoing, if the Company or any Restricted Subsidiary of the Company provides a guarantee and/or grants a security interest in any real or personal property, in each case, for the benefit of the secured parties under the Credit Facilities incurred pursuant to Section 4.09(b)(1), the Company will, and will cause each applicable Subsidiary, to execute and deliver concurrently documentation to guarantee the Notes and grant such security interest in favor of the Secured Parties hereunder.

(f) For the avoidance of doubt, it shall be the sole responsibility of the Company to ensure that the pledge and security interests granted pursuant to this Section 4.17 are fully perfected and that such perfection continues to be maintained.

Section 4.18 *Designation of Restricted and Unrestricted Subsidiaries.*

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as Unrestricted will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.07 hereof or under one or more clauses of the definition of Permitted Investments, as determined by the Company. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee and the Collateral Agent by filing with the Trustee and the Collateral Agent a certified copy of a resolution of the Board of Directors giving effect to such designation and an Officers' Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 4.07 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of the Company as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.09 hereof, the Company will be in default of such covenant. The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Company; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of the Company of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4.09 hereof, calculated on a pro forma basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation. Any Unrestricted Subsidiary shall become a Restricted Subsidiary for all purposes of this Indenture and the other Note Documents upon the delivery to the Trustee and the Collateral Agent of a certified copy of the resolutions of the Board of Directors giving effect to such designation and an Officers' Certificate of the Company certifying that such designation complied with the preceding conditions.

Section 4.19 *Excess Cash Flow Redemption.*

To the extent that the Excess Cash Flow Amount for any Applicable Period cannot be applied to the redemption of the PIK Preferred Stock pursuant to the terms of such PIK Preferred Stock in effect on the issue date under applicable law, pursuant to the terms of the Credit Facilities, or cannot be applied in a manner consistent with the PIK Preferred Stock documentation as in effect on the issue date, such Excess Cash Flow Amount shall be used to redeem the Notes at a price of 100% pursuant to the terms of this Section 4.19. Once the PIK Preferred Stock has been redeemed in full, the Excess Cash Flow Amount shall be applied in its entirety to redeem the Notes pursuant to this Section 4.19.

Within five Business Days following the date of the delivery of the Company's quarterly or annual, as applicable, financial statements with respect to the most recently ended Applicable Period, the Company shall (a) redeem Notes in an amount equal to the Excess Cash Flow Amount to purchase Notes at a redemption price equal to 100% of the aggregate principal amount thereof plus accrued and unpaid interest to, but not including, the date of purchase and (b) deliver to the Trustee an Officers' Certificate setting forth the calculations in reasonable detail in connection with the Excess Cash Flow redemption in respect of such Applicable Period, including, without limitation, the relevant Excess Cash Flow Amount and relevant Excess Cash Flow Percentage (with reference to the clause within the definition of Excess Cash Flow Percentage that is being relied upon for such Applicable Period).

Any redemption pursuant to this Section 4.19 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof, accompanied by an Officers' Certificate certifying that such redemption is being made pursuant to this Section 4.19. For the avoidance of doubt, the premiums set forth in Section 3.07 shall not be applicable to any redemption made pursuant to this Section 4.19.

Section 4.20 *Replacement of Noteholder Directors.*

(a) *Holder Right to Appoint Members of the Board of Directors of the Company.* For so long as the Notes are outstanding, the Holders shall have the right to appoint two (2) members to the Board of Directors of the Company (the "*Noteholder Directors*") in accordance with the terms of this Section 4.20. Each Holder is, and at all times while the Notes are outstanding shall be, a third-party beneficiary of Sections 13, 15-17, 19-29 and 31 (the "*Holder Beneficiary Sections*"), in each case as set forth in Section 31, of the Sixth Amended and Restated Shareholders' Agreement (as amended or restated from time to time, the "*Shareholders' Agreement*"), dated as of May 31, 2017, by and among the Company and the individuals and entities who are parties thereto. Without the prior written consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes, the Company shall not amend, or permit the amendment of, the Shareholders' Agreement in any way that adversely affects any of the Holder Beneficiary Sections in any material respect. The initial Noteholder Directors shall be Sherman K. Edmiston III and Rocco Romanella, as appointed pursuant to the Plan, who shall serve on the Board of Directors until their successors have been duly elected or until their earlier removal or resignation.

(b) *Company Notice of Vacancies and Expected Vacancies; Ballots.*

1. No later than (A) the date that is sixty (60) calendar days prior to the expiration of a Noteholder Director's term and (B) four (4) Business Days following the removal, resignation or death of a Noteholder Director, the Company shall submit a notice (each, a "*Noteholder Director Vacancy Notice*") to the Trustee for distribution pursuant to Section 7.01(g); *provided*, however, that if (x) a Noteholder Director has been serving as a director for less than two (2) years and (y) such Noteholder Director has not given notice to the Company or the Board of Directors that he or she does not wish to stand for reelection, then the Company need not give a Noteholder Director Vacancy Notice pursuant

to clause (A) of this sentence with respect to such Noteholder Director and such Noteholder Director shall automatically be a Noteholder Director Nominee pursuant to Section 4.20(d) upon expiration of his or her term for reasons other than his or her removal, resignation or death. Such notice shall be posted with DTC for all Notes issued in global book-entry form. The Noteholder Director Vacancy Notice shall set forth the following information:

- a. Information regarding the reason for the Noteholder Director Vacancy Notice, including whether the Noteholder Director Vacancy Notice is being sent out in connection with the expiration of a Noteholder Director's term or in response to a Noteholder Director's removal, resignation or death;
- b. Information regarding the identity of the Noteholder Director whose term is expiring or who was removed, resigned or died, including whether such Noteholder Director was included on the Company's application to maintain its status as a minority-controlled business or a minority business with the National Minority Supplier Development Council (or such successor organization) (such a Noteholder Director, a "*MBE-Qualified Director*"); and
- c. Instructions on how and where Holders may submit nominations for the Noteholder Director(s) vacancy(ies) to be filled, which shall include (1) if the Noteholder Director vacancy to be filled is for a MBE-Qualified Director, a description on the requirements such nominee must meet to qualify as a MBE-Qualified Director, (2) a list of information Holders must submit in order to nominate a Noteholder Director, which information shall include a general description of the nominee's background and experience, which will be included in the Ballot Notice (as defined below) and (3) the deadline (the "*Nomination Deadline*") for Holders to submit nominees for the Noteholder Director(s) vacancy(ies) to be filled. The Nomination Deadline shall be no more than twenty (20) Business Days after the Noteholder Director Vacancy Notice is delivered to the Trustee by the Company and no less than fifteen (15) Business Days after the Noteholder Director Vacancy Notice is delivered to the Trustee by the Company.

(c) If nominations for a sufficient number of qualified persons to fill all Noteholder Director vacancies set forth on a Noteholder Director Vacancy Notice have not been received by the Nomination Deadline, the Company shall promptly repeat the process set forth in Section 4.20(b) one (1) time (with the Nomination Deadline being extended by a period fifteen (15) Business Days). If nominations for a sufficient number of qualified persons to fill all Noteholder Director vacancies set forth on a Noteholder Director Vacancy Notice have been received or the

Company has repeated the process set forth in Section 4.20(b) one (1) time, within five (5) Business Days after the Nomination Deadline, the Company shall submit a notice (a “*Ballot Notice*”) to the Trustee for distribution pursuant to Section 7.01(g), which the Trustee shall post with DTC in the Company’s name and at the Company’s sole expense. The Ballot Notice shall set forth the following information:

1. The names of each nominee that was submitted to the Company by a Holder in response to the Noteholder Director Vacancy Notice; *provided, however*; that, in the event that the Noteholder Director vacancy to which the Noteholder Director Vacancy Notice relates was in respect of a MBE-Qualified Director, the Company shall only include such nominees on the Ballot Notice that meet the requirements to be a MBE-Qualified Director;
2. The descriptions of each nominee’s background and experience provided by the Holder who nominated such nominee;
3. Instructions on how Holders may cast a vote for a nominee included on the Ballot Notice, including the deadline (the “*Voting Deadline*”) for Holders to cast their votes. The Voting Deadline shall be no more than twenty (20) Business Days after the Ballot Notice is delivered to the Trustee by the Company and no less than fifteen (15) Business Days after the Ballot Notice is delivered to the Trustee by the Company.

(d) Promptly after the Voting Deadline, the Company shall calculate which of the nominees included on the Ballot Notice received the greatest number of votes (as represented by the aggregate principal amount of the Notes then outstanding voting as a single class) (each such nominee, a “*Noteholder Director Nominee*”) and (1) take such actions as necessary to permit the holders of the Company’s Common Stock to vote for such Noteholder Director Nominee as required in the Shareholders Agreement and (2) submit a notice (the “*Noteholder Director Notice*”) to the Trustee for distribution pursuant to Section 7.01(g) that identifies the nominee who received the most votes and is the new Noteholder Director. To the extent that no votes are cast, the Company shall promptly select the Noteholder Director Nominee from the pool of available nominees. To the extent there is a tie between two or more Noteholder Director Nominees, the Company shall select the Noteholder Director Nominee who was nominated by the Holder with the greatest aggregate principal amount of Notes then outstanding.

(e) *Right of Holders to Remove Noteholder Directors.* At all times while the Notes are outstanding, the Holders shall be permitted to remove, through an Act of Required Holders, any Noteholder Director for any reason, or for no reason, by submitting a direction to the Trustee to be forwarded to the Company instructing the Company to take the actions necessary to effectuate such removal. Upon receipt of such consent, the Company shall take such actions as necessary to permit the holders of the Company’s common stock to remove such Noteholder Director. Following the removal of such Noteholder Director, the Company shall comply with the provisions of this Section 4.20 to replace such Noteholder Director.

(1) either:

(A) the Company is the surviving corporation; or

(B) the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance or other disposition has been made is an entity organized or existing under the laws of the United States, any state of the United States or the District of Columbia; and, if such entity is not a corporation, a co-obligor of the Notes is a corporation organized or existing under any such laws;

(2) the Person formed by or surviving any such consolidation or merger (if other than the Company) or the Person to which such sale, assignment, transfer, conveyance or other disposition has been made assumes all the Notes Obligations of the Company under the Notes, this Indenture and the Security Documents, pursuant to agreements reasonably satisfactory to the Trustee;

(3) immediately after such transaction, no Default or Event of Default exists; and

(4) the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company), or to which such sale, assignment, transfer, conveyance or other disposition has been made would, on the date of such transaction after giving pro forma effect thereto and any related financing transactions as if the same had occurred at the beginning of the applicable four-quarter period (i) be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof; or (ii) have had a Fixed Charge Coverage Ratio greater than the actual Fixed Charge Coverage Ratio for the Company for such four-quarter period.

In addition, the Company will not, directly or indirectly, lease all or substantially all of the properties and assets of it and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to any other Person. This Section 5.01 will not apply to any sale, assignment, transfer, conveyance, lease or other disposition of assets between or among the Company and the Guarantors. Clauses (3) and (4) of this Section 5.01 will not apply to (1) any merger or consolidation of the Company with or into one of its Restricted Subsidiaries for any purpose or (2) with or into an Affiliate solely for the purpose of reincorporating the Company in another jurisdiction.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the “Company” shall refer instead to the successor Person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; *provided, however*, that the predecessor Company shall not be relieved from the obligation to pay the principal of, premium on, if any, and interest on, the Notes except in the case of a sale of all of the Company’s assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

Section 5.03 *Reincorporation from Texas to Delaware.*

Notwithstanding the foregoing, the Company shall be permitted to consummate the Reincorporation.

ARTICLE 6
DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

Each of the following is an “*Event of Default*”:

- (1) default for 30 days in the payment when due of interest on the Notes;
- (2) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium on, if any, the Notes;
- (3) failure by the Company or any of its Restricted Subsidiaries to comply with the provisions of Sections 4.10, 4.14, 4.15, 4.19 or 5.01 hereof;
- (4) failure by the Company or any of its Restricted Subsidiaries for 30 days after notice to the Company by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with Sections 4.07, 4.09 or 4.12 hereof;
- (5) failure by the Company or any of its Restricted Subsidiaries for 60 days after notice to the Company by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the other agreements in this Indenture;

(6) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), whether such Indebtedness or Guarantee now exists, or is created after the date of this Indenture, if that default:

(A) is caused by a failure to pay principal of, premium on, if any, or interest on, if any, such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default (a "*Payment Default*"); or

(B) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$5.0 million or more;

(7) failure by the Company or any of its Restricted Subsidiaries to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of \$5.0 million, which judgments are not paid, discharged or stayed, for a period of 60 days;

(8) the occurrence of any of the following:

(A) any Security Document for the benefit of Holders of the Notes is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect in any material respect, other than in accordance with the terms of the relevant Security Documents; *provided*, however, that it shall not be an Event of Default under this clause (8) (A) if the sole result of the failure of one or more Security Documents to be fully enforceable is that any Lien purported to be granted under such Security Document on Collateral, individually or in the aggregate having a Fair Market Value of not more than \$2.5 million ceases to be an enforceable and perfected security interest, not subject to any Liens prior to the Liens other than Permitted Prior Liens; or

(B) except as permitted by this Indenture, any Lien for the benefit of Holders of the Notes purported to be granted under any Security Document for the benefit of Holders of the Notes on Collateral, individually or in the aggregate, having a Fair Market Value in excess of \$2.5 million ceases to be an enforceable and perfected first-priority Lien in any material respect, subject only to Permitted Prior Liens, and such condition continues for 60 days after written notice by the Trustee of failure to comply with such requirement; provided that it will not be an Event of Default under this clause 8(B) if such condition results from the action or inaction of the Trustee; or

(C) the Company or any Significant Subsidiary that is a Guarantor (or any such Guarantors that together would constitute a Significant Subsidiary), or any Person acting on behalf of any of them, denies or disaffirms, in writing, any material obligation of the Company or such Significant Subsidiary that is a Guarantor (or such Guarantors

that together constitute a Significant Subsidiary) set forth in or arising under any Security Document for the benefit of Holders of the Notes;

(9) the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary pursuant to or within the meaning of Bankruptcy Code:

(A) commences a voluntary case,

(B) consents to the entry of an order for relief against it in an involuntary case,

(C) consents to the appointment of a custodian of it or for all or substantially all of its property,

(D) makes a general assignment for the benefit of its creditors, or

(E) generally is not paying its debts as they become due;

(10) a court of competent jurisdiction enters an order or decree under the Bankruptcy Code that:

(A) is for relief against the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary in an involuntary case;

(B) appoints a custodian of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary or for all or substantially all of the property of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary; or

(C) orders the liquidation of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days; or

(11) except as permitted by this Indenture, any Note Guarantee is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect, or any Guarantor, or any Person acting on behalf of any Guarantor, denies or disaffirms its obligations under its Note Guarantee.

Section 6.02 *Acceleration.*

In the case of an Event of Default specified in clause (9) or (10) of Section 6.01 hereof, with respect to the Company, any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. Following any Event of Default, the outstanding principal amount of the Notes shall bear interest at the rate that is 2% higher than the then applicable interest rate on the Notes. If any Event of Default (other than the Events of Default specified in the first sentence of this paragraph) occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable immediately.

Upon any such declaration, the Notes shall become due and payable immediately.

In the event of a declaration of acceleration of the Notes because an Event of Default has occurred and is continuing as a result of the acceleration of any Indebtedness described in clause (6) of Section 6.01 hereof, the declaration of the acceleration of the Notes shall be automatically annulled if the holders of any Indebtedness described in clause (6) of Section 6.01 hereof have rescinded the declaration of acceleration in respect of such Indebtedness within 60 days of the date of such declaration and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction, (2) all existing Events of Default, except nonpayment of principal or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived and (3) remedies have not been taken with respect to Notes Priority Collateral securing such Indebtedness.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders of all the Notes, rescind an acceleration and its consequences hereunder, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal of, premium on, if any, or interest on the Notes that has become due solely because of the acceleration) have been cured or waived. The Holders of a majority in aggregate principal amount of the then outstanding Notes shall send a copy of any and all notices they send to the Trustee under this Section 6.02 to the Collateral Agent.

In the event the Notes are accelerated or otherwise become due prior to maturity, in each case, in respect of any Event of Default (including, but not limited to, upon the occurrence of an Event of Default arising under clause (9) or (10) of Section 6.01 hereof (including the acceleration of claims by operation of law)), the premium (including (x) the Applicable Premium that would have been due on such date with respect to an optional redemption pursuant to Section 3.07(b), if such date occurs prior to the third anniversary of the date of this Indenture, or (y) the relevant premium that would have been due on such date pursuant to Section 3.07(d), if such date occurs on or after the third anniversary of the date of this Indenture) of the Notes will also be due and payable as though the Notes were optionally redeemed and shall constitute part of the Notes Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Holder's lost profits as a result thereof. The foregoing premium shall be presumed to be the

liquidated damages sustained by each Holder as the result of the early redemption and the Company agrees that it is reasonable under the circumstances currently existing. The foregoing premium shall also be payable in the event the Notes (and/or this Indenture) are satisfied or released by foreclosure (whether by power of judicial proceeding), deed in lieu of foreclosure or by any other means. THE COMPANY EXPRESSLY WAIVES (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. The Company expressly agrees (to the fullest extent it may lawfully do so) that: (A) the foregoing premium is reasonable and is the product of an arm's-length transaction between sophisticated business people, ably represented by counsel; (B) the foregoing premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between Holders and the Company giving specific consideration in this transaction for such agreement to pay the foregoing premium; and (D) the Company shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Company expressly acknowledges that its agreement to pay the foregoing premium to Holders as herein described is a material inducement to Holders to purchase the Notes.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee or the Notes Representative or the Collateral Agent may pursue any available remedy to collect the payment of principal of, premium on, if any, or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee or the Notes Representative or the Collateral Agent may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee, the Notes Representative or the Collateral Agent or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee, the Notes Representative and the Collateral Agent may, on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest on the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or the Notes Representative or the Collateral Agent or exercising any trust or power conferred on it. However, the Trustee, the Notes Representative and the Collateral Agent may refuse to follow any direction that conflicts with law or this Indenture that the Trustee, the Notes Representative or the Collateral Agent, as applicable, determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee, the Notes Representative or the Collateral Agent, as applicable, in personal liability or if the Holders do not provide indemnity and security satisfactory to the Trustee, the Notes Representative and the Collateral Agent, as applicable, in respect of such direction.

Section 6.06 *Limitation on Suits.*

No Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given to the Trustee or the Notes Representative and the Collateral Agent written notice that an Event of Default is continuing;
- (2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee or the Notes Representative and the Collateral Agent to pursue the remedy;
- (3) such Holder or Holders offer and, if requested, provide to the Trustee, the Notes Representative or the Collateral Agent security or indemnity satisfactory to the Trustee, the Notes Representative or the Collateral Agent, as applicable, against any loss, liability or expense;
- (4) the Trustee, the Notes Representative or the Collateral Agent does not comply with such request within 60 days after receipt of the request and the offer of security or indemnity; and
- (5) during such 60-day period, Holders of a majority in aggregate principal amount of the then outstanding Notes do not give the Trustee or the Notes Representative or the Collateral Agent a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note (it being understood that neither the Trustee, the Notes Representative nor the Collateral Agent has an affirmative duty to ascertain whether or not such by a Holder use prejudices the rights of, or obtains a preference or priority over, another Holder).

Section 6.07 *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, premium on, if any, or interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder; *provided* that a Holder shall not have

the right to institute any such suit for the enforcement of payment if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the Lien of this Indenture upon any property subject to such Lien.

Section 6.08 Collection Suit by Trustee or the Notes Representative and the Collateral Agent.

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium on, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee and its agents and counsel.

Section 6.09 Trustee or the Notes Representative and the Collateral Agent May File Proofs of Claim.

The Trustee or the Notes Representative and the Collateral Agent are authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee or the Notes Representative and the Collateral Agent, as applicable, (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee or the Notes Representative and the Collateral Agent, as applicable, and its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee or the Notes Representative and the Collateral Agent, as applicable, and in the event that the Trustee or the Notes Representative and the Collateral Agent, as applicable, shall consent to the making of such payments directly to the Holders, to pay to the Trustee or the Notes Representative and the Collateral Agent, as applicable, any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee or the Notes Representative and the Collateral Agent, as applicable, and its agents and counsel, and any other amounts due the Trustee or the Notes Representative and the Collateral Agent, as applicable, under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee or the Notes Representative and the Collateral Agent, as applicable, under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee or the Notes Representative and the Collateral Agent, as applicable, to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee or the Notes Representative and the Collateral Agent, as applicable, to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee or the Notes Representative and the Collateral Agent collect any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, the Notes Representative and the Collateral Agent, as applicable, and its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee, the Notes Representative and the Collateral Agent, as applicable, and the costs and expenses of collection due and owing under this Indenture, the Pledge and Security Agreement and the Intercreditor Agreement; *provided*, that, for the avoidance of doubt, such expenses shall include expenses incurred by the Trustee in connection with providing assistance to the Collateral Agent in getting direction from the Holders pursuant to an Act of Required Holders;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee, the Notes Representative or the Collateral Agent, as applicable, for any action taken or omitted by it in its respective capacity as a Trustee, Notes Representative or Collateral Agent, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, the Notes Representative or the Collateral Agent or a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and

skill in its exercise, as a prudent person would exercise or use under similar circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holder, unless such Holder has offered to the Trustee security and indemnity satisfactory to the Trustee against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Within two (2) Business Days of receiving a Noteholder Director Vacancy Notice, a Ballot Notice or a Noteholder Director Notice from the Company, the Trustee shall mail such

Noteholder Director Vacancy Notice, such Ballot Notice or such Noteholder Director Notice to the Holders.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any attorney or agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee received written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Note and this Indenture.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee under Article 7 and this Indenture generally, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(k) The Trustee shall not be required to take any other action that would violate a law or regulation to which it is subject.

Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee (if this Indenture has been qualified under the TIA) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 Trustee's Disclaimer.

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults.

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders of Notes, the Notes Representative and the Collateral Agent a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, or interest on any Note, the Trustee may withhold the notice, and shall be protected in withholding such notice, if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interest of the Holders of the Notes.

Section 7.06 Reports by Trustee to Holders of the Notes.

(a) Within 60 days after each May 15 beginning with the May 15 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee will mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA §313(a) (but if no event described in TIA §313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA §313(b)(2). The Trustee will also transmit by mail all reports as required by TIA §313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes will be mailed by the Trustee to the Company.

Section 7.07 *Compensation and Indemnity.*

(a) The Company will pay to the Trustee from time to time such compensation as the Company and the Trustee shall from time to time agree in writing for all services rendered by it hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors will, jointly and severally, indemnify the Trustee and its officers, directors, employees and agents against any and all losses, liabilities or expenses incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its gross negligence or willful misconduct. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Company and the Guarantors under this Section 7.07 will survive any satisfaction, discharge or termination of this Indenture, including any termination under the Bankruptcy Code.

(d) To secure the Company's and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium on, if any, or interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(9) or (10) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under the Bankruptcy Code.

(f) The Trustee will comply with the provisions of TIA §313(b)(2) to the extent applicable.

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under the Bankruptcy Code;
- (3) a custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

(g) The indemnity given to the retiring Trustee under Section 7.07 will survive the resignation of the retiring Trustee and any satisfaction, discharge or any other termination of this Indenture, including any termination under the Bankruptcy Code.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.10 Eligibility; Disqualification.

There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

This Indenture will always have a Trustee who satisfies the requirements of TIA §310(a)(1), (2) and (5). The Trustee is subject to TIA §310(b).

Section 7.11 Preferential Collection of Claims Against Company.

The Trustee is subject to TIA §311(a), excluding any creditor relationship listed in TIA §311(b). A Trustee who has resigned or been removed shall be subject to TIA §311(a) to the extent indicated therein.

ARTICLE 8
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officers' Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, or interest on such Notes when such payments are due from the trust referred to in Section 8.04 hereof;

(2) the Company's obligations with respect to such Notes under Article 2 and Section 4.02 hereof;

(3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's and the Guarantors' obligations in connection therewith; and

(4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.15, 4.16, 4.17, 4.18, 4.19 hereof and clause (4) of Section 5.01 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration, act of Holders or Act of Required Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Company and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(3), (4), (5), (6), (7), (8) and (11) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized investment bank,

appraisal firm, or firm of independent public accountants, to pay the principal of, premium on, if any, and interest on the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(2) in the case of an election under Section 8.02 hereof, the Company must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that:

(A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the date of this Indenture, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Company must deliver to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(5) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which the Company or any of the Guarantors is a party or by which the Company or any of the Guarantors is bound;

(6) the Company must deliver to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(7) the Company must deliver to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Notwithstanding anything to the contrary contained herein, the Company's obligation to the Trustee, the Notes Representative and the Collateral Agent under Section 7.07 shall survive any satisfaction, discharge or any other termination of this Indenture, including any termination under the Bankruptcy Code.

Section 8.05 Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to Company.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium on, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium on, if any, or interest on any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

Notwithstanding Section 9.02 of this Indenture, without the consent of any Holder of Notes, the Company, the Guarantors, the Trustee and the Collateral Agent may amend or supplement this Indenture, the Notes, the Note Guarantees or the Security Documents:

- (1) to cure any ambiguity, defect or inconsistency that does not adversely affect the legal rights hereunder of any Holder in any material respect;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to provide for the assumption of the Company's or a Guarantor's obligations to the Holders of the Notes and Note Guarantees by a successor to the Company or such Guarantor pursuant to Article 5 or Article 10 hereof;
- (4) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights hereunder of any Holder in any material respect;
- (5) to comply with the requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA;
- (6) to enter into a supplemental indenture to evidence the Reincorporation of the Company as permitted by the Plan upon receipt of an Officers' Certificate from the Company confirming that shareholders holding at least 25 percent of the issued and outstanding common shares of the Company have approved the Reincorporation pursuant to the General Corporation Law of the State of Delaware;
- (7) to enter into additional or supplemental Security Documents;

(8) to release Collateral in accordance with Section 10.05 of this Indenture and the Security Documents, except as set forth in Section 9.02 of this Indenture;

(9) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the date hereof;

(10) to evidence and provide for the acceptance and appointment (x) under this Indenture of a successor Trustee thereunder or (y) under the Security Documents of a successor Collateral Agent thereunder;

(11) to make any amendment to the provisions of this Indenture relating to the transfer and legending of the Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; *provided, however*, that (i) compliance with this Indenture as so amended would not result in the Notes being transferred in violation of the Securities Act or any applicable securities laws and (ii) such amendment does not materially and adversely affect the rights of the Holders of the Notes to transfer the Notes;

(12) to make, complete or confirm any grant of Collateral permitted or required by this Indenture or any of the Security Documents or any release of Collateral that becomes effective as set forth in this Indenture or any of the Security Documents;

(13) to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes;

(14) to modify the Security Documents to reflect additional extensions of credit and additional secured creditors holding secured obligations, so long as such secured obligations are not prohibited by this Indenture or any other security document; or

(15) to the extent required by the Intercreditor Agreement.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes.*

Except as provided below in this Section 9.02, the Company, the Guarantors, the Trustee and the Collateral Agent may amend or supplement this Indenture (including, without limitation, Section 3.09, 4.10, 4.15 and 4.19 hereof), the Notes, the Note Guarantees and the Security Documents with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any

existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of such documents may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.09 hereof shall determine which Notes are considered to be “outstanding” for purposes of this Section 9.02.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

It is not necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail or post via DTC to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail or post via DTC such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Company with any provision of this Indenture, the Notes or the Note Guarantees. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed maturity of any Note or alter or waive any of the provisions with respect to the redemption of the Notes (except as provided above with respect to Sections 3.09, 4.10, 4.15 and 4.19 hereof);
- (3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;
- (4) waive a Default or Event of Default in the payment of principal of, premium on, if any, or interest on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then

outstanding Notes and a waiver of the payment default that resulted from such acceleration);

- (5) make any Note payable in money other than that stated in the Notes;
- (6) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of Holders of Notes to receive payments of principal of, premium on, if any, or interest on, the Notes;
- (7) waive a redemption payment with respect to any Note (other than a payment required by Sections 3.09, 4.10, 4.15 or 4.19 hereof);
- (8) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture; or
- (9) make any change in the preceding amendment and waiver provisions.

In addition, any amendment to, or waiver of, the provisions of this Indenture or any Security Document that has the effect of releasing Collateral, other than releasing Collateral governed by Sections 10.05(1), (2), (3), (5) and (6), from the Liens securing the Notes, shall require the consent of the Holders of at least 66-2/3% in aggregate principal amount of the Notes then outstanding.

Notwithstanding anything set forth herein to the contrary, the Notes held by Affiliates of the Company shall not be included in determining whether the requisite percentages set forth in this Section 9.02 have been met for (i) any amendment, modification, waiver, consent or other action with respect to any of the terms of this Indenture, any Note Guarantee or any Security Document or any departure by the Company or any Subsidiary therefrom, or any plan of reorganization pursuant to the Bankruptcy Code or (ii) directing or requiring the Trustee or any other party to undertake any action (or refrain from taking any action) with respect to or under this Indenture, any Note Guarantee or any Security Document.

Section 9.03 *Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes will be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee and the Collateral Agent will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee, Notes Representative and Collateral Agent. The Company may not sign an amended or supplemental indenture until the Board of Directors of the Company approves it. In executing any amended or supplemental indenture, the Trustee and the Collateral Agent will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 14.04 hereof, an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent relating to the execution and delivery of such amended or supplemental indenture have been complied with and the such supplemental indenture constitutes the legal, valid and binding obligation of the Company and the Guarantors subject to customary exceptions.

ARTICLE 10
COLLATERAL SECURITY

Section 10.01 *Security Interest*

The due and punctual payment of the principal of, premium on, and if any, interest on, the Notes when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest (to the extent permitted by law), on the Notes and performance of all other Notes Obligations of the Company to the Holders of Notes or the Trustee under this Indenture and the Notes (including, without limitation, the Note Guarantees), according to the terms hereunder or thereunder, are secured as provided in the Security Documents. Each Holder of Notes, by its acceptance thereof, consents and agrees to the terms of the Intercreditor Agreement and the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with its terms and authorizes and directs the Collateral Agent to enter into the Intercreditor Agreement and the Security Documents and to perform its obligations and exercise its rights thereunder in accordance therewith. The Company will deliver to the Trustee copies of all documents delivered to the Collateral Agent pursuant to the Intercreditor Agreement and the Security Documents, and will do or cause to be done all such acts and things as may be necessary or proper, or as may be required by the provisions of the Intercreditor Agreement and Security Documents, to assure and confirm to the Trustee and the Collateral Agent the security interest in the Collateral contemplated hereby, by the Intercreditor

Agreement and the Security Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes. The Company will take, and will cause its Subsidiaries to take, upon request of the Trustee, any and all actions reasonably required to cause the Intercreditor Agreement and the Security Documents to create and maintain, as security for the Notes Obligations, a valid and enforceable perfected first-priority Lien in and on all the Collateral, in favor of the Collateral Agent for the benefit of the Holders of Notes and the Trustee superior to and prior to the rights of all third Persons and subject to no other Liens than Permitted Liens. Notwithstanding anything to the contrary contained herein, it shall be the sole responsibility of the Company to maintain perfection of such security interest. Neither the Trustee, the Notes Representative nor the Collateral Agent shall be responsible for maintaining perfection of such security interest.

Section 10.02 *Intercreditor Agreement.*

This Article 10 and the provisions of each other Security Document are subject to the terms, conditions and benefits set forth in the Intercreditor Agreement. The Company and each Guarantor consent to, and agree to be bound by, the terms of the Intercreditor Agreement, as the same may be in effect from time to time, and to perform their respective obligations thereunder in accordance with the terms therewith.

Section 10.03 *[Reserved]*.

Section 10.04 *[Reserved]*.

Section 10.05 *Release of Liens in Respect of Notes.*

The Collateral Agent's Liens upon the Collateral will no longer secure the Notes outstanding under this Indenture or any other Notes Obligations under this Indenture, and the right of the Holders of the Notes and such Notes Obligations to the benefits and proceeds of the Collateral Agent's Liens on the Collateral will terminate and be discharged:

- (1) upon the satisfaction and discharge of this Indenture, in accordance with Article 13 hereof;
- (2) upon a Legal Defeasance or Covenant Defeasance of the Notes in accordance with Article 8 hereof;
- (3) upon payment in full and discharge of all Notes outstanding under this Indenture and all other Notes Obligations that are outstanding, due and payable under this Indenture at the time the Notes are paid in full in cash and discharged;
- (4) in whole or in part, with, if applicable, the consent of the Holders of the requisite percentage of Notes in accordance with Section 9.02 hereof;
- (5) as to any Collateral (including, for the avoidance of doubt, any Capital Stock of any Guarantor and, in the case of a sale of all of the Capital Stock of a Guarantor, all of such Guarantor's assets) that is sold, transferred or otherwise disposed of by the Company or any Guarantor to a Person that is not (either before or after such sale, transfer or disposition) the

Company or a Restricted Subsidiary of the Company in a transaction or other circumstances that either (i) does not constitute an Asset Sale or (ii) otherwise complies with Section 4.10 of this Indenture, at the time of such sale, transfer or other disposition or to the extent of the interest sold, transferred or otherwise disposed of; *provided* that, the Collateral Agent's Liens upon the Collateral will not be released if the sale or disposition is subject to Section 5.01 of this Indenture;

(6) if and to the extent required by the Intercreditor Agreement. For the avoidance of doubt, the release of any Liens of the Notes Representative, acting in its capacity as the Junior Representative (as defined in the Intercreditor Agreement), in the ABL Priority Collateral shall be automatic under the Intercreditor Agreement and shall not require the consent of any Holders.

Each Holder, by its agreement to hold the Notes, and each subsequent Holder, by its acquisition of Notes, hereby consents to and agrees to the terms of the Intercreditor Agreement and acknowledges that this consent is intended to be the consent required by TIA §316(b) for purposes of agreeing to the terms and conditions of the Intercreditor Agreement.

Section 10.06 *Relative Rights.*

Nothing in the Notes Document will:

(1) impair, as between the Company and the Holders of Notes, the obligation of the Company to pay principal of, premium and interest on the Notes in accordance with their terms or any other obligation of the Company or any Guarantor;

(2) affect the relative rights of Holders of Notes as against any other creditors of the Company or any Guarantor (other than holders of Permitted Prior Liens);

(3) restrict the right of any Holder of Notes to sue for payments that are then due and owing (but not enforce any judgment in respect thereof against any Collateral to the extent specifically prohibited by the Intercreditor Agreement);

(4) restrict or prevent any holder of Notes or other Notes Obligations or the Collateral Agent from exercising any of its rights or remedies upon a Default or Event of Default not specifically restricted or prohibited by the Intercreditor Agreement; or

(5) restrict or prevent any holder of Notes or other Notes Obligations or the Collateral Agent from taking any lawful action in an Insolvency Proceeding not specifically restricted or prohibited by the Intercreditor Agreement.

Section 10.07 *Further Assurances; Insurance.*

(a) The Company and each of the Guarantors shall do or cause to be done all acts and things that may be required, or that the Collateral Agent from time to time may reasonably request, to assure and confirm that the Collateral Agent holds, for the benefit of the holders of Notes Obligations, duly created and enforceable and perfected Liens upon the Collateral (including any property or assets that are acquired or otherwise become Collateral after the Notes

are issued), in each case, as contemplated by, and with the Lien priority required under, the Notes Documents.

(b) The Company and the Guarantors will:

(1) keep their properties adequately insured at all times by financially sound and reputable insurers;

(2) maintain such other insurance, to such extent and against such risks (and with such deductibles, retentions and exclusions), including fire and other risks insured against by extended coverage and coverage for acts of terrorism, as is customary with companies in the same or similar businesses operating in the same or similar locations, including public liability insurance against claims for personal injury or death or property damage occurring upon, in, about or in connection with the use of any properties owned, occupied or controlled by them;

(3) maintain such other insurance as may be required by law;

(4) maintain title insurance on all real property Collateral insuring the Collateral Agent's Lien on that property, subject only to Permitted Prior Liens and other exceptions to title approved by the Collateral Agent; provided that title insurance need only be maintained on any particular parcel of real property having a Fair Market Value of more than \$1.0 million; and

(5) maintain such other insurance as may be required by the Security Documents.

(c) Upon the request of the Collateral Agent, the Company and the Guarantors will furnish to the Collateral Agent full information as to their property and liability insurance carriers. Holders of Notes Obligations, as a class, will be named as additional insureds, with a waiver of subrogation, on all insurance policies of the Company and the Guarantors and the Collateral Agent will be named as loss payee, with 30 days' notice of cancellation or material change, on all property and casualty insurance policies of the Company and the Guarantors.

Section 10.08 *Release of Collateral.*

(a) The Collateral subject to the Security Documents may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of this Indenture, in particular Sections 9.02 and 10.05 hereof, the Security Documents and the Intercreditor Agreement.

(b) The release of any Collateral shall not be deemed to impair the security in contravention of the provisions of this Indenture if and to the extent such assets are released pursuant to the terms of this Indenture, the Security Documents or the Intercreditor Agreement.

(c) In the event that the Company seeks to release the Collateral, the Company shall deliver an Officers' Certificate and an Opinion of Counsel to the Collateral Agent stating that all conditions precedent relating to the release have been complied with.

(d) Subject to the terms and conditions of the relevant Security Documents and the Intercreditor Agreement, the Collateral Agent at the direction of the Trustee in accordance with an Act of Required Holders shall, if so requested by the Company in writing and based solely upon the Officers' Certificate and Opinion of Counsel delivered to the Collateral Agent in preceding clause (c) above, authorize the Collateral Agent to execute, deliver or acknowledge any necessary or proper instruments of termination, satisfaction or release to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Security Documents, and the Intercreditor Agreement.

ARTICLE 11 NOTE GUARANTEES

Section 11.01 *Guarantee.*

The Guarantors agree as follows upon becoming a party to this Indenture:

(a) Subject to this Article 11, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Notes Obligations of the Company hereunder or thereunder, that:

(1) the principal of, premium on, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium on, if any, and interest on, the Notes, if lawful, and all other obligations of the Company to the Holders or the Trustee and the Collateral Agent hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by either to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 11.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 11, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 11.03 Execution and Delivery of Note Guarantee.

To evidence its Note Guarantee set forth in Section 11.01 hereof, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit E hereto will be endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 11.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee.

If an Officer whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

In the event that the Company or any of its Restricted Subsidiaries creates or acquires any Domestic Subsidiary after the date of this Indenture, if required by Section 4.17 hereof, the Company will cause such Domestic Subsidiary to comply with the provisions of Section 4.17 hereof and this Article 11, to the extent applicable.

Section 11.04 *Guarantors May Consolidate, etc., on Certain Terms.*

Except as otherwise provided in Section 11.05 hereof, no Guarantor may sell or otherwise dispose of all or substantially all of its assets to, or consolidate with or merge with or into (whether or not such Guarantor is the surviving Person) another Person, other than the Company or another Guarantor, unless:

(1) immediately after giving effect to such transaction, no Default or Event of Default exists; and

(2) either:

(a) (i) the Person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger (the “*Successor Guarantor*”) unconditionally assumes all the obligations of that Guarantor under its Note Guarantee, this Indenture and the Security Documents pursuant to a supplemental indenture and appropriate Security Documents satisfactory to the Trustee; (ii) the Successor Guarantor causes such amendments, supplements or other instruments to be executed, delivered, filed and recorded in such jurisdictions as may be required by applicable law to preserve and protect the Liens under the applicable Security Documents on the Collateral owned by or transferred to the Successor Guarantor, together with such financing statements as may be required to perfect any security interests in such Collateral which may be perfected by the filing of a financing statement under the Uniform Commercial Code of the relevant jurisdiction and Opinions of Counsel confirming such perfection; (iii) the Collateral owned by or transferred to the Successor Guarantor shall: (A) continue to constitute Collateral under this Indenture and the applicable Security Documents, (B) be subject to Liens in favor of the Collateral Agent for the benefit of the Holders of the Notes and any other Notes Obligations and (C) not be subject to any Lien other than Permitted Liens; and (iv) the property and assets of the Person which is merged or consolidated with or into the Successor Guarantor, to the extent that they are property or assets of the types which would constitute Collateral under the applicable Security Documents, shall be treated as after-acquired property and the Successor Guarantor shall take such action as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in this Indenture and the Security Documents; or

(b) the Net Proceeds of such sale or other disposition are applied in accordance with the applicable provisions of this Indenture, including without limitation, Section 4.10 hereof.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clauses 2(a) and (b) above, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

Section 11.05 *Releases.*

(a) In the event of any sale or other disposition of all or substantially all of the assets of any Guarantor, by way of merger, consolidation or otherwise, to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary of the Company, then the corporation acquiring the property will be released and relieved of any Notes Obligations under the Note Guarantee;

(b) In the event of any sale or other disposition of Capital Stock of such Guarantor to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary of the Company and such Guarantor ceases to be a Restricted Subsidiary of the Company as a result of the sale or other disposition, then such Guarantor will be released and relieved of any Notes Obligations under its Note Guarantee;

provided, in both cases, that (x) the consent provisions set forth in Section 9.02, if applicable, are met and (y) the Net Proceeds of such sale or other disposition are applied in accordance with the applicable provisions of this Indenture, including without limitation Section 4.10 hereof, if applicable. Upon delivery by the Company to the Trustee of an Officers' Certificate and an Opinion of Counsel stating that all conditions precedent relating to the release have been complied with, the Trustee will execute any documents reasonably required in order to evidence the release of any Guarantor from its obligations under its Note Guarantee.

(c) Upon designation of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in accordance with the terms of this Indenture, such Guarantor will be

automatically released and relieved of any Notes Obligations under its Note Guarantee. The Company will send notice of such release to the Trustee and Collateral Agent.

(d) Upon Legal Defeasance or Covenant Defeasance in accordance with Article 8 hereof or satisfaction and discharge of this Indenture in accordance with Article 12 hereof, each Guarantor will be released and relieved of any Notes Obligations under its Note Guarantee.

(e) Upon the dissolution of a Guarantor if its assets are distributed to the Company or another Guarantor, such Guarantor will be released and relieved of any Notes Obligations under its Note Guarantee.

Any Guarantor not released from its obligations under its Note Guarantee as provided in this Section 11.05 will remain liable for the full amount of principal of, premium on, if any, and interest on, the Notes and for the other Notes Obligations of any Guarantor under this Indenture as provided in this Article 11.

ARTICLE 12 SATISFACTION AND DISCHARGE

Section 12.01 *Satisfaction and Discharge.*

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

(a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium, if any, and interest to the date of maturity or redemption;

(2) in respect of subclause (b) of clause (1) of this Section 12.01, no Default or Event of Default has occurred and is continuing on the date of the deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and any similar deposit relating to other Indebtedness and, in each case, the granting of Liens to secure such borrowings) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound (other than with respect to the borrowing of funds to be applied concurrently to make the deposit required to effect such satisfaction and discharge and

any similar concurrent deposit relating to other Indebtedness, and in each case the granting of Liens to secure such borrowings);

(3) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(4) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section 12.01, the provisions of Sections 12.02 and 8.06 hereof will survive. In addition, nothing in this Section 12.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 12.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 12.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 12.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 12.01 hereof; *provided* that if the Company has made any payment of principal of, premium on, if any, or interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

ARTICLE 13 COLLATERAL AGENT

Section 13.01 *Appointment; Powers of the Collateral Agent.*

(a) The Company and each holder of a Note by their acceptance thereof hereby designates and appoints U.S. Bank National Association to act as Collateral Agent under this

Indenture, and hereby authorizes the Collateral Agent to take such actions on their behalf under the provisions of this Indenture, the Intercreditor Agreement, and the other Security Documents to which it is a party and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Indenture. For the avoidance of doubt, the Collateral Agent, acting as Notes Representative, is the only party authorized to take actions on behalf of the Notes Secured Parties under the Intercreditor Agreement.

(b) The Collateral Agent is irrevocably authorized and empowered to enter into and perform its obligations and protect, perfect, exercise and enforce its interest, rights, powers and remedies under the Security Documents and applicable law and in equity and to act as set forth in this Article 13 or, subject to the other provisions of this Indenture, as requested in any lawful directions given to it from time to time by the Company or in respect of any matter by an Act of Required Holders, except for those actions requiring consent specifically enumerated by Section 9.02, which shall require a greater percentage of consent of the Holders of an aggregate principal amount of the Notes then outstanding voting as a single class, as set forth in Section 9.02.

Section 13.02 For Sole and Exclusive Benefit of the Holders.

The Collateral Agent will accept, hold, administer and enforce all Liens on the Collateral at any time transferred or delivered to it and all other interests, rights, powers and remedies at any time granted to or enforceable by the Collateral Agent and all other Collateral solely and exclusively for the benefit of itself and the present and future Holders and any other holders of present and future Note Obligations, and will distribute all proceeds received by it in realization thereon or from enforcement thereof solely and exclusively pursuant to the provisions of the Intercreditor Agreement and under this Indenture in accordance with Section 6.10 hereof.

Section 13.03 No Implied Duty.

The Collateral Agent will not have any fiduciary duties nor will it have responsibilities or obligations other than those expressly assumed by it in this Indenture, the Intercreditor Agreement and the other Notes Documents to which it is a party in its capacity as Collateral Agent. The Collateral Agent will not be required to take any action that is contrary to applicable law or any provision of this Indenture, the Intercreditor Agreement or the other Notes Documents to which it is a party in its capacity as Collateral Agent. The permissive right of the Collateral Agent to take or refrain from taking any actions enumerated in this Indenture, the Intercreditor Agreement or any other Notes Document to which it is a party in its capacity as Collateral Agent shall not be construed as a duty.

The Collateral Agent shall have all of the rights, privileges, immunities and indemnities granted to the Trustee in Article 7 of the Indenture, including without limitation, those specifically set forth in Section 7.07 and Section 7.08(g), as if fully set forth herein which are in addition to those set forth in this Article 13.

Section 13.04 Appointment of Agents and Advisors.

The Collateral Agent may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, accountants, appraisers or

other experts or advisors selected by it in good faith as it may reasonably require and will not be responsible for any misconduct or negligence on the part of any of them.

Section 13.05 *Other Agreements.*

The Collateral Agent has accepted its appointment as Collateral Agent hereunder and is bound by the Security Documents executed by it as of the date of this Indenture and, as directed by an Act of Required Holders, the Collateral Agent shall execute additional Security Documents delivered to it after the date of this Indenture; *provided, however*, that such additional Security Documents do not adversely affect the rights, privileges, benefits and immunities of the Collateral Agent. The Collateral Agent will not otherwise be bound by, or be held obligated by, the provisions of any credit agreement, indenture or other agreement governing the Notes Obligations (other than this Indenture, the Intercreditor Agreement and the other Notes Documents to which it is a party).

Section 13.06 *Solicitation of Instructions.*

No written direction given to the Collateral Agent by the Trustee acting at the direction of an Act of Required Holders that in the reasonable good faith judgment of the Collateral Agents imposes or would reasonably be expected to impose upon the Collateral Agent any obligation or liability not set forth in or arising under this Indenture, the Intercreditor Agreement and the other Security Documents will be binding upon the Collateral Agent unless the Collateral Agent elects, at its sole option, to accept such direction and it is provided indemnity and security satisfactory to it.

Section 13.07 *Limitation of Liability.*

The Collateral Agent will not be responsible or liable for any action taken or omitted to be taken by it hereunder, the Intercreditor Agreement or under any other Security Document, except for its own gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction.

Section 13.08 *Entitled to Rely.*

The Collateral Agent may seek and rely upon, and shall be fully protected in relying upon, any judicial order or judgment, upon any advice, opinion or statement of legal counsel, independent consultants and other experts selected by it in good faith and upon any certification, instruction, notice or other writing delivered to it by Company or any Guarantor in compliance with the provisions of this Indenture, the Intercreditor Agreement and the other Security Documents or delivered to it by the Notes Representative as to the Holders and any other holders of Notes Obligations for whom it acts, or a direction from the Trustee acting at the direction of an Act of Required Holders, without being required to determine the authenticity thereof or the correctness of any fact stated therein or the propriety or validity of service thereof. The Collateral Agent may act in reliance upon any instrument comporting with the provisions of this Indenture, the Intercreditor Agreement and the other Security Documents or any signature reasonably believed by it to be genuine and may assume that any Person purporting to give notice or receipt or advice or make any statement or execute any document in connection with the provisions hereof or the other Security Documents has been duly authorized to do so. To the extent an

Officers' Certificate or Opinion of Counsel is required or permitted under this Indenture, the Intercreditor Agreement or the other Security Documents to be delivered to the Collateral Agent in respect of any matter, the Collateral Agent may rely conclusively on an Officers' Certificate or Opinion of Counsel as to such matter and such Officers' Certificate or Opinion of Counsel shall be full warranty and protection to the Collateral Agent for any action taken, suffered or omitted by it under the provisions of this Indenture, the Intercreditor Agreement and the other Security Documents.

Section 13.09 Default.

The Collateral Agent will not be required to inquire as to the occurrence or absence of any Default hereunder or under the Intercreditor Agreement and will not be affected by or required to act upon any notice or knowledge as to the occurrence of any Default unless and until it receives written notice of such Default from the Required Holders and is directed by the Trustee acting in accordance with an Act of Required Holders and if required by the Collateral Agent, an indemnity and security satisfactory to it is provided under Section 13.11 hereof.

Section 13.10 Actions by Collateral Agent.

As to any matter not expressly provided for by this Indenture or the other Security Documents, the Collateral Agent will act or refrain from acting as directed by the Trustee acting in accordance with an Act of Required Holders and will be fully protected if it does so, and any action taken, suffered or omitted pursuant hereto or thereto shall be binding on the Holders and any other holders of Notes Obligations.

Section 13.11 Security and Indemnity in Favor of the Collateral Agent.

The Collateral Agent will not be required to take any action at the direction of the Holders or any other holders of Notes Obligations, to advance or expend any funds or otherwise incur any financial liability in the performance of its duties or the exercise of its powers or rights hereunder unless it has been provided with pre-funding, security and indemnity reasonably satisfactory to it against any and all cost, loss, liability or expense which may be incurred by it by reason of taking or continuing to take such action.

Section 13.12 Rights of the Collateral Agent.

In the event there is any bona fide, good faith disagreement between the other parties to this Indenture, the Intercreditor Agreement or any of the other Security Documents resulting in adverse claims being made in connection with Collateral held by the Collateral Agent and the terms of this Indenture, the Intercreditor Agreement or any of the other Security Documents do not unambiguously mandate the action the Collateral Agent is to take or not to take in connection therewith under the circumstances then existing, or the Collateral Agent is in doubt as to what action it is required to take or not to take hereunder or under the other Security Documents, it will be entitled to refrain from taking any action (and will incur no liability for doing so) until directed otherwise (subject to Section 13.11) in writing by a request signed jointly by the parties hereto entitled to give such direction or by order of a court of competent jurisdiction.

Section 13.13 Limitations on Duty of Collateral Agent in Respect of Collateral.

(a) Beyond the exercise of reasonable care in the custody of Notes Collateral in its possession, the Collateral Agent will have no duty as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and the Collateral Agent will not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any Liens on the Notes Collateral; it shall be the sole responsibility of the Company to take any necessary action to preserve, protect or perfect the security interests granted to the Collateral Agent; *provided, however*, that, notwithstanding the foregoing, the Collateral Agent will execute, file or record UCC-3 continuation statements and other documents and instruments to preserve, protect or perfect the security interests granted to the Collateral Agent (subject to the priorities set forth herein) if it shall receive a specific written request to execute, file or record the particular continuation statement or other specific document or instrument by an Act of Required Holders. The Collateral Agent will be deemed to have exercised reasonable care in the custody of the Notes Collateral in its possession if the Notes Collateral is accorded treatment substantially equal to that which it accords its own property, and the Collateral Agent will not be liable or responsible for any loss or diminution in the value of any of the Notes Collateral by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Collateral Agent with due care. Pursuant to applicable law, if the Company and the Guarantors fail to take any necessary action to preserve, protect or perfect the security interests granted to the Collateral Agent, the Company and the Guarantors authorize the Collateral Agent to file or record financing statements and other filing or recording documents or instruments without the signature of Company or such Guarantor, as directed by an Act of Required Holders in such form and in such offices as may be necessary or as so directed or by an Opinion of Counsel, in each case as is appropriate to perfect the security interests of the Collateral Agent in the Collateral under the Security Documents. This authorization, however, shall not relieve Company or the Guarantors from their obligations to perfect or maintain the perfection of any Liens on the Collateral as may be required hereby or by any of the Notes Documents.

(b) The Collateral Agent will not be responsible for the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the Liens in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence or willful misconduct on the part of the Collateral Agent, for the validity or sufficiency of the Collateral or any agreement or assignment contained therein, for the validity of the title of Company or any Guarantor to the Collateral, for insuring the Collateral or for the payment of taxes, charges, assessments or Liens upon the Collateral or otherwise as to the maintenance of the Collateral. The Collateral Agent hereby disclaims any representation or warranty to the present and future Holders or any other holders of the Notes Obligations concerning the perfection of the Liens granted to it or in the value of any of the Collateral.

Section 13.14 *Assumption of Rights, No Assumption of Duties.*

Notwithstanding anything to the contrary contained herein: (a) each of the parties thereto will remain liable under each of the Security Documents (other than this Indenture) to the extent set forth therein to perform all of their respective duties and obligations thereunder to the same

extent as if this Indenture had not been executed; (b) the exercise by the Collateral Agent of any of its rights, remedies or powers hereunder will not release such parties from any of their respective duties or obligations under the other Security Documents; and (c) the Collateral Agent will not be obligated to perform any of the obligations or duties of any of the parties thereunder other than those of the Collateral Agent.

Section 13.15 No Liability for Clean Up of Hazardous Materials.

In the event that the Collateral Agent is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Collateral Agent's sole discretion may cause the Collateral Agent to be considered an "owner or operator" under any environmental laws or otherwise cause the Collateral Agent to incur, or be exposed to, any environmental liability or any liability under any other federal, state or local law, the Collateral Agent reserves the right, instead of taking such action, either to resign as Collateral Agent or to arrange for the transfer of the title or control of the asset to a court appointed receiver. The Collateral Agent will not be liable to any Person for any environmental liability or any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Collateral Agent's actions and conduct as authorized, empowered and directed hereunder or relating to any kind of discharge or release or threatened discharge or release of any hazardous materials into the environment.

Section 13.16 Resignation or Removal of Collateral Agent.

Subject to the appointment of a successor Collateral Agent as provided in Section 13.17 and the acceptance of such appointment by the successor Collateral Agent:

(a) the Collateral Agent may resign at any time by giving not less than 30 days' notice of resignation to each of the Trustee and the Company, *provided* that such notice period may be waived with the consent of both the Trustee and the Company; and

(b) the Collateral Agent may be removed at any time, with or without cause, by an Act of Required Holders.

Section 13.17 Appointment of Successor Collateral Agent.

Upon any such resignation or removal, a successor Collateral Agent may be appointed by an Act of Required Holders. If no successor Collateral Agent has been so appointed and accepted such appointment within 30 days after the predecessor Collateral Agent gave notice of resignation or was removed, Company shall appoint a successor Collateral Agent. If such appointment has not been made within such 30 day period, Company and/or the Collateral Agent may petition a court of competent jurisdiction for appointment of a successor Collateral Agent. Each successor Collateral Agent must be a bank or trust company:

- (a) authorized to exercise corporate trust powers;
- (b) having a combined capital and surplus of at least \$50,000,000; and

(c) that is not the Company or its Affiliates.

The Collateral Agent will fulfill its obligations hereunder until a successor Collateral Agent meeting the requirements of this Section 13.17 has accepted its appointment as Collateral Agent and the provisions of Section 13.18 have been satisfied.

Section 13.18 *Succession.*

When the Person so appointed as successor Collateral Agent accepts such appointment:

(a) such Person will succeed to and become vested with all the rights, powers, privileges and duties of the predecessor Collateral Agent, upon the payment of any and all amounts due and owing to the predecessor Collateral Agent and the predecessor Collateral Agent will be discharged from its duties and obligations hereunder; and

(b) the predecessor Collateral Agent will (at the expense of Company) promptly transfer all Liens and collateral security and other Collateral within its possession or control to the possession or control of the successor Collateral Agent and will execute instruments and assignments as may be necessary or reasonably requested by the successor Collateral Agent to transfer to the successor Collateral Agent all Liens, interests, rights, powers and remedies of the predecessor Collateral Agent in respect of the Security Documents or the Collateral.

Thereafter, the predecessor Collateral Agent will remain entitled to enforce the immunities granted to it in this Article 13 of the Indenture and these protections, immunities and indemnities given to the predecessor Collateral Agent shall survive the resignation, removal and any termination of this Indenture including any termination under the Bankruptcy Code.

Section 13.19 *Merger, Conversion or Consolidation of Collateral Agent.*

Any business entity into which the Collateral Agent may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Collateral Agent shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Collateral Agent shall be the successor of the Collateral Agent pursuant to Section 13.18, without the execution or filing of any paper with any party hereto or any further act on the part of any of the parties hereto, except where an instrument of transfer or assignment is required by law to effect such succession; *provided, however*, that anything herein to the contrary notwithstanding, such entity satisfies the eligibility requirements specified in clauses (a) through (c) of Section 13.17. The Collateral Agent shall use commercially reasonable efforts to notify the Company and any other Notes Representative prior to any such merger, conversion or consolidation; *provided, however*, that any failure to do so shall not limit or prevent the effectiveness of the successor described herein.

Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

8.000% Senior Secured Notes due 2022

[Insert the Global Note Legend, if applicable pursuant to the provisions of the Indenture]

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST.* Goodman Networks Incorporated, a Texas corporation (the “Company”), promises to pay or cause to be paid interest on the principal amount of this Note at 8.000% per annum from May 31, 2017 until maturity. The Company will pay interest semi-annually in arrears on October 15 and April 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided further* that the first Interest Payment Date shall be October 15, 2017. The Company will pay interest (including post-petition interest in any proceeding under the Bankruptcy Code) on overdue principal at a rate that is 2% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under the Bankruptcy Code) on overdue installments of interest (without regard to any applicable grace period), at the same rate to the extent lawful.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(2) *METHOD OF PAYMENT.* The Company will pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on October 1 and April 1 immediately preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Paying Agent and Registrar, or, at the option of the Company, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium on, if any, and interest on all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Company or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR.* Initially, UMB Bank, National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *INDENTURE AND SECURITY DOCUMENTS.* The Company issued the Notes under an Indenture dated as of May 31, 2017 (the “*Indenture*”) between the Company and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are secured obligations of the Company and are secured pursuant to the Security Documents referred to in the Indenture.

(5) *OPTIONAL REDEMPTION.*

(a) At any time prior to the third anniversary of the date of the Indenture, the Company may on any one or more occasions redeem up to 35% of the aggregate principal amount of Notes originally issued under the Indenture, upon not less than 30 nor more than 60 days’ notice, at a redemption price equal to 108.000% of the principal amount of the Notes redeemed, plus accrued and unpaid interest to the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date) with the net cash proceeds of an Equity Offering by the Company or a capital contribution to the Company’s common equity made with the net cash proceeds of a concurrent Equity Offering by the Company’s direct or indirect parent; *provided that*:

(A) at least 65% of the aggregate principal amount of Notes originally issued under the Indenture (excluding Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption;

(B) the redemption occurs within 120 days of the date of the closing of such Equity Offering; and

(C) the Company furnishes an Officers’ Certificate certifying that such redemption is being effectuated pursuant to Section 3.07(a) and that such Equity Offering complies with the terms of Section 3.07(a).

(b) At any time prior to the third anniversary of the date of the Indenture, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium as of, and accrued and unpaid interest to the applicable date of redemption, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date; *provided*, the Company shall furnish an Officers' Certificate certifying that such redemption is being effectuated pursuant to Section 3.07(b).

(c) Except pursuant to the preceding paragraphs, the Notes will not be redeemable at the Company's option prior to the third anniversary of the date of the Indenture. Notwithstanding the foregoing, the Company shall be permitted to refinance the Notes in full at par on or prior to the first anniversary of the date of this Indenture with the proceeds of other Indebtedness; *provided*, the Company shall furnish an Officers' Certificate certifying that such redemption is being effectuated pursuant to the second sentence of Section 3.07(c).

(d) On or after the third anniversary of the date of the Indenture, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 30 nor more than 60 days' notice, at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest on the Notes redeemed, to the applicable redemption date, if redeemed during the period indicated below, subject to the rights of Holders on the relevant record date to receive interest on the relevant Interest Payment Date; *provided*, the Company shall furnish an Officers' Certificate setting forth the relevant percentage below and certifying that such redemption is being effectuated pursuant to Section 3.07(d):

<u>For the period below</u>	<u>Percentage</u>
On or after the third anniversary of the date of the Indenture and before the fourth anniversary of the date of the Indenture	102.000%
On or after the fourth anniversary of the date of the Indenture and before November 30, 2021	101.000%
On or after November 30, 2021	100.000%

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(6) *REPURCHASE AT THE OPTION OF HOLDER IN CONNECTION WITH CHANGE OF CONTROL OFFER.*

If there is a Change of Control, the Company will be required to make an offer (a “*Change of Control Offer*”) to each Holder to repurchase all or any part (in integral multiples of \$1.00) of each Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest thereon to the date of purchase (the “*Change of Control Payment*”), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date; *provided*, that for the avoidance of doubt, the premiums set forth in Section 3.07 shall not be applicable to any redemption made pursuant to Section 4.15. Within 30 days following any Change of Control, the Company will mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(7) *REPURCHASE AT THE OPTION OF HOLDER BY APPLICATION OF EXCESS PROCEEDS.* If the Company or a Restricted Subsidiary of the Company consummates any Asset Sales, within 15 Business Days after the aggregate amount of Excess Proceeds exceeds \$2.5 million, the Company will perform one of the following:

(a) if the Senior Secured Leverage Ratio, calculated on a pro forma basis giving effect to such Asset Sale, is less than or equal to 3.50 to 1.00 (i) make an Asset Sale Offer to all Holders of Notes to purchase, prepay or redeem the maximum principal amount of Notes that may be purchased, prepaid or redeemed out of the Excess Proceeds or (ii) redeem the PIK Preferred Stock with the Excess Proceeds; or

(b) if the Senior Secured Leverage Ratio, calculated on a pro forma basis giving effect to such Asset Sale, is greater than 3.50 to 1.00, make an Asset Sale Offer to all Holders of Notes to purchase, prepay or redeem the maximum principal amount of Notes that may be purchased, prepaid or redeemed out of the Excess Proceeds.

The Company will follow the notice procedures set forth in Section 3.09 of the Indenture. The offer price for the Notes in any Asset Sale Offer will be equal to 100% of the principal amount of the Notes purchased, plus accrued and unpaid interest on the Notes to the date of purchase, prepayment or redemption, subject to the rights of Holders

of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use such Excess Proceeds for any purpose expressly permitted by the Indenture. If the aggregate principal amount of Notes tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Notes shall be purchased on a pro rata basis based on the principal amount of Notes tendered and remaining Excess Proceeds shall be used for any purpose expressly permitted by the Indenture. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Company prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled "Option of Holder to Elect Purchase" attached to the Notes.

(8) *EXCESS CASH FLOW REDEMPTION.* To the extent that the Excess Cash Flow Amount for any Applicable Period cannot be applied to the redemption of the PIK Preferred Stock pursuant to the terms of such PIK Preferred Stock in effect on the issue date under applicable law, pursuant to the terms of the Credit Facilities, or cannot be applied in a manner consistent with the PIK Preferred Stock documentation as in effect on the issue date, such Excess Cash Flow Amount shall be used to redeem the Notes at a price of 100% pursuant to Section 4.19. Once the PIK Preferred Stock has been redeemed in full, the Excess Cash Flow Amount shall be applied in its entirety to redeem the Notes pursuant to Section 4.19.

Within five Business Days following the date of the delivery of the Company's quarterly or annual, as applicable, financial statements with respect to the most recently ended Applicable Period, the Company shall (a) redeem Notes in an amount equal to the Excess Cash Flow Amount to purchase Notes at a redemption price equal to 100% of the aggregate principal amount thereof plus accrued and unpaid interest to, but not including, the date of purchase and (b) deliver to the Trustee an Officers' Certificate setting forth the calculations in reasonable detail in connection with the Excess Cash Flow redemption in respect of such Applicable Period, including, without limitation, the relevant Excess Cash Flow Amount and relevant Excess Cash Flow Percentage (with reference to the clause within the definition of Excess Cash Flow Percentage that is being relied upon for such Applicable Period). Any redemption pursuant to Section 4.19 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof, accompanied by an Officers' Certificate certifying that such redemption is being made pursuant to Section 4.19. For the avoidance of doubt, the premiums set forth in Section 3.07 shall not be applicable to any redemption made pursuant to Section 4.19.

(9) *NOTICE OF REDEMPTION.* Subject to Section 3.09, at least 30 days but not more than 60 days before a redemption date, the Company will mail or cause to be mailed, by first class mail (or post with DTC, as applicable), a notice of redemption to

each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 12 thereof. Notes and portions of Notes selected will be in integral multiples of \$1.00; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased.

(10) *DENOMINATIONS, TRANSFER, EXCHANGE.* The Notes are in registered form in minimum denominations of \$1.00 and integral multiples thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(11) *PERSONS DEEMED OWNERS.* The registered Holder of a Note may be treated as the owner of such Note for all purposes. Only registered Holders have rights under the Indenture.

(12) *AMENDMENT, SUPPLEMENT AND WAIVER.* Subject to certain exceptions, the Indenture, the Notes, the Note Guarantees and the Security Documents may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class, and any existing Default or Event of Default or compliance with any provision of such documents may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes including Additional Notes, if any, voting as a single class. Without the consent of any Holder of Notes, the Indenture, the Notes, the Note Guarantees or the Security Documents may be amended or supplemented to cure any ambiguity, defect or inconsistency that does not adversely affect the legal rights hereunder of any Holder in any material respect, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Company's or a Guarantor's obligations to the Holders of the Notes and Note Guarantees by a successor to the Company or such Guarantor pursuant to Article 5 or Article 10 of the Indenture, to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect the legal rights under the Indenture of any Holder in all material respects, to comply with

the requirements of the SEC in order to effect or maintain the qualification of the Indenture under the TIA, to enter into a supplemental indenture to evidence the Reincorporation of the Company as permitted by the Plan upon receipt of an Officers' Certificate from the Company confirming that shareholders holding at least 25 percent of the issued and outstanding common shares of the Company have approved the Reincorporation pursuant to the General Corporation Law of the State of Delaware, to enter into additional or supplemental Security Documents, to release Collateral in accordance with Section 10.05 of the Indenture and the Security Documents, except as set forth in Section 9.02 of the Indenture, to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture, to evidence and provide for the acceptance and appointment (x) under the Indenture of a successor Trustee or Collateral Agent thereunder or (y) under the Security Documents of a successor Collateral Agent thereunder, to make any amendment to the provisions of the Indenture relating to the transfer and legending of the Notes as permitted by the Indenture, including, without limitation, to facilitate the issuance and administration of the Notes (*provided, however*, that (i) compliance with the Indenture as so amended would not result in the Notes being transferred in violation of the Securities Act or any applicable securities laws and (ii) such amendment does not materially and adversely affect the rights of the Holders of the Notes to transfer the Notes), to make, complete or confirm any grant of Collateral permitted or required by the Indenture or any of the Security Documents or any release of Collateral that becomes effective as set forth in the Indenture or any of the Security Documents, to allow any Guarantor to execute a supplemental indenture and/or a Note Guarantee with respect to the Notes, to modify the Security Documents to reflect additional extensions of credit and additional secured creditors holding secured obligations, so long as such secured obligations are not prohibited by the Indenture or any other security document, or to the extent required by the Intercreditor Agreement.

(13) *DEFAULTS AND REMEDIES.* The Notes are subject to the Defaults and Events of Default set forth in Section 6.01 of the Indenture. In the case of an Event of Default arising from certain events of bankruptcy or insolvency with respect to the Company, any Restricted Subsidiary of the Company that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Company that, taken together, would constitute a Significant Subsidiary, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may declare all the Notes to be due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or the Notes Representative or the

Collateral Agent or exercising any trust or power conferred on it. The Trustee may withhold from Holders, the Notes Representative, and the Collateral Agent notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, or interest) if it determines that withholding notice is in the Holders' interest. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all the Holders, (a) rescind an acceleration and its consequences under the Indenture, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal of, premium on, if any, or interest on the Notes that has become due solely because of the acceleration) have been cured or waived and (b) waive an existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of principal of, premium on, if any, or interest on the Notes (including in connection with an offer to purchase). The Company is required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Company is required, upon becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(14) *TRUSTEE DEALINGS WITH COMPANY.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

(15) *NO RECOURSE AGAINST OTHERS.* No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

(16) *AUTHENTICATION.* This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(17) *ABBREVIATIONS.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(18) *[Reserved].*

(19) *CUSIP AND ISIN NUMBERS.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP and corresponding ISIN numbers to be printed on the Notes, and the Trustee may use CUSIP and corresponding ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(20) *GOVERNING LAW.* THIS NOTE, THE NOTE GUARANTEES AND THE INDENTURE WILL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

(b) any Junior Lien in respect of such Collateral, regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to any Senior Lien in respect of such Collateral.

2.2 Prohibition on Contesting Liens. In respect of any Collateral, the Junior Representative, on behalf of each Junior Secured Party, in respect of such Collateral agrees that it shall not, and hereby waives any right to:

(a) contest, or support any other Person in contesting, in any proceeding (including any Insolvency Proceeding), the priority, validity or enforceability of any Senior Lien on such Collateral; or

(b) demand, request, plead or otherwise assert or claim the benefit of any marshalling, appraisal, valuation or similar right which it may have in respect of such Collateral or the Senior Liens on such Collateral, except to the extent that such rights are expressly granted in this Agreement.

2.3 Nature of Obligations. Each of the Notes Representative, on behalf of itself and the other Notes Secured Parties, and the ABL Representative, on behalf of itself and the other ABL Secured Parties, acknowledges that a portion of the ABL Obligations and the Notes Obligations either does now or may in the future represent debt that is revolving in nature and that the amount thereof that may be outstanding at any time or from time to time may be

increased or reduced and subsequently reborrowed, and that the terms of the ABL Obligations and the Notes Obligations, as the case may be, may be modified, extended or amended from time to time, and that (x) the aggregate amount of the ABL Obligations may be increased, replaced or refinanced, in each event, subject to the ABL Principal Debt Cap and without notice to or consent by the Notes Secured Parties and without affecting the provisions hereof and (y) the aggregate amount of the Notes Obligations may be increased, replaced or refinanced, in each event, subject to the Notes Principal Debt Cap and without notice to or consent by the ABL Secured Parties and without affecting the provisions hereof. The Lien Priorities provided in Section 2.1 shall not be altered or otherwise affected by any such amendment, modification, supplement, extension, repayment, reborrowing, increase, replacement, renewal, restatement or refinancing of either the ABL Obligations or the Notes Obligations, or any portion thereof.

2.4 No New Liens. (a) Until the ABL Obligations Payment Date, no Notes Secured Party shall acquire or hold any Lien on any assets of any Grantor securing any Notes Obligation which assets are not also subject to the Lien of the ABL Representative under the ABL Documents, subject to the Lien Priority set forth herein. If any Notes Secured Party shall (nonetheless and in breach hereof) acquire or hold any Lien on any assets of any Grantor securing any Notes Obligation which assets are not also subject to the Lien of the ABL Representative under the ABL Documents, subject to the Lien Priority set forth herein, then the Notes Representative (or the relevant Notes Secured Party) shall, without the need for any further consent of any other Notes Secured Party and notwithstanding anything to the contrary in any other Notes Document be deemed to also hold and have held such Lien for the benefit of the ABL Representative as security for the ABL Obligations (subject to the Lien Priority and other terms hereof) and shall promptly notify the ABL Representative in writing of the existence of such Lien.

(b) Until the Notes Obligations Payment Date, no ABL Secured Party shall acquire or hold any Lien on any assets of any Grantor securing any ABL Obligation which assets are not also subject to the Lien of the Notes Representative under the Notes Documents, subject to the Lien Priority set forth herein. If any ABL Secured Party shall (nonetheless and in breach hereof) acquire or hold any Lien on any assets of any Grantor securing any ABL Obligation which assets are not also subject to the Lien of the Notes Representative under the Notes Documents, subject to the Lien Priority set forth herein, then the ABL Representative (or the relevant ABL Secured Party) shall, without the need for any further consent of any other ABL Secured Party and notwithstanding anything to the contrary in any other ABL Document be deemed to also hold and have held such Lien for the benefit of the Notes Representative as security for the Notes Obligations (subject to the Lien Priority and other terms hereof) and shall promptly notify the Notes Representative in writing of the existence of such Lien.

2.5 Separate Grants of Security and Separate Classification. Each Secured Party acknowledges and agrees that (i) the grants of Liens pursuant to the ABL Security Documents and the Notes Security Documents constitute two separate and distinct grants of Liens and (ii) because of, among other things, their differing rights in the Common Collateral, the Notes Obligations are fundamentally different from the ABL Obligations and should be separately classified in any plan of reorganization proposed or adopted in an Insolvency Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that the claims of the ABL Secured Parties and the Notes Secured Parties in respect of the

Common Collateral constitute claims in the same class (rather than separate classes of senior and junior secured claims), then the ABL Secured Parties and the Notes Secured Parties hereby acknowledge and agree that all distributions shall be made as if there were separate classes of ABL Obligation claims and Notes Obligation claims against the Grantors (with the effect being that, to the extent that the aggregate value of the ABL Priority Collateral or Notes Priority Collateral is sufficient (for this purpose ignoring all claims held by the other Secured Parties), the ABL Secured Parties or the Notes Secured Parties, respectively, shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of Post-Petition Interest that is available from each pool of Priority Collateral for each of the ABL Secured Parties and the Notes Secured Parties, respectively, before any distribution is made in respect of the claims held by the other Secured Parties, with the other Secured Parties hereby acknowledging and agreeing to turn over to the respective other Secured Parties amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the aggregate recoveries.

2.6 Agreements Regarding Actions to Perfect Liens.

(a) The ABL Representative agrees, on behalf of itself and the other ABL Secured Parties, with respect to the ABL Security Documents, on the one hand, and the Notes Representative agrees, on behalf of itself and the other Notes Secured Parties, with respect to the Notes Security Documents, on the other hand, that each such Security Document granting any security interest in the Collateral will contain the following legend (or a legend substantially similar thereto):

Each Person that benefits from the security hereunder, by accepting the benefits of the security provided hereby, (i) consents (or is deemed to consent), to the subordination of Liens provided for in the Intercreditor Agreement, (ii) agrees (or is deemed to agree) that it will be bound by, and will take no actions contrary to, the provisions of the Intercreditor Agreement, (iii) authorizes (or is deemed to authorize) the [ABL Representative] [Notes Representative] on behalf of such Person to enter into, and perform under, the Intercreditor Agreement and (iv) acknowledges (or is deemed to acknowledge) that a copy of the Intercreditor Agreement was delivered, or made available, to such Person.

Notwithstanding any other provision contained herein, this Agreement, the Liens created hereby and the rights, remedies, duties and obligations provided for herein are subject in all respects to the provisions of the Intercreditor Agreement. In the event of any conflict or inconsistency

between the provisions of this Agreement and the Intercreditor Agreement, the provisions of the Intercreditor Agreement shall control.”

(b) Each of the ABL Representative and the Notes Representative hereby acknowledges that, to the extent that it holds, or a third party holds on its behalf, physical possession of or “control” (as defined in the Uniform Commercial Code) over Common Collateral pursuant to the ABL Security Documents or the Notes Security Documents, as applicable, whether as bailee for perfection or otherwise, such possession or control is also for the benefit of the Notes Representative and the other Notes Secured Parties or the ABL Representative and the other ABL Secured Parties, as applicable, solely to the extent required to perfect their security interest in such Common Collateral. Nothing in the preceding sentence shall be construed to impose any duty on the ABL Representative or the Notes Representative (or any third party acting on either such Person’s behalf) with respect to such Common Collateral or provide the Notes Representative, any other Notes Secured Party, the ABL Representative or any other ABL Secured Party, as applicable, with any rights with respect to such Common Collateral beyond those specified in this Agreement, the ABL Security Documents and the Notes Security Documents, as applicable, provided that subsequent to the occurrence of the ABL Obligations Payment Date (so long as the Notes Obligations Payment Date shall not have occurred), the ABL Representative shall (i) deliver to the Notes Representative, at the Grantors’ sole cost and expense, the Common Collateral in its possession or control together with any necessary endorsements to the extent required by the Notes Documents or (ii) direct and deliver such Common Collateral as a court of competent jurisdiction otherwise directs; provided, further, that subsequent to the occurrence of the Notes Obligations Payment Date (so long as the ABL Obligations Payment Date shall not have occurred), the Notes Representative shall (i) deliver to the ABL Representative, at the Grantors’ sole cost and expense, the Common Collateral in its possession or control together with any necessary endorsements to the extent required by the ABL Documents or (ii) direct and deliver such Common Collateral as a court of competent jurisdiction otherwise directs. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the ABL Secured Parties and the Notes Secured Parties and shall not impose on the ABL Secured Parties or the Notes Secured Parties any obligations in respect of the disposition of any Common Collateral (or any Proceeds thereof) that would conflict with prior perfected Liens or any claims thereon in favor of any other Person that is not a Secured Party.

SECTION 3. *Enforcement Rights.*

3.1 Exclusive Enforcement. Until the Senior Obligations Payment Date has occurred, whether or not an Insolvency Proceeding has been commenced by or against any Grantor, the Senior Secured Parties shall have the exclusive right to take and continue any Enforcement Action (including the right to credit bid their debt) with respect to the Senior Collateral, without any consultation with or consent of any Junior Secured Party, but subject to the proviso set forth in Section 5.1. Upon the occurrence and during the continuance of a default or an event of default under the Senior Documents, the Senior Representative and the other Senior Secured Parties may take and continue any Enforcement Action with respect to the Senior Obligations and the Senior Collateral in such order and manner as they may determine in their sole discretion in accordance with the terms and conditions of the Senior Documents, subject to Section 3.4.

3.2 Standstill and Waivers. Each Junior Representative, on behalf of itself and the other Junior Secured Parties, agrees that, until the Senior Obligations Payment Date has occurred, but subject to the proviso set forth in Section 5.1 and the last sentence in this Section 3.2:

(i) they will not take or cause to be taken any action, the purpose or effect of which is to make any Lien on any Senior Collateral that secures any Junior Obligation pari passu with or senior to, or to give any Junior Secured Party any preference or priority relative to, the Liens on the Senior Collateral securing the Senior Obligations;

(ii) they will not contest, oppose, object to, interfere with, hinder or delay, in any manner, whether by judicial proceedings (including without limitation the filing of an Insolvency Proceeding) or otherwise, any foreclosure, sale, lease, exchange, transfer or other disposition of the Senior Collateral by any Senior Secured Party or any other Enforcement Action taken (or any forbearance from taking any Enforcement Action) in respect of the Senior Collateral by or on behalf of any Senior Secured Party;

(iii) they have no right to (x) direct either the Senior Representative or any other Senior Secured Party to exercise any right, remedy or power with respect to the Senior Collateral or pursuant to the Senior Security Documents in respect of the Senior Collateral or (y) consent or object to the exercise by the Senior Representative or any other Senior Secured Party of any right, remedy or power with respect to the Senior Collateral or pursuant to the Senior Security Documents with respect to the Senior Collateral or to the timing or manner in which any such right is exercised or not exercised (or, to the extent they may have any such right described in this clause (iii), whether as a junior lien creditor in respect of the Senior Collateral or otherwise, they hereby irrevocably waive such right);

(iv) they will not institute any suit or other proceeding or assert in any suit, Insolvency Proceeding or other proceeding any claim against any Senior Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise, with respect to, and no Senior Secured Party shall be liable for, any action taken or omitted to be taken by any Senior Secured Party with respect to the Senior Collateral or pursuant to the Senior Documents in respect of the Senior Collateral;

(v) they will not commence judicial or nonjudicial foreclosure proceedings with respect to, seek to have a trustee, receiver, liquidator or similar official appointed for or over, attempt any action to take possession of any Senior Collateral, exercise any right, remedy or power with respect to, or otherwise take any action to enforce their interest in or realize upon, the Senior Collateral; and

(vi) they will not seek, and hereby waive any right, to have the Senior Collateral or any part thereof marshaled upon any foreclosure or other disposition of the Senior Collateral.

Notwithstanding the foregoing, any Junior Representative may, but shall not be required to, (i) take all such actions as it shall deem necessary to (A) perfect or continue the perfection of

its Junior Liens or (B) create or preserve (but not enforce) the Junior Liens on any Collateral, and (ii) subject at all times to the provisions of Section 4 of this Agreement, enforce or exercise any or all such rights and remedies as to any Junior Collateral commencing one hundred eighty (180) days after the date of the receipt by the Senior Representative of written notice from the Junior Representative of the declaration by the Junior Secured Parties of an event of default under the applicable Junior Documents in accordance with the terms of such Junior Documents that is continuing and the written demand by the Junior Secured Parties of the immediate payment in full of all of the applicable Junior Obligations (such 180-day period being referred to herein as the “Junior Standstill Period”), *provided* that

(i) in the event that at any time after the Junior Representative has sent a notice to the Senior Representative to commence the Junior Standstill Period, the event of default that was the basis for such notice is cured or waived or otherwise ceases to exist and no other events of default under the applicable Junior Documents have occurred and are then continuing, then the notice shall automatically and without further action of the parties be deemed rescinded and no Junior Standstill Period shall be deemed to have been commenced;

(ii) the Junior Standstill Period shall be tolled for any period during which the Senior Representative is stayed from exercising rights or remedies pursuant to an Insolvency Proceeding or court order, so long as the Senior Representative has used its commercially reasonable efforts to have such stay lifted;

(iii) prior to taking any action to enforce or exercise any or all such rights and remedies after the end of the Junior Standstill Period, the Junior Representative shall give the Senior Representative not more than ten (10) Business Days’ and not less than five (5) Business Days’ prior written notice of the intention of Junior Representative to exercise its rights and remedies, including specifying the rights and remedies that it intends to exercise, which notice may be sent prior to the end of the Junior Standstill Period and in the event that Junior Representative shall not take any action to enforce or exercise any or all of such rights within ninety (90) days after the end of the Junior Standstill Period, then the notice to commence such Junior Standstill Period shall automatically and without further action of the parties be deemed rescinded and no Junior Standstill Period shall be deemed to have been commenced; and

(iv) notwithstanding anything to the contrary contained in this Section 3.2, the Junior Representative and the other Junior Secured Parties may not exercise any rights and remedies against any specific item or items of Junior Collateral after the end of the Junior Standstill Period, if and for so long as the Senior Representative or any other Senior Secured Party is diligently pursuing in good faith the exercise of its enforcement rights or remedies against the Grantors and/or all or any material portion of the Senior Collateral.

3.3 Judgment Creditors. In the event that any Notes Secured Party becomes a judgment lien creditor in respect of Common Collateral as a result of its enforcement of its rights as an unsecured creditor, such judgment lien shall be subject to the terms of this Agreement for all purposes (including in relation to the ABL Liens and the ABL Obligations) to the same extent

as all other Liens securing the Notes Obligations are subject to the terms of this Agreement. In the event that any ABL Secured Party becomes a judgment lien creditor in respect of Common Collateral as a result of its enforcement of its rights as an unsecured creditor, such judgment lien shall be subject to the terms of this Agreement for all purposes (including in relation to the Notes Liens and the Notes Obligations) to the same extent as all other Liens securing the ABL Obligations are subject to the terms of this Agreement.

3.4 Cooperation; Sharing of Information and Access. (a) The Notes Representative, on behalf of itself and the other Notes Secured Parties, agrees that each of them shall take such actions as the ABL Representative shall request in writing in connection with the exercise by the ABL Secured Parties of their rights set forth herein in respect of the ABL Priority Collateral. The ABL Representative, on behalf of itself and the other ABL Secured Parties, agrees that each of them shall take such actions as the Notes Representative shall request in writing in connection with the exercise by the Notes Secured Parties of their rights set forth herein in respect of the Notes Priority Collateral.

(b) In the event that the ABL Representative shall, in the exercise of its rights under the ABL Security Documents or otherwise, receive possession or control of any books and Records of any Grantor which contain information identifying or pertaining to any of the Notes Priority Collateral, the ABL Representative shall promptly notify the Notes Representative of such fact and, upon request from the Notes Representative and as promptly as practicable thereafter, either make available to the Notes Representative such books and Records for inspection and duplication or provide to the Notes Representative copies thereof. In the event that the Notes Representative shall, in the exercise of its rights under the Notes Security Documents or otherwise, receive possession or control of any books and Records of any Grantor which contain information identifying or pertaining to any of the ABL Priority Collateral, the Notes Representative shall promptly notify the ABL Representative of such fact and, upon request from the ABL Representative and as promptly as practicable thereafter, either make available to the ABL Representative such books and Records for inspection and duplication or provide the ABL Representative copies thereof. The Notes Representative hereby irrevocably grants the ABL Representative a non-exclusive worldwide license or right to use, to the maximum extent permitted by applicable law and to the extent of the Notes Representative's interest therein, exercisable without payment of royalty or other compensation, to use any of the Intellectual Property now or hereafter owned by, licensed to, or otherwise used by the Grantors in order for ABL Representative and ABL Secured Parties to purchase, use, market, repossess, possess, store, assemble, manufacture, process, sell, transfer, distribute or otherwise dispose of any asset included in the ABL Priority Collateral in connection with the liquidation, disposition or realization upon the ABL Priority Collateral in accordance with the terms and conditions of the ABL Security Documents and the other ABL Documents. Until the ABL Obligations Payment Date, the Notes Representative agrees that any sale, transfer or other disposition of any of the Grantors' Intellectual Property (whether by foreclosure or otherwise) will be subject to the ABL Representative's rights as set forth in this Section 3.4.

(c) If the Notes Representative, or any agent or representative of the Notes Representative, or any receiver, shall, after the commencement of any Enforcement Action, obtain possession or physical control of any of the Notes Priority Collateral, the Notes Representative shall promptly notify the ABL Representative in writing of that fact, and the ABL

Representative shall, within thirty (30) Business Days thereafter, notify the Notes Representative in writing as to whether the ABL Representative desires to exercise access rights under this Agreement. In addition, if the ABL Representative, or any agent or representative of the ABL Representative, or any receiver, shall obtain possession or physical control of any of the Notes Priority Collateral in connection with an Enforcement Action, then the ABL Representative shall promptly notify the Notes Representative that the ABL Representative is exercising its access rights under this Agreement and its rights under Section 3.4 under either circumstance. Upon delivery of such notice by the ABL Representative to the Notes Representative, the parties shall confer in good faith to coordinate with respect to the ABL Representative's exercise of such access rights, with such access rights to apply to any parcel or item of Notes Priority Collateral access to which is reasonably necessary to enable the ABL Representative during normal business hours: (i) to convert ABL Priority Collateral consisting of raw materials and work-in-process into saleable finished goods; (ii) to complete any service or project required for the practical realization of the benefits of the ABL Priority Collateral; (iii) to transport such ABL Priority Collateral to a point where such conversion can occur; (iv) to otherwise prepare ABL Priority Collateral for sale; and/or (v) to arrange or effect the sale of ABL Priority Collateral, all in accordance with the manner in which such matters are completed in the ordinary course of business.

Consistent with the definition of "Access Period," access rights will apply to differing parcels or items of Notes Priority Collateral at differing times, in which case, a differing Access Period will apply to each such parcel or items. During any pertinent Access Period, the ABL Representative and its agents, representatives and designees shall have an irrevocable, non-exclusive right to have access to, and a rent-free right to use, the relevant parcel or item of Notes Priority Collateral for the purposes described above. The ABL Representative shall take proper and reasonable care under the circumstances of any Notes Priority Collateral that is used by the ABL Representative during the Access Period and repair and replace any damage (ordinary wear-and-tear excepted) caused by the ABL Representative or its agents, representatives or designees and the ABL Representative shall comply with all applicable laws in all material respects in connection with its use or occupancy or possession of the ABL Priority Collateral. The ABL Representative shall indemnify and hold harmless the Notes Representative and the Notes Creditors for any injury or damage to Persons or property (ordinary wear-and-tear excepted) caused by the acts or omissions of Persons under its control; provided, however, that the ABL Representative and the ABL Creditors will not be liable for any diminution in the value of Notes Priority Collateral caused by the absence of the ABL Priority Collateral therefrom. The ABL Representative and the Notes Representative shall cooperate and use reasonable efforts to ensure that their activities during the Access Period as described above do not interfere materially with the activities of the other as described above, including the right of Notes Representative to show the Notes Priority Collateral to prospective purchasers and to ready the Notes Priority Collateral for sale. Consistent with the definition of the term "Access Period," if any order or injunction is issued or stay is granted or is otherwise effective by operation of law that prohibits the ABL Representative from exercising any of its rights hereunder, then the Access Period granted to the ABL Representative under this Section 3.4 shall be stayed during the period of such prohibition and shall continue thereafter for the number of days remaining as required under this Section 3.4. The Notes Representative shall not foreclose or otherwise sell, remove or dispose of any of the Notes Priority Collateral during the Access Period with respect

to such Collateral if such Collateral is reasonably necessary to enable the ABL Representative to convert, transport or arrange to sell the ABL Priority Collateral as described above.

3.5 No Additional Rights For the Grantors Hereunder. Except as provided in Section 3.6 hereof, if any ABL Secured Party or Notes Secured Party shall enforce its rights or remedies in violation of the terms of this Agreement, no Grantor shall be entitled to use such violation as a defense to any action by any ABL Secured Party or Notes Secured Party, nor to assert such violation as a counterclaim or basis for set off or recoupment against any ABL Secured Party or any Notes Secured Party.

3.6 Actions Upon Breach. (a) If any ABL Secured Party or any Notes Secured Party, contrary to this Agreement, commences or participates in any action or proceeding against any Grantor or the Common Collateral, such Grantor, with the prior written consent of the ABL Representative or the Notes Representative, as applicable, may interpose as a defense or dilatory plea the making of this Agreement, and any ABL Secured Party or Notes Secured Party, as applicable, may intervene and interpose such defense or plea in its or their name or in the name of such Grantor.

(b) Should any ABL Secured Party or Notes Secured Party, contrary to this Agreement, in any way take, attempt to or threaten to take any action with respect to the Common Collateral (including, without limitation, any attempt to realize upon or enforce any remedy with respect to this Agreement), or fail to take any action required by this Agreement, any ABL Secured Party or any Notes Secured Party (in its own name or in the name of the relevant Grantor), as applicable, or the relevant Grantor, may obtain relief against such ABL Secured Party or Notes Secured Party, as applicable, by injunction, specific performance and/or other appropriate equitable relief, it being understood and agreed by each of the ABL Representative on behalf of each ABL Secured Party and the Notes Representative on behalf of each Notes Secured Party that (i) the ABL Secured Parties' or Notes Secured Parties', as applicable, damages from its actions may at that time be difficult to ascertain and may be irreparable, and (ii) each Notes Secured Party or each ABL Secured Party, as applicable, waives any defense that the Grantors and/or the Notes Secured Parties and/or ABL Secured Parties, as applicable, cannot demonstrate damage and/or be made whole by the awarding of damages.

SECTION 4. *Application of Proceeds of Senior Collateral; Dispositions and Releases of Lien; Notices and Insurance.*

4.1 Application of Proceeds.

(a) Application of Proceeds of Senior Collateral. The Senior Representative and Junior Representative hereby agree that all Senior Collateral, and all Proceeds thereof, received by either of them in connection with the collection, sale or disposition of Senior Collateral in an Enforcement Action shall be applied,

first, to the payment of costs and expenses (including reasonable attorneys' fees and expenses and court costs) of the Senior Representative in connection with such Enforcement Action,

second, to the payment of the Senior Obligations in accordance with the Senior Documents until the Senior Obligations Payment Date,

third, to the payment of costs and expenses (including reasonable attorneys' fees and expenses and court costs) of the Junior Representative in connection with such Enforcement Action,

fourth, to the payment of the Junior Obligations in accordance with the Junior Documents until the Junior Obligations Payment Date, and

fifth, the balance, if any, to the Grantors or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

(b) Limited Obligation or Liability. In exercising remedies, whether as a secured creditor or otherwise, the Senior Representative shall have no obligation or liability to the Junior Representative or to any Junior Secured Party, regarding the adequacy of any Proceeds or for any action or omission, save and except solely for an action or omission that breaches the express obligations undertaken by each party under the terms of this Agreement.

(c) Segregation of Collateral. Until the occurrence of the Senior Obligations Payment Date, any Senior Collateral that may be received by any Junior Secured Party in violation of this Agreement shall be segregated and held in trust and promptly paid over to the Senior Representative, for the benefit of the Senior Secured Parties, in the same form as received, with any necessary endorsements, and each Junior Secured Party hereby authorizes the Senior Representative to make any such endorsements as agent for the Junior Representative (which authorization, being coupled with an interest, is irrevocable).

4.2 Releases of Liens. Upon any release, sale or disposition of Senior Collateral that is permitted pursuant to the terms of the Senior Documents or is effected by any sale or other disposition pursuant to any Enforcement Action, and that results in the release of the Senior Lien on any Senior Collateral (other than release of the Senior Lien due to the occurrence of the Senior Obligations Payment Date), the Junior Lien on such Senior Collateral (excluding any portion of the Proceeds of such Senior Collateral remaining after the Senior Obligations Payment Date occurs) shall be automatically and unconditionally released with no further consent or action of any Person, it being specifically agreed and acknowledged by the Notes Representative that the automatic release of any such Notes Lien that constitutes a Junior Lien on the ABL Priority Collateral will not impair the security under the Indenture or any other Notes Secured Debt Agreement in contravention of the provisions thereof and that any independent engineer, appraiser or other expert required to deliver a certificate to the Indenture Trustee in connection with any such release shall be entitled to rely on the provisions set forth in this Section 4.2. The Junior Representative shall promptly execute and deliver such release documents and instruments and shall take such further actions as the Senior Representative shall request to evidence any release of the Junior Lien described in this Section 4.2. The Junior Representative hereby appoints the Senior Representative and any officer or duly authorized person of the Senior Representative, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power of attorney in the place and stead of the Junior Representative and in the name of the Junior Representative or in the Senior Representative's own name, from time to

time, in the Senior Representative's sole discretion, for the purposes of carrying out the terms of this Section 4.2, to take any and all appropriate action and to execute and deliver any and all documents and instruments as may be necessary or desirable to accomplish the purposes of this Section 4.2, including, without limitation, any financing statements, endorsements, assignments, releases or other documents or instruments of transfer (which appointment, being coupled with an interest, is irrevocable).

4.3 Insurance. Proceeds of Common Collateral include insurance proceeds and therefore the Lien Priority shall govern the ultimate disposition of casualty insurance proceeds. The ABL Representative shall be named as additional insured or loss payee, as applicable, with respect to all insurance policies relating to ABL Priority Collateral and the Notes Representative shall be named as additional insured or loss payee, as applicable, with respect to all insurance policies relating to Notes Priority Collateral. Prior to the ABL Obligations Payment Date, the ABL Representative shall have the sole and exclusive right, as between the Notes Representative on the one hand and the ABL Representative on the other hand, to adjust settlement of insurance claims in the event of any covered loss, theft or destruction of ABL Priority Collateral. Prior to the Notes Obligations Payment Date, the Notes Representative shall have the sole and exclusive right, as between the ABL Representative on the one hand and the Notes Representative on the other hand, to adjust settlement of insurance claims in the event of any covered loss, theft or destruction of Notes Priority Collateral. All proceeds of such insurance shall be remitted to the ABL Representative or the Notes Representative, as the case may be, and each of the Notes Representative and ABL Representative shall cooperate (if necessary) in a reasonable manner in effecting the payment of insurance proceeds in accordance with Section 4.1.

4.4 Option to Purchase ABL Obligations.

(a) Without prejudice to the enforcement of remedies by the ABL Representative, the ABL Secured Parties or the Notes Secured Parties, the Person or Persons that are holders of Notes Obligations and that are designated by the holders of more than 50% in aggregate outstanding principal amount of the Notes Obligations (such Person or Persons collectively, the "Eligible ABL Facility Purchaser") shall have the right to purchase in accordance with the terms and conditions of this Section 4.4 (the "ABL Purchase Option") by way of assignment (and shall thereby also assume all commitments and duties of the then extant ABL Secured Parties under the ABL Documents), on the ABL Purchase Closing Date, all, but not less than all, of the ABL Obligations, including all principal of and accrued and unpaid interest and fees on and all prepayment or acceleration fees and premiums in respect of all ABL Obligations outstanding at the time of purchase excluding Unasserted Contingent Obligations and obligations cash collateralized in accordance with clause (i)(B) and clause (i)(D) below (the "ABL Purchase Obligations"). Any purchase pursuant to this Section 4.4 shall be made as follows:

(i) for a purchase price (the "ABL Purchase Price") equal to the full amount of the ABL Purchase Obligations including, but not limited to:

(A) in the case of all loans, advances or other similar extensions of credit that constitute ABL Purchase Obligations (including unreimbursed amounts drawn in respect of letters of credit) the principal amount thereof, all accrued and unpaid interest thereon through the date of purchase (including, without

limitation, interest that has accrued at the default rate and any Post-Petition Interest, and breakage costs set forth in the ABL Documents),

(B) in the case of any Banking Services Obligations, cash collateral in such amounts as the ABL Representative reasonably determines is necessary to secure the ABL Representative and the other ABL Secured Parties in connection with such Banking Services Obligations,

(C) in the case of any Swap Obligations, the aggregate amount then owing to each swap counterparty that is an ABL Secured Party thereunder pursuant to the terms of the respective Swap Obligation documentation, including all amounts owing to such ABL Secured Party as a result of the termination (or early termination) thereof (in each case, to the extent of its interest as an ABL Secured Party),

(D) in the case of the undrawn amount of then outstanding letters of credit, cash collateral in an amount equal to the percentage of the aggregate undrawn amount of such letters of credit and the aggregate facing and similar fees which will accrue thereon through the stated maturity of the letters of credit (assuming no drawings thereon before stated maturity) required pursuant to the terms of the ABL Documents then in effect, and

(E) without duplication, all other accrued and unpaid fees, charges, costs, expenses, indemnities and other amounts through the date of purchase (including, without limitation, deferred revolving loan origination fees and prepayments (each determined as if the Revolving Credit Commitment (as that term is defined in the ABL Agreement) had terminated on the date of purchase), unused line fees, audit fees, and wire fees and further including, without limitation, reasonable attorneys' fees and expenses and court costs); it being understood and agreed that:

(1) if at any time those amounts (if any) then on deposit with the ABL Representative as described in clause (D) above exceed the percentage of the sum of the aggregate undrawn amount of all then outstanding letters of credit and the aggregate facing and similar fees accrued thereon before stated maturity required pursuant to the terms of the ABL Documents then in effect, such excess shall be returned to the Eligible ABL Facility Purchaser,

(2) at such time as all letters of credit have been cancelled, expired or been fully drawn, as the case may be, any excess cash collateral deposited as described above in clause (D) (and not previously applied or released as provided above) shall be returned to the Eligible ABL Facility Purchaser, and

(3) at such time as all Banking Services Obligations have been terminated, any excess cash collateral deposited as described above in clause (B) (and not previously applied or released as provided above) shall

be returned to the Eligible ABL Facility Purchaser. It is understood and agreed that (x) at the time any fees are owing to an issuer with respect to any letter of credit, the ABL Representative may apply amounts deposited with it as described above to pay the same and (y) upon any drawing under any letter of credit, the ABL Representative shall apply amounts deposited with it as described above to repay the respective unpaid drawing;

(ii) with the ABL Purchase Price described in preceding clause (a)(i) payable by federal wire transfer in immediately available funds on the ABL Purchase Closing Date in consideration for the assignment of the ABL Purchase Obligations to the Eligible ABL Facility Purchaser; and

(iii) with all amounts payable to the various ABL Secured Parties in respect of the assignments described above to be distributed to them by the ABL Representative in accordance with their respective holdings of the various ABL Purchase Obligations.

(b) The right to exercise the ABL Purchase Option shall be exercisable and legally enforceable by at least ten (10) Business Days' prior written notice of exercise by the Eligible ABL Facility Purchaser to the ABL Representative received by the ABL Representative during the ABL Purchase Notice Period (the "ABL Purchase Notice"). The ABL Purchase Notice shall (A) state that the Persons signing the notice are collectively the Eligible ABL Facility Purchaser, (B) state that the notice is irrevocable and fully binding on the Eligible ABL Facility Purchaser (except as set forth in the proviso set forth in clause (c) below) and (C) shall specify a date of purchase not less than five (5) Business Days, nor more than twenty (20) calendar days, after the date of the receipt by the ABL Representative of such notice) given to the ABL Representative by the Eligible ABL Facility Purchaser (the "ABL Purchase Closing Date"). Unless, and subject to such terms and conditions as, the ABL Representative expressly agrees otherwise in writing, if on ABL Purchase Closing Date the Eligible ABL Facility Purchaser has not purchased the ABL Purchase Obligations in accordance with the terms and conditions of this Section 4.4, the ABL Purchase Option shall terminate and be of no further force or effect.

(c) The ABL Purchase Option may be exercised by giving the ABL Purchase Notice during the period (the "ABL Purchase Notice Period") that (1) begins on the date occurring three (3) Business Days after the first to occur of (x) the date of the acceleration of the final maturity of the loans under the ABL Agreement, (y) the occurrence of the final maturity of the loans under the ABL Agreement or (z) the occurrence of an Insolvency Proceeding with respect to the Company or any Grantor which constitutes an event of default under the ABL Agreement (provided, however, in each case, so long as the acceleration, failure to pay amounts due at final maturity or such Insolvency Proceeding constituting an event of default has not been rescinded or cured within ten (10) Business Days after any such event, and so long as any unpaid amounts constituting ABL Purchase Obligations remain owing) and (2) ends on the tenth (10th) Business Day after the start of the period described in clause (1) above. Unless, and subject to such terms and conditions as, the ABL Representative expressly agrees otherwise in writing, if the ABL Purchase Notice has not been given within the ABL Purchase Notice Period, the ABL Purchase Option shall terminate and be of no further force or effect.

(c) Each Grantor irrevocably consents to any assignment effected to one or more Eligible ABL Facility Purchasers pursuant to this Section 4.4 for purposes of all ABL Documents and hereby agrees that no further consent to any such assignment pursuant to this Section 4.4 from such Grantor shall be required.

(d) SUCH PURCHASE OF THE ABL PURCHASE OBLIGATIONS SHALL BE EXPRESSLY MADE WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND BY ANY OF THE ABL SECURED PARTIES OR THE ABL REPRESENTATIVE AS TO THE ABL PURCHASE OBLIGATIONS OR OTHERWISE AND WITHOUT RECOURSE TO ANY OF THE ABL SECURED PARTIES OR THE ABL REPRESENTATIVE, except that each of the ABL Secured Parties shall represent and warrant: (a) as to the amount of the ABL Purchase Obligations being purchased from such ABL Secured Party, (b) that such ABL Secured Party owns such ABL Purchase Obligations free and clear of any liens or encumbrances and (c) that such ABL Secured Party has the right to assign such ABL Purchase Obligations and the assignment is duly authorized.

(e) The transfer of the ABL Purchase Obligations shall be effected by an assignment agreement, endorsements and such other documents as Notes Representative may reasonably request from time to time, all in form and substance reasonably satisfactory to ABL Representative and the Notes Representative, whereby the Eligible ABL Facility Purchaser will assume any applicable funding commitments and obligations of ABL Secured Parties under the Senior Loan Documents and ABL Representative will convey all right, title and interest of the ABL Representative in and to the ABL Purchase Obligations.

SECTION 5. *Insolvency Proceedings.*

5.1 Filing of Motions. Until the Senior Obligations Payment Date has occurred, the Junior Representative agrees on behalf of itself and the other Junior Secured Parties that no Junior Secured Party shall, in or in connection with any Insolvency Proceeding, file any pleadings or motions, take any position at any hearing or proceeding of any nature, or otherwise take any action whatsoever, in each case in respect of any of the Senior Collateral, including, without limitation, with respect to the determination of any Liens or claims held by the Senior Representative (including the validity and enforceability thereof) or any other Senior Secured Party in respect of any Senior Collateral or the value of any claims of such parties under Section 506(a) of the Bankruptcy Code or otherwise; provided that the Junior Representative may (i) file a proof of claim in an Insolvency Proceeding, and (ii) file any necessary responsive or defensive pleadings in opposition of any motion or other pleadings made by any Person objecting to or otherwise seeking the disallowance of any Person objecting to or otherwise seeking the disallowance of the claims of the Junior Secured Parties on the Senior Collateral, subject to the limitations contained in this Agreement and only if consistent with the terms and the limitations on the Junior Representative imposed hereby.

5.2 Financing Matters. (a) If any Grantor becomes subject to any Insolvency Proceeding in the United States at any time prior to the ABL Obligations Payment Date, and if the ABL Representative or other ABL Secured Parties desire to consent (or not object) to the use of cash collateral under the Bankruptcy Code or to provide financing to any Grantor under the Bankruptcy Code or to consent (or not object) to the provision of such financing to any Grantor

by any third party (any such financing, “ABL DIP Financing”), then the Notes Representative agrees, on behalf of itself and the other Notes Secured Parties, that each Notes Secured Party (i) will be deemed to have consented to, will raise no objection to, nor support any other Person objecting to, the use of such cash collateral or to such ABL DIP Financing on the grounds of a failure to provide “adequate protection” for the Notes Representative’s Lien on the Notes Collateral to secure the Notes Obligations or on any other grounds (and will not request any adequate protection solely as a result of such ABL DIP Financing) and (ii) will subordinate (and will be deemed hereunder to have subordinated) the Notes Liens on any ABL Priority Collateral (A) to such ABL DIP Financing on the same terms as the ABL Liens are subordinated thereto (and such subordination will not alter in any manner the terms of this Agreement), (B) to any adequate protection provided to the ABL Secured Parties and (C) to any “carve-out” agreed to by the ABL Representative or the other ABL Secured Parties, so long as (x) the financing is not made in conjunction with the use of cash collateral consisting of Notes Priority Collateral and the Notes Representative retains its Lien on the Notes Collateral to secure the Notes Obligations (in each case, including Proceeds thereof arising after the commencement of the case under the Bankruptcy Code) and, as to the Notes Priority Collateral only, such Lien has the same priority as existed prior to the commencement of the case under the Bankruptcy Code and any Lien securing such ABL DIP Financing is junior and subordinate to the Lien of the Notes Representative on the Notes Priority Collateral, (y) all Liens on ABL Priority Collateral securing any such ABL DIP Financing shall be senior to or on a parity with the Liens of the ABL Representative and the other ABL Secured Parties securing the ABL Obligations on ABL Priority Collateral and (z) if the ABL Representative receives a replacement or adequate protection Lien on post-petition assets of the debtor to secure the ABL Obligations, and such replacement or adequate protection Lien is on any of the Notes Priority Collateral, (1) such replacement or adequate protection Lien on such post-petition assets which are part of the Notes Priority Collateral (the “Notes Post-Petition Assets”) is junior and subordinate to the Lien in favor of the Notes Representative on the Notes Priority Collateral and (2) the Notes Representative also receives a replacement or adequate protection Lien on such Notes Post-Petition Assets of the debtor to secure the Notes Obligations. In no event will any of the ABL Secured Parties seek to obtain a priming Lien on any of the Notes Priority Collateral and nothing contained herein shall be deemed to be a consent by Notes Secured Parties to any adequate protection payments using Notes Priority Collateral.

(b) If any Grantor becomes subject to any Insolvency Proceeding in the United States at any time prior to the Notes Obligations Payment Date and if the Notes Representative or the other Notes Secured Parties desire to consent (or not object) or to provide financing to any Grantor under the Bankruptcy Code or to consent (or not object) to the provision of such financing to any Grantor by any third party (any such financing, “Notes DIP Financing”), then the ABL Representative agrees, on behalf of itself and the other ABL Secured Parties, that each ABL Secured Party (a) will be deemed to have consented to, will raise no objection to, nor support any other Person objecting to such Notes DIP Financing on the grounds of a failure to provide “adequate protection” for the ABL Representative’s Lien on the ABL Collateral to secure the ABL Obligations or on any other grounds (and will not request any adequate protection solely as a result of such Notes DIP Financing) and (b) will subordinate (and will be deemed hereunder to have subordinated) the ABL Liens on any Notes Priority Collateral (A) to such Notes DIP Financing on the same terms as the Notes Liens are subordinated thereto (and such subordination will not alter in any manner the terms of this Agreement), (B) to any

adequate protection provided to the Notes Secured Parties and (C) to any “carve-out” agreed to by the Notes Representative or the other Notes Secured Parties, so long as (x) the financing is not made in conjunction with the use of cash collateral consisting of ABL Priority Collateral and the ABL Representative retains its Lien on the ABL Collateral to secure the ABL Obligations (in each case, including Proceeds thereof arising after the commencement of the case under the Bankruptcy Code) and, as to the ABL Priority Collateral only, such Lien has the same priority as existed prior to the commencement of the case under the Bankruptcy Code and any Lien securing such Notes DIP Financing is junior and subordinate to the Lien of the ABL Representative on the ABL Priority Collateral, (y) all Liens on Notes Priority Collateral securing any such Notes DIP Financing shall be senior to or on a parity with the Liens of the Notes Representative and the other Notes Secured Parties securing the Notes Obligations on Notes Priority Collateral and (z) if the Notes Representative receives a replacement or adequate protection Lien on post-petition assets of the debtor to secure the Notes Obligations, and such replacement or adequate protection Lien is on any of the ABL Priority Collateral, (1) such replacement or adequate protection Lien on such post-petition assets which are part of the ABL Priority Collateral (the “ABL Post-Petition Assets”) is junior and subordinate to the Lien in favor of the ABL Representative on the ABL Priority Collateral and (2) the ABL Representative also receives a replacement or adequate protection Lien on such ABL Post-Petition Assets of the debtor to secure the ABL Obligations. In no event will any of the Notes Secured Parties seek to obtain a priming Lien on any of the ABL Priority Collateral and nothing contained herein shall be deemed to be a consent by the ABL Secured Parties to any adequate protection payments using ABL Priority Collateral.

(c) All Liens granted to the Notes Representative or the ABL Representative in any Insolvency Proceeding, whether as adequate protection or otherwise, are intended to be and shall be deemed to be subject to the Lien Priority and the other terms and conditions of this Agreement.

5.3 Relief From the Automatic Stay. Until the ABL Obligations Payment Date, the Notes Representative agrees, on behalf of itself and the other Notes Secured Parties, that none of them will seek relief from the automatic stay or from any other stay in any Insolvency Proceeding or take any action in derogation thereof, in each case in respect of any ABL Priority Collateral, without the prior written consent of the ABL Representative. Until the Notes Obligations Payment Date, the ABL Representative agrees, on behalf of itself and the other ABL Secured Parties, that none of them will seek relief from the automatic stay or from any other stay in any Insolvency Proceeding or take any action in derogation thereof, in each case in respect of any Notes Priority Collateral, without the prior written consent of the Notes Representative. Notwithstanding the foregoing, Junior Secured Parties may seek such relief to the extent it is conditioned and coextensive with the relief sought and granted to the Senior Secured Parties and the exercise of such relief to the Junior Secured Parties is subject to the continuing terms of this Agreement.

5.4 No Contest. The Junior Representative, on behalf of itself and the Junior Secured Parties, agrees that, prior to the Senior Obligations Payment Date, none of them shall contest (or support any other Person contesting) (a) any request by the Senior Representative or any Senior Secured Party for adequate protection of its interest in the Senior Collateral (unless in contravention of Section 5.2(a) or (b), as applicable), or (b) any objection by the Senior

Representative or any Senior Secured Party to any motion, relief, action, or proceeding based on a claim by the Senior Representative or any Senior Secured Party that its interests in the Senior Collateral (unless in contravention of Section 5.2 (a) or (b), as applicable) are not adequately protected (or any other similar request under any law applicable to an Insolvency Proceeding), so long as any Liens granted to the Senior Representative as adequate protection of its interests are subject to this Agreement.

5.5 Avoidance Issues. If any Senior Secured Party is required in any Insolvency Proceeding or otherwise to disgorge, turn over or otherwise pay to the estate of any Grantor, because such amount was avoided or ordered to be paid or disgorged for any reason, including without limitation because it was found to be a fraudulent or preferential transfer, any amount (a “Recovery”), whether received as Proceeds of security, enforcement of any right of set-off or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Obligations Payment Date shall be deemed not to have occurred. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto.

5.6 Asset Dispositions in an Insolvency Proceeding. Neither the Junior Representative nor any other Junior Secured Party shall, in an Insolvency Proceeding or otherwise, oppose any sale or disposition of any Senior Collateral that is supported by the Senior Secured Parties, and the Junior Representative and each other Junior Secured Party will be deemed to have consented under Section 363 of the Bankruptcy Code (and otherwise) to any sale of any Senior Collateral supported by the Senior Secured Parties and to have released their Liens on such assets.

5.7 Other Matters. To the extent that the Senior Representative or any Senior Secured Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code with respect to any of the Junior Collateral, the Senior Representative agrees, on behalf of itself and the other Senior Secured Parties, not to assert any of such rights without the prior written consent of the Junior Representative; provided that if requested by the Junior Representative, the Senior Representative shall timely exercise such rights in the manner requested by the Junior Representative, including any rights to payments in respect of such rights.

5.8 Effectiveness in Insolvency Proceedings. This Agreement, which the parties hereto expressly acknowledge is a “subordination agreement” under section 510(a) of the Bankruptcy Code, shall be effective before, during and after the commencement of an Insolvency Proceeding.

SECTION 6. *Notes Documents and ABL Documents.*

(a) Each Grantor and the Notes Representative, on behalf of itself and the Notes Secured Parties, agrees that it shall not at any time execute or deliver any amendment or other modification to any of the Notes Documents inconsistent with or in violation of this Agreement.

(b) Each Grantor and the ABL Representative, on behalf of itself and the ABL Secured Parties, agrees that it shall not at any time execute or deliver any amendment or other modification to any of the ABL Documents inconsistent with or in violation of this Agreement or that add, amend or modify any provision of the Senior Documents to prohibit the Company or any Subsidiary thereof from making any payments with respect to the Senior Obligations; provided that this subsection shall not prohibit the Senior Secured Parties from agreeing to any addition, amendment or modification which has the indirect effect of restricting the ability of the Company or any Subsidiary to pay Junior Obligations or otherwise restricts such payments in accordance with the terms of this Agreement by restricting the use the Senior Collateral or the use of loan proceeds to pay Junior Obligations during the continuance of an event of default under the Senior Documents.

(c) In the event the Senior Representative enters into any amendment, waiver or consent in respect of any of the Senior Security Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Security Document or changing in any manner the rights of any parties thereunder, in each case solely with respect to any Senior Collateral, then such amendment, waiver or consent shall apply automatically to any comparable provision of the Comparable Security Document without the consent of or action by any Junior Secured Party (with all such amendments, waivers and modifications subject to the terms hereof); provided that, (i) no such amendment, waiver or consent shall have the effect of removing assets subject to the Lien of any Junior Security Document, except to the extent that a release of such Lien is permitted by Section 4.2, (ii) any such amendment, waiver or consent that adversely affects the rights of the Junior Secured Parties and does not affect the Senior Secured Parties in a like or similar manner shall not apply to the Junior Security Documents without the consent of the Junior Representative, (iii) no such amendment, waiver or consent with respect to any provision applicable to the Junior Representative under the Junior Documents shall be made without the prior written consent of the Junior Representative and (iv) notice of such amendment, waiver or consent shall be given to the Junior Representative no later than 30 days after its effectiveness, provided that the failure to give such notice shall not affect the effectiveness and validity thereof.

SECTION 7. [RESERVED.]

SECTION 8. *Reliance; Waivers; etc.*

8.1 Reliance. The ABL Documents are deemed to have been executed and delivered, and all extensions of credit thereunder are deemed to have been made or incurred, in reliance upon this Agreement. The Notes Representative, on behalf of it itself and the other Notes Secured Parties, expressly waives all notice of the acceptance of and reliance on this Agreement by the ABL Representative and the other ABL Secured Parties. The Notes Documents are deemed to have been executed and delivered, and all extensions of credit thereunder are deemed to have been made or incurred, in reliance upon this Agreement. The ABL Representative, on behalf of itself and the other ABL Secured Parties, expressly waives all notices of the acceptance of and reliance on this Agreement by the Notes Representative and the other Notes Secured Parties.

8.2 No Warranties or Liability. The Notes Representative and the ABL Representative acknowledge and agree that neither has made any representation or warranty with respect to the execution, validity, legality, completeness, collectibility or enforceability of any other ABL Document or any other Notes Document. Except as otherwise provided in this Agreement, the Notes Representative and the ABL Representative will be entitled to manage and supervise the respective extensions of credit to any Grantor in accordance with law and their usual practices, modified from time to time as they deem appropriate.

8.3 No Waivers. No right or benefit of any party hereunder shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of such party or any other party hereto or by any noncompliance by any Grantor with the terms and conditions of any of the ABL Documents or the Notes Documents.

SECTION 9. *Obligations Unconditional.* All rights, interests, agreements and obligations hereunder of the Senior Representative and the Senior Secured Parties in respect of any Collateral and the Junior Representative and the Junior Secured Parties in respect of such Collateral shall remain in full force and effect regardless of:

(a) any lack of validity or enforceability of any Senior Document or any Junior Document and regardless of whether the Liens of the Senior Representative and Senior Secured Parties are not perfected or are voidable for any reason;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Junior Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Senior Document or any Junior Document;

(c) any exchange, release or lack of perfection of any Lien on any Collateral or any other asset, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Junior Obligations or any guarantee thereof;

(d) the commencement of any Insolvency Proceeding in respect of any Grantor; or

(e) any other circumstances which otherwise might constitute a defense available to, or a discharge of, any Grantor in respect of any Secured Obligation or of any Junior Secured Party in respect of this Agreement.

SECTION 10. *Miscellaneous.*

10.1 Rights of Subrogation. The Notes Representative, for and on behalf of itself and the Notes Secured Parties, agrees that no payment to the ABL Representative or any other ABL Secured Party pursuant to the provisions of this Agreement shall entitle the Notes Representative or any other Notes Secured Party to exercise any rights of subrogation in respect thereof until the ABL Obligations Payment Date. Following the ABL Obligations Payment Date, the ABL Representative agrees to execute such documents, agreements, and instruments as the Notes Representative or any other Notes Secured Party may reasonably request to evidence the transfer

by subrogation to any such Person of an interest in the ABL Obligations resulting from payments to the ABL Representative by such Person, so long as all costs and expenses (including all reasonable legal fees and disbursements) incurred in connection therewith by the ABL Representative are paid by such Person upon request for payment thereof. The ABL Representative, for and on behalf of itself and the other ABL Secured Parties, agrees that no payment to the Notes Representative or any other Notes Secured Party pursuant to the provisions of this Agreement shall entitle the ABL Representative or any other ABL Secured Party to exercise any rights of subrogation in respect thereof until the Notes Obligations Payment Date. Following the Notes Obligations Payment Date, the Notes Representative agrees to execute such documents, agreements, and instruments as the ABL Representative or any other ABL Secured Party may reasonably request to evidence the transfer by subrogation to any such Person of an interest in the Notes Obligations resulting from payments to the Notes Representative by such Person, so long as all costs and expenses (including all reasonable legal fees and disbursements) incurred in connection therewith by the Notes Representative are paid by such Person upon request for payment thereof.

10.2 Further Assurances. Each of the Notes Representative and the ABL Representative will, at their own expense and at any time and from time to time, promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that the other party may reasonably request, in order to protect any right or interest granted or purported to be granted hereby or to enable the ABL Representative or the Notes Representative to exercise and enforce its rights and remedies hereunder; provided, however, that no party shall be required to pay over any payment or distribution, execute any instruments or documents, or take any other action referred to in this Section 10.2, to the extent that such action would contravene any law, order or other legal requirement or any of the terms or provisions of this Agreement, and in the event of a controversy or dispute, such party may interplead any payment or distribution in any court of competent jurisdiction, without further responsibility in respect of such payment or distribution under this Section 10.2.

10.3 Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any ABL Document or any Notes Document, the provisions of this Agreement shall govern.

10.4 Continuing Nature of Provisions. Subject to Section 5.5, this Agreement shall continue to be effective, and shall not be revocable by any party hereto, until the earlier of (i) the ABL Obligations Payment Date and (ii) the Notes Obligations Payment Date. This is a continuing agreement and the ABL Secured Parties and the Notes Secured Parties may continue, at any time and without notice to the other parties hereto, to extend credit and other financial accommodations, lend monies and provide indebtedness to, or for the benefit of, any Grantor on the faith hereof.

10.5 Amendments; Waivers. (a) No amendment or modification of any of the provisions of this Agreement shall be effective unless the same shall be in writing and signed by the ABL Representative and the Notes Representative, and, in the case of amendments or modifications of Sections 3.5, 3.6, 10.7 or 10.8 that directly affect the rights or duties of any Grantor, such Grantor.

(b) It is understood and agreed that Company and the other applicable Grantors will be permitted to designate as an additional holder of Secured Obligations hereunder each Person who is, or who becomes, the registered holder of ABL Principal Debt or Notes Principal Debt or other Secured Obligations incurred by Company or such other Grantor after the date of this Agreement in accordance with the terms of the Indenture, the Existing ABL Agreement or any other Secured Debt Document then in effect, as applicable. Company or any other applicable Grantor may effect such designation by delivering to the Notes Representative and the ABL Representative each of the following:

(i) an officers certificate stating that Company or such other Grantor intends to incur additional ABL Principal Debt and/or Notes Principal Debt and/or other Secured Obligations (“Additional Secured Debt”) which will be (A) ABL Principal Debt or other ABL Obligations permitted by the Indenture or any other Secured Debt Document then in effect or the Existing ABL Agreement to be incurred and secured by an ABL Lien equally and ratably with all previously existing and future ABL Obligations subject, in the case of ABL Principal Debt, to the ABL Principal Debt Cap, or (B) Notes Principal Debt or other Notes Obligations permitted by the Existing ABL Agreement or any other Secured Debt Document then in effect to be incurred and secured by a Notes Lien equally and ratably with all previously existing and future Notes Obligations, provided, however, that to the extent the Additional Secured Debt will consist in whole or in part of any revolving credit debt, such officers certificate shall only be required in connection with entering into the applicable Secured Debt Documents with such additional holder of Secured Obligations hereunder;

(ii) written evidence that an authorized agent, trustee or other representative on behalf of the holders or lenders of any Additional Secured Debt (or, in the case of any ABL Obligations consisting of Swap Obligations, the provider of such Swap Obligations) have been designated as an additional holder of Secured Obligations hereunder and must, prior to such designation, sign and deliver on behalf of the holders or lenders of such Additional Secured Debt (or, in the case of any ABL Obligations consisting of Swap Obligations, on its own behalf) a Lien Sharing and Priority Confirmation Joinder; and

(iii) evidence that Company or such other Grantor has duly authorized, executed (if applicable) and recorded (or caused to be recorded) in each appropriate governmental office all relevant filings and recordings deemed necessary by Company or other Grantor and the holder of such Additional Secured Debt, or its Secured Debt Representative, to ensure that the Additional Secured Debt is secured by the Collateral in accordance with the ABL Security Documents and the Notes Security Documents.

Notwithstanding the foregoing, nothing in this Agreement will be construed to allow Company or any other Grantor to incur additional indebtedness unless otherwise permitted by the terms of the Indenture, the Existing ABL Agreement or any other Secured Debt Document then in effect, as applicable.

10.6 Information Concerning Financial Condition of the Grantors. Each of the Notes Representative and the ABL Representative hereby assume responsibility for keeping itself informed of the financial condition of the Grantors and all other circumstances bearing upon the

risk of nonpayment of the ABL Obligations or the Notes Obligations. The Notes Representative and the ABL Representative hereby agree that no party shall have any duty to advise any other party of information known to it regarding such condition or any such circumstances (except as otherwise provided in the ABL Documents and Notes Documents). In the event the Notes Representative or the ABL Representative, in its sole discretion, undertakes at any time or from time to time to provide any information to any other party to this Agreement, it shall be under no obligation (a) to provide any such information to such other party or any other party on any subsequent occasion, (b) to undertake any investigation not a part of its regular business routine, or (c) to disclose any other information.

10.7 Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

10.8 Submission to Jurisdiction; JURY TRIAL WAIVER. (a) Each ABL Secured Party, each Notes Secured Party and each Grantor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each such party hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each such party agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the any ABL Secured Party or Notes Secured Party may otherwise have to bring any action or proceeding against any Grantor or its properties in the courts of any jurisdiction.

(b) Each ABL Secured Party, each Notes Secured Party and each Grantor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so (i) any objection it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (a) of this Section and (ii) the defense of an inconvenient forum to the maintenance of such action or proceeding.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 10.9. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(d) EACH PARTY HERETO HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREIN, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW OR STATUTORY CLAIMS. EACH PARTY HERETO REPRESENTS THAT IT HAS REVIEWED THIS WAIVER AND IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL

10.10 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and each of the ABL Secured Parties and Notes Secured Parties and their respective successors and assigns, and nothing herein is intended, or shall be construed to give, any other Person any right, remedy or claim under, to or in respect of this Agreement or any Collateral.

10.11 Headings. Section headings used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

10.12 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

10.13 Other Remedies. For avoidance of doubt, it is understood that nothing in this Agreement shall prevent any ABL Secured Party or any Notes Secured Party from exercising any available remedy to accelerate the maturity of any indebtedness or other obligations owing under the ABL Documents or the Notes Documents, as applicable, or to demand payment under any guarantee in respect thereof.

10.14 Counterparts; Integration; Effectiveness. This Agreement shall become effective when it shall have been executed by each party hereto.

(A) all rights of each Grantor to exercise or refrain from exercising the voting and other consensual rights which it would otherwise be entitled to exercise pursuant hereto shall cease and all such rights shall thereupon become vested in the Collateral Agent who shall thereupon have the sole right to exercise such voting and other consensual rights; and

(B) in order to permit the Collateral Agent to exercise the voting and other consensual rights which it may be entitled to exercise pursuant hereto and to receive all dividends and other distributions which it may be entitled to receive hereunder: (1) each Grantor shall promptly execute and deliver (or cause to be executed and delivered) to the Collateral Agent all proxies, dividend payment orders and other instruments as the Collateral Agent may from time to time reasonably request and (2) each Grantor acknowledges that the Collateral Agent may utilize the power of attorney set forth in **Section 8.1**.

(c) except as expressly permitted by the Indenture, without prior notice to the Collateral Agent, it shall not vote to enable or take any other action to: (i) amend or terminate any partnership agreement, limited liability company agreement, certificate of incorporation, by-laws or other organizational documents in any way that materially or adversely affects the validity, perfection or priority of the Collateral Agent's security interest, (ii) permit any issuer of any Pledged Equity Interest to issue any additional stock, partnership interests, limited liability company interests or other equity interests of any nature or to issue securities convertible into or granting the right of purchase or exchange for any stock or other equity interest of any nature of such issuer, (iii) permit any issuer of any Pledged Equity Interest to dispose of all or a material

portion of their assets, (iv) waive any default under or breach of any terms of organizational document relating to the issuer of any Pledged Equity Interest or the terms of any Pledged Debt, (v) cause any issuer of any Pledged Partnership Interests or Pledged LLC Interests which are not securities (for purposes of the UCC) on the date hereof to elect or otherwise take any action to cause such Pledged Partnership Interests or Pledged LLC Interests to be treated as securities for purposes of the UCC or (vi) cause any issuer of any Pledged Equity which is not a certificated security (for purposes of the UCC) on the date hereof to elect or otherwise take any action to cause such Pledged Equity to be treated as a certificated security for purposes of the UCC; *provided, however*, notwithstanding the foregoing, if any issuer of any Pledged Partnership Interests or Pledged LLC Interests takes any such action in violation of the foregoing in this **clause (c)**, such Grantor shall promptly notify the Collateral Agent in writing of any such election or action and, in such event, shall take all steps necessary or advisable to establish the Collateral Agent's perfection and, if applicable, "*control*" thereof; and

(d) except as expressly permitted by the Indenture, without the prior written consent of the Collateral Agent, it shall not permit any issuer of any Pledged Equity Interest to merge or consolidate unless (i) such issuer creates a security interest that is perfected by a filed financing statement (that is not effective solely under *Section 9-508* of the UCC) in collateral in which such new debtor has or acquires rights, (ii) all the outstanding Capital Stock or other equity interests of the surviving or resulting corporation, limited liability company, partnership or other entity is, upon such merger or consolidation, pledged hereunder and no cash, securities or other property is distributed in respect of the outstanding equity interests of any other constituent Grantor; provided that if the surviving or resulting Grantors upon any such merger or consolidation involving an issuer which is a Controlled Foreign Corporation, then such Grantor shall only be required to pledge equity interests in accordance with **Section 2.2** and (iii) Grantor promptly complies with the delivery and control requirements of **Section 4** hereof.

6.7 Intellectual Property.

(a) it shall not do any act or omit to do any act whereby any of the Material Intellectual Property may lapse, or become abandoned, canceled, dedicated to the public, forfeited, unenforceable or otherwise impaired, or which would adversely affect the validity, grant, or enforceability of the security interest granted therein, unless it determines in its commercially reasonable discretion that such Material Intellectual Property is no longer material to its business;

(b) it shall not, with respect to any Trademarks constituting Material Intellectual Property, cease the use of any of such Trademarks unless it determines in its commercially reasonable discretion that such Material Intellectual Property is no longer material to its business, or fail to maintain the level of the quality of products sold and services rendered under any of such Trademark at a level at least substantially consistent with the quality of such products and services as of the date hereof, and such Grantor shall take all steps necessary to insure that licensees of such Trademarks use such consistent standards of quality;

(c) it shall, within thirty (30) days of the creation or acquisition or exclusive license of any copyrightable work that is included in the Material Intellectual Property, apply to register the Copyright in the United States Copyright Office or, where appropriate, any foreign counterpart and, in the case of an exclusive Copyright License in respect of a registered Copyright, record such license, in the United States Copyright Office or, where appropriate, any foreign counterpart;

(d) it shall promptly notify the Collateral Agent if it knows or has reason to know that any item of Material Intellectual Property may become (i) abandoned or dedicated to the public or placed in the public domain, (ii) invalid or unenforceable, (iii) subject to any adverse determination or development regarding such Grantor's ownership, registration or use or the validity or enforceability of such item of Intellectual Property (including the institution of, or any adverse development with respect to, any action or proceeding in the United States Patent and Trademark Office, the United States Copyright Office, or any state registry, or any foreign counterpart of the foregoing, or any court) or (iv) the subject of any reversion or termination rights;

(e) it shall take all commercially reasonable steps, including in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office, any state registry or any foreign counterpart of the foregoing, to pursue any application and maintain any registration or issuance of each Trademark, Patent, and Copyright owned by or exclusively licensed to any Grantor, including, but not limited to, those items on ***Schedule 5.2(II)*** (as such schedule may be amended or supplemented from time to time), unless it determines in its commercially reasonable discretion that such Trademark, Patent, or Copyright is no longer material to its business;

(f) it shall use commercially reasonable efforts so as not to permit the inclusion in any contract to which it hereafter becomes a party of any provision that could or may in any way materially impair or prevent the creation of a security interest in, or the assignment of, such Grantor's rights and interests in any property included within the definitions of any Material Intellectual Property acquired under such contracts;

(g) in the event that any Intellectual Property owned by or exclusively licensed to any Grantor is infringed, misappropriated, diluted or otherwise violated by a third party, such Grantor shall promptly take all reasonable actions to stop such infringement, misappropriation, dilution or other violation and protect its rights in such Intellectual Property, including, as appropriate, the initiation of a suit for injunctive relief and to recover damages;

(h) it shall take all steps commercially reasonably necessary to protect the secrecy of all Trade Secrets, including, without limitation, entering into confidentiality agreements with employees and consultants and labeling and restricting access to secret information and documents;

(i) it shall use proper statutory notice in connection with its use of any of the Material Intellectual Property; and

(j) it shall continue to collect, at its own expense, all amounts due or to become due to such Grantor in respect of the Intellectual Property or any portion thereof. In connection with such collections, such Grantor may take (and, at the Collateral Agent's reasonable direction, shall take) such action as such Grantor or, during the continuance of an Event of Default, the Collateral Agent may deem reasonably necessary or advisable to enforce collection of such amounts. Notwithstanding the foregoing, the Collateral Agent shall have the right at any time, to notify, or require any Grantor to notify, any obligors with respect to any such amounts of the existence of the security interest created hereby.

7. **ACCESS; RIGHT OF INSPECTION AND FURTHER ASSURANCES; ADDITIONAL GRANTORS.**

7.1 **Access; Right of Inspection.** The Collateral Agent shall at all times have full and free access during normal business hours to all the books, correspondence and records of each Grantor, and the Collateral Agent and its representatives may examine the same, take extracts therefrom and make photocopies thereof, and each Grantor agrees to render to the Collateral Agent, at such Grantor's reasonable cost and expense, such clerical and other assistance as may be reasonably requested with regard thereto. The Collateral Agent and its representatives shall at all reasonable times, upon prior notice to Grantor, also have the right to enter any premises of each Grantor and inspect any property of each Grantor where any of the Collateral of such Grantor granted pursuant to this Agreement is located for the purpose of inspecting the same, observing its use or otherwise protecting its interests therein.

7.2 **Further Assurances.**

(a) Each Grantor agrees that from time to time, at the expense of such Grantor, that it shall promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary in order to create and/or maintain the validity, perfection or priority of and protect any security interest granted or purported to be granted hereby or to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, each Grantor shall:

(i) file such financing or continuation statements, or amendments thereto, record security interests in Intellectual Property and execute and deliver such other agreements, instruments, endorsements, powers of attorney or notices, as may be necessary in order to effect, reflect, perfect and preserve the security interests granted or purported to be granted hereby;

(ii) take all actions necessary to ensure the recordation of appropriate evidence of the liens and security interest granted hereunder in any Intellectual Property with any intellectual property registry in which said Intellectual Property is registered or issued or in which an application for registration or issuance is pending, including, without limitation, the United States Patent and Trademark Office, the United States Copyright Office, the various Secretaries of State and the foreign counterparts of any of the foregoing;

(iii) at any reasonable time, upon request by the Collateral Agent, assemble the Collateral and allow inspection of the Collateral by the Collateral Agent, or Persons designated by the Collateral Agent;

(iv) at the Collateral Agent's request, appear in and defend any action or proceeding in which the Collateral Agent's security interest in all or any part of the Collateral is materially impaired; and

(v) furnish the Collateral Agent with such information regarding the Collateral, including, without limitation, the location thereof, as the Collateral Agent may reasonably request from time to time.

(b) Each Grantor hereby authorizes the Collateral Agent to file a Record or Records, including, without limitation, financing or continuation statements, Intellectual Property Security Agreements and amendments and supplements to any of the foregoing, in any jurisdictions and

with any filing offices as the Collateral Agent may determine, in its sole discretion, as are necessary or advisable to perfect or otherwise protect the security interest granted to the Collateral Agent herein. Such financing statements may describe the Collateral in the same manner as described herein or may contain an indication or description of collateral that describes such property in any other manner as the Collateral Agent may determine, in its sole discretion, is necessary, advisable or prudent to ensure the perfection of the security interest in the Collateral granted to the Collateral Agent herein, including, without limitation, describing such property as “*all assets, whether now owned or hereafter acquired, developed or created*” or words of similar effect. Each Grantor shall furnish to the Collateral Agent from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Collateral Agent may reasonably request, all in reasonable detail.

(c) Each Grantor hereby authorizes the Collateral Agent to modify this Agreement after obtaining such Grantor’s approval of or signature to such modification by amending **Schedule 5.2** (as such schedule may be amended or supplemented from time to time) to include reference to any right, title or interest in any existing Intellectual Property or any Intellectual Property acquired or developed by any Grantor after the execution hereof or to delete any reference to any right, title or interest in any Intellectual Property in which any Grantor no longer has or claims any right, title or interest.

7.3 Additional Grantors. From time to time subsequent to the date hereof, additional Persons may become parties hereto as additional Grantors (each, an “**Additional Grantor**”), by executing a Pledge Supplement. Upon delivery of any such Pledge Supplement to the Collateral Agent, notice of which is hereby waived by Grantors, each Additional Grantor shall be a Grantor and shall be as fully a party hereto as if Additional Grantor were an original signatory hereto. Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Grantor hereunder, nor by any election of Collateral Agent not to cause any Subsidiary of Company to become an Additional Grantor hereunder. This Agreement shall be fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

8. COLLATERAL AGENT APPOINTED ATTORNEY-IN-FACT.

8.1 Power of Attorney. Each Grantor hereby irrevocably appoints the Collateral Agent (such appointment being coupled with an interest) as such Grantor’s attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor, the Collateral Agent or otherwise, from time to time at the Collateral Agent’s discretion or at the direction of and in accordance with an Act of Required Holders to take any action and to execute any instrument that the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, the following:

(a) upon the occurrence and during the continuance of any Event of Default, to obtain and adjust insurance required to be maintained by such Grantor or paid to the Collateral Agent pursuant to the Indenture;

(b) upon the occurrence and during the continuance of any Event of Default, to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) upon the occurrence and during the continuance of any Event of Default, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with *clause (b)* above;

(d) upon the occurrence and during the continuance of any Event of Default, to file any claims or take any action or institute any proceedings that the Collateral Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Collateral Agent with respect to any of the Collateral;

(e) to prepare and file any UCC financing statements against such Grantor as debtor;

(f) to prepare, sign, and file for recordation in any intellectual property registry, appropriate evidence of the lien and security interest granted herein in any Intellectual Property in the name of such Grantor as debtor;

(g) to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement, including, without limitation, access to pay or discharge taxes or Liens (other than Permitted Liens) levied or placed, as applicable, upon the Collateral and which are past due and not being contested in good faith by Grantor; and

(h) upon the occurrence and during the continuance of any Event of Default, generally to sell, transfer, lease, license, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and to do, at the Collateral Agent's option and such Grantor's expense, at any time or from time to time, all acts and things that the Collateral Agent deems reasonably necessary to protect, preserve or realize upon the Collateral and the Collateral Agent's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

8.2 No Duty on the Part of Collateral Agent or Secured Parties. The powers conferred on the Collateral Agent hereunder are solely to protect the interests of the Secured Parties in the Collateral and shall not impose any duty upon the Collateral Agent or any other Secured Party to exercise any such powers. The Collateral Agent and the other Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

8.3 Appointment Pursuant to Indenture. The Collateral Agent has been appointed as collateral agent pursuant to the Indenture. The rights, duties, privileges, immunities and indemnities of the Collateral Agent thereunder are subject to the provisions of the Indenture and the Intercreditor Agreement. For the avoidance of doubt, if directed by an Act of the Required Holders, the Collateral Agent shall take such actions hereunder in compliance with such Act of Required Holders.

9. REMEDIES.

9.1 Generally.

(a) If any Event of Default shall have occurred and be continuing, the Collateral Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it at law or in equity, all the rights and remedies of

the Collateral Agent on default under the UCC (whether or not the UCC applies to the affected Collateral) to collect, enforce or satisfy any Notes Obligations then owing, whether by acceleration or otherwise, and also may pursue any of the following separately, successively or simultaneously:

(i) require any Grantor to, and each Grantor hereby agrees that it shall at its expense and promptly upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place to be designated by the Collateral Agent that is reasonably convenient to both parties;

(ii) enter onto the property where any Collateral is located and take possession thereof with or without judicial process;

(iii) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent the Collateral Agent deems appropriate; and

(iv) without notice except as specified below or under the UCC, sell, assign, lease, license (on an exclusive or nonexclusive basis) or otherwise dispose of the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Collateral Agent may deem commercially reasonable.

(b) The Collateral Agent or any other Secured Party may be the purchaser of any or all of the Collateral at any public or private (to the extent to the portion of the Collateral being privately sold is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations) sale in accordance with the UCC and the Collateral Agent, on behalf of itself and the other Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale or made in accordance with the UCC, to use and apply any of the Notes Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor agrees that it would not be commercially unreasonable for the Collateral Agent to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any

sale or other disposition of the Collateral are insufficient to pay all the Notes Obligations, Grantors shall be liable for the deficiency and the fees of any attorneys employed by the Collateral Agent to collect such deficiency. Each Grantor further agrees that a breach of any of the covenants contained in this **Section** will cause irreparable injury to the Collateral Agent, that the Collateral Agent has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this **Section** shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred giving rise to the Notes Obligations becoming due and payable prior to their stated maturities. Nothing in this **Section** shall in any way limit the rights of the Collateral Agent hereunder.

(c) Each of the Grantors hereto and each of the Secured Parties, by their acceptance of the benefits of this Agreement, agree that the Collateral Agent shall be entitled, for the purposes of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any sale or foreclosure proceeding in respect of the Collateral, including without limitation, sales occurring pursuant to *Section 363* of the Bankruptcy Code or included as part of any plan subject to confirmation under *Section 1129(b)(2)(A)(iii)* of the Bankruptcy Code, to use and apply any of the Notes Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale or foreclosure proceeding, if applicable.

(d) The Collateral Agent may sell the Collateral without giving any warranties as to the Collateral. The Collateral Agent may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(e) The Collateral Agent shall have no obligation to marshal any of the Collateral.

9.2 Application of Proceeds. All proceeds received by the Collateral Agent in respect of any sale of, any collection from, or other realization upon all or any part of the Collateral shall be applied in full or in part by the Collateral Agent in accordance with the provisions of the Indenture and the Intercreditor Agreement.

9.3 Sales on Credit. If Collateral Agent sells any of the Collateral upon credit, Grantor will be credited only with payments actually made by purchaser and received by Collateral Agent and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, Collateral Agent may resell the Collateral and Grantor shall be credited with proceeds of the sale.

9.4 Investment Related Property. Each Grantor recognizes that, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Investment Related Property conducted without prior registration or qualification of such Investment Related Property under the Securities Act and/or such state securities laws, to limit purchasers to those who will agree, among other things, to acquire the Investment Related Property for their own account, for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges that any such private sale may be at prices and on terms less favorable than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act) and, notwithstanding such circumstances, each Grantor agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Collateral Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Investment Related Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under

the Securities Act or under applicable state securities laws, even if such issuer would, or should, agree to so register it. If the Collateral Agent determines to exercise its right to sell any or all of the Investment Related Property, upon written request, each Grantor shall and shall cause each issuer of any Pledged Stock to be sold hereunder, each partnership and each limited liability company from time to time to furnish to the Collateral Agent all such information as the Collateral Agent may request in order to determine the number and nature of interest, shares or other instruments included in the Investment Related Property which may be sold by the Collateral Agent in exempt transactions under the Securities Act and the rules and regulations of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

9.5 Grant of Intellectual Property License. For the purpose of enabling the Collateral Agent, during the continuance of an Event of Default, to exercise rights and remedies under **Section 9** hereof at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, each Grantor hereby grants to the Collateral Agent, to the extent assignable, an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor), subject, in the case of Trademarks, to sufficient rights to quality control and inspection in favor of such Grantor to avoid the risk of invalidation of such Trademarks, to use, assign, license or sublicense any of the Intellectual Property now owned or hereafter acquired, developed or created by such Grantor, wherever the same may be located. Such license shall include access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout hereof.

9.6 Intellectual Property.

(a) Anything contained herein to the contrary notwithstanding, in addition to the other rights and remedies provided herein, upon the occurrence and during the continuation of an Event of Default:

(i) the Collateral Agent shall have the right (but not the obligation), including as directed by an Act of Required Holders, to bring suit or otherwise commence any action or proceeding in the name of any Grantor, the Collateral Agent or otherwise, in the Collateral Agent's sole discretion, to enforce any Intellectual Property rights of such Grantor, in which event such Grantor shall, at the request of the Collateral Agent, do any and all lawful acts and execute any and all documents required by the Collateral Agent in aid of such enforcement, and such Grantor shall promptly, upon demand, reimburse and indemnify the Collateral Agent as provided in **Section 12** hereof in connection with the exercise of its rights under this **Section 9.6**, and, to the extent that the Collateral Agent shall elect not to bring suit to enforce any Intellectual Property rights as provided in this **Section 9.6**, each Grantor agrees to use all reasonable measures, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation, dilution or other violation of any of such Grantor's rights in the Intellectual Property by others and for that purpose agrees to diligently maintain any action, suit or proceeding against any Person so infringing, misappropriating, diluting or otherwise violating as shall be necessary to prevent such infringement, misappropriation, dilution or other violation;

(ii) upon written demand from the Collateral Agent, each Grantor shall grant, assign, convey or otherwise transfer to the Collateral Agent or such Collateral Agent's designee all of such Grantor's right, title and interest in and to any Intellectual Property and shall execute and deliver to the Collateral Agent such documents as are necessary or appropriate to carry out the intent and purposes of this Agreement;

(iii) each Grantor agrees that such an assignment and/or recording shall be applied to reduce the Notes Obligations outstanding only to the extent that the Collateral Agent (or any other Secured Party) receives cash proceeds in respect of the sale of, or other realization upon, any such Intellectual Property;

(iv) within five (5) Business Days after written notice from the Collateral Agent, each Grantor shall use reasonable best efforts to make available to the Collateral Agent, to the extent within such Grantor's power and authority, such personnel in such Grantor's employ on the date of such Event of Default as the Collateral Agent may reasonably designate, by name, title or job responsibility, to permit such Grantor to continue, directly or indirectly, to produce, advertise and sell the products and services sold or delivered by such Grantor under or in connection with any Trademarks or Trademark Licenses, such persons to be available to perform their prior functions on the Collateral Agent's behalf and to be compensated by the Collateral Agent at such Grantor's expense on a per diem, pro-rata basis consistent with the salary and benefit structure applicable to each as of the date of such Event of Default; and

(v) the Collateral Agent shall have the right, subject to the Intercreditor Agreement, to notify, or require each Grantor to notify, any obligors with respect to amounts due or to become due to such Grantor in respect of any Intellectual Property of such Grantor, of the existence of the security interest created herein, to direct such obligors to make payment of all such amounts directly to the Collateral Agent, and, upon such notification and at the expense of such Grantor, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done;

(A) all amounts and proceeds (including checks and other instruments) received by Grantor in respect of amounts due to such Grantor in respect of the Collateral or any portion thereof shall be received in trust for the benefit of the Collateral Agent hereunder, shall be segregated from other funds of such Grantor and shall be forthwith paid over or delivered to the Collateral Agent in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by **Section 9.7** hereof; and

(B) Grantor shall not adjust, settle or compromise the amount or payment of any such amount or release wholly or partly any obligor with respect thereto or allow any credit or discount thereon.

(b) If (i) an Event of Default shall have occurred and, by reason of cure, waiver, modification, amendment or otherwise, no longer be continuing, (ii) no other Event of Default shall have occurred and be continuing, (iii) an assignment or other transfer to the Collateral Agent of any rights, title and interests in and to any Intellectual Property of such Grantor shall have been previously made and shall have become absolute and effective, and (iv) the Notes Obligations shall not have become immediately due and payable, upon the written request of any Grantor, the Collateral Agent shall promptly execute and deliver to such Grantor, at such Grantor's sole cost and expense, such assignments or other transfer as may be necessary to reassign to such Grantor any such rights, title and interests as may have been assigned to the Collateral Agent as aforesaid, subject to any disposition thereof that may have been made by the Collateral Agent; provided, after giving effect to such reassignment, the Collateral Agent's security interest granted pursuant hereto, as well as all other rights and remedies of the Collateral Agent granted hereunder, shall continue to be in full force and effect; and provided further, the rights, title and interests so

reassigned shall be free and clear of any other Liens granted by or on behalf of the Collateral Agent and the Secured Parties.

9.7 **Cash Proceeds; Deposit Accounts.** (a) If any Event of Default shall have occurred and be continuing, in addition to the rights of the Collateral Agent specified in **Section 6.5** with respect to payments of Receivables, all proceeds of any Collateral received by any Grantor consisting of cash, checks and other near-cash items (collectively, "**Cash Proceeds**") shall be held by such Grantor in trust for the Collateral Agent, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Collateral Agent in the form received by such Grantor or the cash equivalent thereof (duly indorsed by such Grantor to the Collateral Agent, if required) and held by the Collateral Agent. Any Cash Proceeds received by the Collateral Agent (whether from a Grantor or otherwise) may, in the sole discretion of the Collateral Agent, (1) be held by the Collateral Agent for the ratable benefit of the Secured Parties, as collateral security for the Notes Obligations (whether matured or unmatured) and/or (2) then or at any time thereafter may be applied by the Collateral Agent against the Notes Obligations then due and owing.

(b) If any Event of Default shall have occurred and be continuing, the Collateral Agent may apply the balance from any Deposit Account or instruct the bank at which any Deposit Account is maintained to pay the balance of any Deposit Account to or for the benefit of the Collateral Agent.

10. **COLLATERAL AGENT.** The Collateral Agent has been appointed to act as Collateral Agent pursuant to the Indenture. The Collateral Agent shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including, without limitation, the release or substitution of Collateral), solely in accordance with this Agreement, the Indenture and the other Security Documents. In furtherance of the foregoing provisions of this **Section**, each Secured Party, by its acceptance of the benefits hereof, agrees that it shall have no right individually to realize upon any of the Collateral hereunder, it being understood and agreed by such Secured Party that all rights and remedies hereunder may be exercised solely by the Collateral Agent for the benefit of Secured Parties in accordance with the terms of this **Section 10**. The provisions of the Indenture relating to the Collateral Agent including, without limitation, the provisions relating to resignation or removal of the Collateral Agent and the powers and duties and immunities of the Collateral Agent are incorporated herein by reference and shall survive any termination of the Indenture. In connection with any conflict between this Agreement and the Indenture, the Indenture shall control with respect to the duties, protections, immunities and indemnity of the Collateral Agent.

11. **CONTINUING SECURITY INTEREST; TRANSFER OF LOANS.** This Agreement shall create a continuing security interest in the Collateral and shall remain in full force and effect until the payment in full of all Notes Obligations. Upon any such termination of this Agreement, the Collateral Agent shall, at the Grantors' expense, execute and deliver to the Grantors or otherwise authorize the filing of such documents as the Grantors shall reasonably request, including financing statement amendments to evidence such termination. Upon any disposition of property permitted by the Indenture, the Liens granted herein shall be deemed to be automatically released and such property shall automatically revert to the applicable Grantor with no further action on the part of any Person. The Collateral Agent shall, at the applicable Grantor's expense, execute and deliver or otherwise authorize the filing of such documents as such Grantor shall reasonably request, in form and substance reasonably satisfactory to the Collateral Agent, including financing statement amendments to evidence such release.

12. **STANDARD OF CARE; COLLATERAL AGENT MAY PERFORM.** The powers conferred on the Collateral Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care in the custody of

any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property. Neither the Collateral Agent nor any of its directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or otherwise. If any Grantor fails to perform any agreement contained herein, the Collateral Agent may itself perform, or cause performance of, such agreement, and the expenses of the Collateral Agent incurred in connection therewith shall be payable by each Grantor pursuant to the Indenture. It is the sole responsibility of the Grantors to take all of the necessary actions and filings necessary to maintain the perfection of all of the security interests granted hereunder. Whenever the Collateral Agent acts hereunder, it is acting with all of the rights, protections, immunities and indemnities set forth in the Indenture as if they were fully set forth herein. Notwithstanding anything to the contrary contained herein, the Collateral Agent shall have no duty whatsoever to maintain the security interests granted hereunder.

13. **MISCELLANEOUS.** Any notice required or permitted to be given under this Agreement shall be given in accordance with *Section 14.02* of the Indenture. No failure or delay on the part of the Collateral Agent in the exercise of any power, right or privilege hereunder or under any other Security Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement and the other Security Documents are cumulative to, and not exclusive of, any rights or remedies otherwise available. In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of an Event of Default if such action is taken or condition exists. This Agreement shall be binding upon and inure to the benefit of the Collateral Agent and the Grantors and their respective successors and assigns. No Grantor shall, without the prior written consent of the Collateral Agent given in accordance with the Indenture, assign any right, duty or obligation hereunder. This Agreement embodies the entire agreement and understanding between the Grantors and the Collateral Agent and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, this Agreement may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties. This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document.

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND ALL CLAIMS AND CONTROVERSIES ARISING OUT OF THE SUBJECT MATTER HEREOF WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

THE PROVISIONS OF THE INDENTURE UNDER THE HEADING “*WAIVER OF JURY TRIAL*” ARE INCORPORATED HEREIN BY THIS REFERENCE AND SUCH INCORPORATION SHALL SURVIVE ANY TERMINATION OF THE INDENTURE.

14. **INTERRELATIONSHIP WITH INTERCREDITOR AGREEMENT.** Notwithstanding anything in this Agreement to the contrary, so long as any ABL Obligations (as defined in the Intercreditor Agreement) are outstanding, the requirements for delivery of Collateral to the Collateral Agent under this Agreement shall be deemed to have been satisfied by delivery of such Collateral constituting ABL Priority Collateral (as defined in the Intercreditor Agreement) to the ABL Representative (as defined in the Intercreditor Agreement).

WHEREAS, the Grantors are party to a Pledge and Security Agreement dated as of May 31, 2017 (the “**Pledge and Security Agreement**”) by and among each of the Grantors and the other grantors party thereto and the Collateral Agent pursuant to which the Grantors granted a security interest to the Collateral Agent in the Trademark Collateral (as defined below) and are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and subject to the Pledge and Security Agreement, the Grantors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms.

Unless otherwise defined herein, terms defined in the Pledge and Security Agreement and used herein have the meaning given to them in the Pledge and Security Agreement.

6.7 Intellectual Property.

(a) it shall not do any act or omit to do any act whereby any of the Material Intellectual Property may lapse, or become abandoned, canceled, dedicated to the public, forfeited, unenforceable or otherwise impaired, or which would adversely affect the validity, grant, or enforceability of the security interest granted therein, unless it determines in its commercially reasonable discretion that such Material Intellectual Property is no longer material to its business;

(b) it shall not, with respect to any Trademarks constituting Material Intellectual Property, cease the use of any of such Trademarks unless it determines in its commercially reasonable discretion that such Material Intellectual Property is no longer material to its business, or fail to maintain the level of the quality of products sold and services rendered under any of such Trademark at a level at least substantially consistent with the quality of such products and services as of the date hereof, and such Grantor shall take all steps necessary to insure that licensees of such Trademarks use such consistent standards of quality;

(c) it shall, within thirty (30) days of the creation or acquisition or exclusive license of any copyrightable work that is included in the Material Intellectual Property, apply to register the Copyright in the United States Copyright Office or, where appropriate, any foreign counterpart and, in the case of an exclusive Copyright License in respect of a registered Copyright, record such license, in the United States Copyright Office or, where appropriate, any foreign counterpart;

(d) it shall promptly notify the Collateral Agent if it knows or has reason to know that any item of Material Intellectual Property may become (i) abandoned or dedicated to the public or placed in the public domain, (ii) invalid or unenforceable, (iii) subject to any adverse determination or development regarding such Grantor's ownership, registration or use or the validity or enforceability of such item of Intellectual Property (including the institution of, or any adverse development with respect to, any action or proceeding in the United States Patent and Trademark Office, the United States Copyright Office, or any state registry, or any foreign counterpart of the foregoing, or any court) or (iv) the subject of any reversion or termination rights;

(e) it shall take all commercially reasonable steps, including in any proceeding before the United States Patent and Trademark Office, the United States Copyright Office, any state registry or any foreign counterpart of the foregoing, to pursue any application and maintain any registration or issuance of each Trademark, Patent, and Copyright owned by or exclusively licensed to any Grantor, including, but not limited to, those items on ***Schedule 5.2(II)*** (as such schedule may be amended or supplemented from time to time), unless it determines in its commercially reasonable discretion that such Trademark, Patent, or Copyright is no longer material to its business;

(f) it shall use commercially reasonable efforts so as not to permit the inclusion in any contract to which it hereafter becomes a party of any provision that could or may in any way materially impair or prevent the creation of a security interest in, or the assignment of, such Grantor's rights and interests in any property included within the definitions of any Material Intellectual Property acquired under such contracts;

(g) in the event that any Intellectual Property owned by or exclusively licensed to any Grantor is infringed, misappropriated, diluted or otherwise violated by a third party, such Grantor shall promptly take all reasonable actions to stop such infringement, misappropriation, dilution or other violation and protect its rights in such Intellectual Property, including, as appropriate, the initiation of a suit for injunctive relief and to recover damages;

(h) it shall take all steps commercially reasonably necessary to protect the secrecy of all Trade Secrets, including, without limitation, entering into confidentiality agreements with employees and consultants and labeling and restricting access to secret information and documents;

(i) it shall use proper statutory notice in connection with its use of any of the Material Intellectual Property; and

(j) it shall continue to collect, at its own expense, all amounts due or to become due to such Grantor in respect of the Intellectual Property or any portion thereof. In connection with such collections, such Grantor may take (and, at the Collateral Agent's reasonable direction, shall take) such action as such Grantor or, during the continuance of an Event of Default, the Collateral Agent may deem reasonably necessary or advisable to enforce collection of such amounts. Notwithstanding the foregoing, the Collateral Agent shall have the right at any time, to notify, or require any Grantor to notify, any obligors with respect to any such amounts of the existence of the security interest created hereby.

7. **ACCESS; RIGHT OF INSPECTION AND FURTHER ASSURANCES; ADDITIONAL GRANTORS.**

7.1 **Access; Right of Inspection.** The Collateral Agent shall at all times have full and free access during normal business hours to all the books, correspondence and records of each Grantor, and the Collateral Agent and its representatives may examine the same, take extracts therefrom and make photocopies thereof, and each Grantor agrees to render to the Collateral Agent, at such Grantor's reasonable cost and expense, such clerical and other assistance as may be reasonably requested with regard thereto. The Collateral Agent and its representatives shall at all reasonable times, upon prior notice to Grantor, also have the right to enter any premises of each Grantor and inspect any property of each Grantor where any of the Collateral of such Grantor granted pursuant to this Agreement is located for the purpose of inspecting the same, observing its use or otherwise protecting its interests therein.

7.2 **Further Assurances.**

(a) Each Grantor agrees that from time to time, at the expense of such Grantor, that it shall promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary in order to create and/or maintain the validity, perfection or priority of and protect any security interest granted or purported to be granted hereby or to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, each Grantor shall:

(i) file such financing or continuation statements, or amendments thereto, record security interests in Intellectual Property and execute and deliver such other agreements, instruments, endorsements, powers of attorney or notices, as may be necessary in order to effect, reflect, perfect and preserve the security interests granted or purported to be granted hereby;

(ii) take all actions necessary to ensure the recordation of appropriate evidence of the liens and security interest granted hereunder in any Intellectual Property with any intellectual property registry in which said Intellectual Property is registered or issued or in which an application for registration or issuance is pending, including, without limitation, the United States Patent and Trademark Office, the United States Copyright Office, the various Secretaries of State and the foreign counterparts of any of the foregoing;

(iii) at any reasonable time, upon request by the Collateral Agent, assemble the Collateral and allow inspection of the Collateral by the Collateral Agent, or Persons designated by the Collateral Agent;

(iv) at the Collateral Agent's request, appear in and defend any action or proceeding in which the Collateral Agent's security interest in all or any part of the Collateral is materially impaired; and

(v) furnish the Collateral Agent with such information regarding the Collateral, including, without limitation, the location thereof, as the Collateral Agent may reasonably request from time to time.

(b) Each Grantor hereby authorizes the Collateral Agent to file a Record or Records, including, without limitation, financing or continuation statements, Intellectual Property Security Agreements and amendments and supplements to any of the foregoing, in any jurisdictions and

with any filing offices as the Collateral Agent may determine, in its sole discretion, as are necessary or advisable to perfect or otherwise protect the security interest granted to the Collateral Agent herein. Such financing statements may describe the Collateral in the same manner as described herein or may contain an indication or description of collateral that describes such property in any other manner as the Collateral Agent may determine, in its sole discretion, is necessary, advisable or prudent to ensure the perfection of the security interest in the Collateral granted to the Collateral Agent herein, including, without limitation, describing such property as “*all assets, whether now owned or hereafter acquired, developed or created*” or words of similar effect. Each Grantor shall furnish to the Collateral Agent from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Collateral Agent may reasonably request, all in reasonable detail.

(c) Each Grantor hereby authorizes the Collateral Agent to modify this Agreement after obtaining such Grantor’s approval of or signature to such modification by amending **Schedule 5.2** (as such schedule may be amended or supplemented from time to time) to include reference to any right, title or interest in any existing Intellectual Property or any Intellectual Property acquired or developed by any Grantor after the execution hereof or to delete any reference to any right, title or interest in any Intellectual Property in which any Grantor no longer has or claims any right, title or interest.

7.3 Additional Grantors. From time to time subsequent to the date hereof, additional Persons may become parties hereto as additional Grantors (each, an “**Additional Grantor**”), by executing a Pledge Supplement. Upon delivery of any such Pledge Supplement to the Collateral Agent, notice of which is hereby waived by Grantors, each Additional Grantor shall be a Grantor and shall be as fully a party hereto as if Additional Grantor were an original signatory hereto. Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Grantor hereunder, nor by any election of Collateral Agent not to cause any Subsidiary of Company to become an Additional Grantor hereunder. This Agreement shall be fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

8. COLLATERAL AGENT APPOINTED ATTORNEY-IN-FACT.

8.1 Power of Attorney. Each Grantor hereby irrevocably appoints the Collateral Agent (such appointment being coupled with an interest) as such Grantor’s attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor, the Collateral Agent or otherwise, from time to time at the Collateral Agent’s discretion or at the direction of and in accordance with an Act of Required Holders to take any action and to execute any instrument that the Collateral Agent may deem reasonably necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, the following:

(a) upon the occurrence and during the continuance of any Event of Default, to obtain and adjust insurance required to be maintained by such Grantor or paid to the Collateral Agent pursuant to the Indenture;

(b) upon the occurrence and during the continuance of any Event of Default, to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) upon the occurrence and during the continuance of any Event of Default, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with *clause (b)* above;

(d) upon the occurrence and during the continuance of any Event of Default, to file any claims or take any action or institute any proceedings that the Collateral Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Collateral Agent with respect to any of the Collateral;

(e) to prepare and file any UCC financing statements against such Grantor as debtor;

(f) to prepare, sign, and file for recordation in any intellectual property registry, appropriate evidence of the lien and security interest granted herein in any Intellectual Property in the name of such Grantor as debtor;

(g) to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement, including, without limitation, access to pay or discharge taxes or Liens (other than Permitted Liens) levied or placed, as applicable, upon the Collateral and which are past due and not being contested in good faith by Grantor; and

(h) upon the occurrence and during the continuance of any Event of Default, generally to sell, transfer, lease, license, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and to do, at the Collateral Agent's option and such Grantor's expense, at any time or from time to time, all acts and things that the Collateral Agent deems reasonably necessary to protect, preserve or realize upon the Collateral and the Collateral Agent's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

8.2 No Duty on the Part of Collateral Agent or Secured Parties. The powers conferred on the Collateral Agent hereunder are solely to protect the interests of the Secured Parties in the Collateral and shall not impose any duty upon the Collateral Agent or any other Secured Party to exercise any such powers. The Collateral Agent and the other Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

8.3 Appointment Pursuant to Indenture. The Collateral Agent has been appointed as collateral agent pursuant to the Indenture. The rights, duties, privileges, immunities and indemnities of the Collateral Agent thereunder are subject to the provisions of the Indenture and the Intercreditor Agreement. For the avoidance of doubt, if directed by an Act of the Required Holders, the Collateral Agent shall take such actions hereunder in compliance with such Act of Required Holders.

9. REMEDIES.

9.1 Generally.

(a) If any Event of Default shall have occurred and be continuing, the Collateral Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it at law or in equity, all the rights and remedies of

the Collateral Agent on default under the UCC (whether or not the UCC applies to the affected Collateral) to collect, enforce or satisfy any Notes Obligations then owing, whether by acceleration or otherwise, and also may pursue any of the following separately, successively or simultaneously:

(i) require any Grantor to, and each Grantor hereby agrees that it shall at its expense and promptly upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place to be designated by the Collateral Agent that is reasonably convenient to both parties;

(ii) enter onto the property where any Collateral is located and take possession thereof with or without judicial process;

(iii) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent the Collateral Agent deems appropriate; and

(iv) without notice except as specified below or under the UCC, sell, assign, lease, license (on an exclusive or nonexclusive basis) or otherwise dispose of the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Collateral Agent may deem commercially reasonable.

(b) The Collateral Agent or any other Secured Party may be the purchaser of any or all of the Collateral at any public or private (to the extent to the portion of the Collateral being privately sold is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations) sale in accordance with the UCC and the Collateral Agent, on behalf of itself and the other Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale or made in accordance with the UCC, to use and apply any of the Notes Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days' notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor agrees that it would not be commercially unreasonable for the Collateral Agent to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any

sale or other disposition of the Collateral are insufficient to pay all the Notes Obligations, Grantors shall be liable for the deficiency and the fees of any attorneys employed by the Collateral Agent to collect such deficiency. Each Grantor further agrees that a breach of any of the covenants contained in this **Section** will cause irreparable injury to the Collateral Agent, that the Collateral Agent has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this **Section** shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred giving rise to the Notes Obligations becoming due and payable prior to their stated maturities. Nothing in this **Section** shall in any way limit the rights of the Collateral Agent hereunder.

(c) Each of the Grantors hereto and each of the Secured Parties, by their acceptance of the benefits of this Agreement, agree that the Collateral Agent shall be entitled, for the purposes of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any sale or foreclosure proceeding in respect of the Collateral, including without limitation, sales occurring pursuant to *Section 363* of the Bankruptcy Code or included as part of any plan subject to confirmation under *Section 1129(b)(2)(A)(iii)* of the Bankruptcy Code, to use and apply any of the Notes Obligations as a credit on account of the purchase price for any Collateral payable by the Collateral Agent at such sale or foreclosure proceeding, if applicable.

(d) The Collateral Agent may sell the Collateral without giving any warranties as to the Collateral. The Collateral Agent may specifically disclaim or modify any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

(e) The Collateral Agent shall have no obligation to marshal any of the Collateral.

9.2 Application of Proceeds. All proceeds received by the Collateral Agent in respect of any sale of, any collection from, or other realization upon all or any part of the Collateral shall be applied in full or in part by the Collateral Agent in accordance with the provisions of the Indenture and the Intercreditor Agreement.

9.3 Sales on Credit. If Collateral Agent sells any of the Collateral upon credit, Grantor will be credited only with payments actually made by purchaser and received by Collateral Agent and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, Collateral Agent may resell the Collateral and Grantor shall be credited with proceeds of the sale.

9.4 Investment Related Property. Each Grantor recognizes that, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Investment Related Property conducted without prior registration or qualification of such Investment Related Property under the Securities Act and/or such state securities laws, to limit purchasers to those who will agree, among other things, to acquire the Investment Related Property for their own account, for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges that any such private sale may be at prices and on terms less favorable than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act) and, notwithstanding such circumstances, each Grantor agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Collateral Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Investment Related Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under

the Securities Act or under applicable state securities laws, even if such issuer would, or should, agree to so register it. If the Collateral Agent determines to exercise its right to sell any or all of the Investment Related Property, upon written request, each Grantor shall and shall cause each issuer of any Pledged Stock to be sold hereunder, each partnership and each limited liability company from time to time to furnish to the Collateral Agent all such information as the Collateral Agent may request in order to determine the number and nature of interest, shares or other instruments included in the Investment Related Property which may be sold by the Collateral Agent in exempt transactions under the Securities Act and the rules and regulations of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

9.5 Grant of Intellectual Property License. For the purpose of enabling the Collateral Agent, during the continuance of an Event of Default, to exercise rights and remedies under **Section 9** hereof at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, each Grantor hereby grants to the Collateral Agent, to the extent assignable, an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor), subject, in the case of Trademarks, to sufficient rights to quality control and inspection in favor of such Grantor to avoid the risk of invalidation of such Trademarks, to use, assign, license or sublicense any of the Intellectual Property now owned or hereafter acquired, developed or created by such Grantor, wherever the same may be located. Such license shall include access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout hereof.

9.6 Intellectual Property.

(a) Anything contained herein to the contrary notwithstanding, in addition to the other rights and remedies provided herein, upon the occurrence and during the continuation of an Event of Default:

(i) the Collateral Agent shall have the right (but not the obligation), including as directed by an Act of Required Holders, to bring suit or otherwise commence any action or proceeding in the name of any Grantor, the Collateral Agent or otherwise, in the Collateral Agent's sole discretion, to enforce any Intellectual Property rights of such Grantor, in which event such Grantor shall, at the request of the Collateral Agent, do any and all lawful acts and execute any and all documents required by the Collateral Agent in aid of such enforcement, and such Grantor shall promptly, upon demand, reimburse and indemnify the Collateral Agent as provided in **Section 12** hereof in connection with the exercise of its rights under this **Section 9.6**, and, to the extent that the Collateral Agent shall elect not to bring suit to enforce any Intellectual Property rights as provided in this **Section 9.6**, each Grantor agrees to use all reasonable measures, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation, dilution or other violation of any of such Grantor's rights in the Intellectual Property by others and for that purpose agrees to diligently maintain any action, suit or proceeding against any Person so infringing, misappropriating, diluting or otherwise violating as shall be necessary to prevent such infringement, misappropriation, dilution or other violation;

(ii) upon written demand from the Collateral Agent, each Grantor shall grant, assign, convey or otherwise transfer to the Collateral Agent or such Collateral Agent's designee all of such Grantor's right, title and interest in and to any Intellectual Property and shall execute and deliver to the Collateral Agent such documents as are necessary or appropriate to carry out the intent and purposes of this Agreement;

(iii) each Grantor agrees that such an assignment and/or recording shall be applied to reduce the Notes Obligations outstanding only to the extent that the Collateral Agent (or any other Secured Party) receives cash proceeds in respect of the sale of, or other realization upon, any such Intellectual Property;

(iv) within five (5) Business Days after written notice from the Collateral Agent, each Grantor shall use reasonable best efforts to make available to the Collateral Agent, to the extent within such Grantor's power and authority, such personnel in such Grantor's employ on the date of such Event of Default as the Collateral Agent may reasonably designate, by name, title or job responsibility, to permit such Grantor to continue, directly or indirectly, to produce, advertise and sell the products and services sold or delivered by such Grantor under or in connection with any Trademarks or Trademark Licenses, such persons to be available to perform their prior functions on the Collateral Agent's behalf and to be compensated by the Collateral Agent at such Grantor's expense on a per diem, pro-rata basis consistent with the salary and benefit structure applicable to each as of the date of such Event of Default; and

(v) the Collateral Agent shall have the right, subject to the Intercreditor Agreement, to notify, or require each Grantor to notify, any obligors with respect to amounts due or to become due to such Grantor in respect of any Intellectual Property of such Grantor, of the existence of the security interest created herein, to direct such obligors to make payment of all such amounts directly to the Collateral Agent, and, upon such notification and at the expense of such Grantor, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done;

(A) all amounts and proceeds (including checks and other instruments) received by Grantor in respect of amounts due to such Grantor in respect of the Collateral or any portion thereof shall be received in trust for the benefit of the Collateral Agent hereunder, shall be segregated from other funds of such Grantor and shall be forthwith paid over or delivered to the Collateral Agent in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by **Section 9.7** hereof; and

(B) Grantor shall not adjust, settle or compromise the amount or payment of any such amount or release wholly or partly any obligor with respect thereto or allow any credit or discount thereon.

(b) If (i) an Event of Default shall have occurred and, by reason of cure, waiver, modification, amendment or otherwise, no longer be continuing, (ii) no other Event of Default shall have occurred and be continuing, (iii) an assignment or other transfer to the Collateral Agent of any rights, title and interests in and to any Intellectual Property of such Grantor shall have been previously made and shall have become absolute and effective, and (iv) the Notes Obligations shall not have become immediately due and payable, upon the written request of any Grantor, the Collateral Agent shall promptly execute and deliver to such Grantor, at such Grantor's sole cost and expense, such assignments or other transfer as may be necessary to reassign to such Grantor any such rights, title and interests as may have been assigned to the Collateral Agent as aforesaid, subject to any disposition thereof that may have been made by the Collateral Agent; provided, after giving effect to such reassignment, the Collateral Agent's security interest granted pursuant hereto, as well as all other rights and remedies of the Collateral Agent granted hereunder, shall continue to be in full force and effect; and provided further, the rights, title and interests so

reassigned shall be free and clear of any other Liens granted by or on behalf of the Collateral Agent and the Secured Parties.

9.7 **Cash Proceeds; Deposit Accounts.** (a) If any Event of Default shall have occurred and be continuing, in addition to the rights of the Collateral Agent specified in **Section 6.5** with respect to payments of Receivables, all proceeds of any Collateral received by any Grantor consisting of cash, checks and other near-cash items (collectively, "**Cash Proceeds**") shall be held by such Grantor in trust for the Collateral Agent, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Collateral Agent in the form received by such Grantor or the cash equivalent thereof (duly indorsed by such Grantor to the Collateral Agent, if required) and held by the Collateral Agent. Any Cash Proceeds received by the Collateral Agent (whether from a Grantor or otherwise) may, in the sole discretion of the Collateral Agent, (1) be held by the Collateral Agent for the ratable benefit of the Secured Parties, as collateral security for the Notes Obligations (whether matured or unmatured) and/or (2) then or at any time thereafter may be applied by the Collateral Agent against the Notes Obligations then due and owing.

(b) If any Event of Default shall have occurred and be continuing, the Collateral Agent may apply the balance from any Deposit Account or instruct the bank at which any Deposit Account is maintained to pay the balance of any Deposit Account to or for the benefit of the Collateral Agent.

10. **COLLATERAL AGENT.** The Collateral Agent has been appointed to act as Collateral Agent pursuant to the Indenture. The Collateral Agent shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including, without limitation, the release or substitution of Collateral), solely in accordance with this Agreement, the Indenture and the other Security Documents. In furtherance of the foregoing provisions of this **Section**, each Secured Party, by its acceptance of the benefits hereof, agrees that it shall have no right individually to realize upon any of the Collateral hereunder, it being understood and agreed by such Secured Party that all rights and remedies hereunder may be exercised solely by the Collateral Agent for the benefit of Secured Parties in accordance with the terms of this **Section 10**. The provisions of the Indenture relating to the Collateral Agent including, without limitation, the provisions relating to resignation or removal of the Collateral Agent and the powers and duties and immunities of the Collateral Agent are incorporated herein by reference and shall survive any termination of the Indenture. In connection with any conflict between this Agreement and the Indenture, the Indenture shall control with respect to the duties, protections, immunities and indemnity of the Collateral Agent.

11. **CONTINUING SECURITY INTEREST; TRANSFER OF LOANS.** This Agreement shall create a continuing security interest in the Collateral and shall remain in full force and effect until the payment in full of all Notes Obligations. Upon any such termination of this Agreement, the Collateral Agent shall, at the Grantors' expense, execute and deliver to the Grantors or otherwise authorize the filing of such documents as the Grantors shall reasonably request, including financing statement amendments to evidence such termination. Upon any disposition of property permitted by the Indenture, the Liens granted herein shall be deemed to be automatically released and such property shall automatically revert to the applicable Grantor with no further action on the part of any Person. The Collateral Agent shall, at the applicable Grantor's expense, execute and deliver or otherwise authorize the filing of such documents as such Grantor shall reasonably request, in form and substance reasonably satisfactory to the Collateral Agent, including financing statement amendments to evidence such release.

12. **STANDARD OF CARE; COLLATERAL AGENT MAY PERFORM.** The powers conferred on the Collateral Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care in the custody of

any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property. Neither the Collateral Agent nor any of its directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or otherwise. If any Grantor fails to perform any agreement contained herein, the Collateral Agent may itself perform, or cause performance of, such agreement, and the expenses of the Collateral Agent incurred in connection therewith shall be payable by each Grantor pursuant to the Indenture. It is the sole responsibility of the Grantors to take all of the necessary actions and filings necessary to maintain the perfection of all of the security interests granted hereunder. Whenever the Collateral Agent acts hereunder, it is acting with all of the rights, protections, immunities and indemnities set forth in the Indenture as if they were fully set forth herein. Notwithstanding anything to the contrary contained herein, the Collateral Agent shall have no duty whatsoever to maintain the security interests granted hereunder.

13. **MISCELLANEOUS.** Any notice required or permitted to be given under this Agreement shall be given in accordance with *Section 14.02* of the Indenture. No failure or delay on the part of the Collateral Agent in the exercise of any power, right or privilege hereunder or under any other Security Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement and the other Security Documents are cumulative to, and not exclusive of, any rights or remedies otherwise available. In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of an Event of Default if such action is taken or condition exists. This Agreement shall be binding upon and inure to the benefit of the Collateral Agent and the Grantors and their respective successors and assigns. No Grantor shall, without the prior written consent of the Collateral Agent given in accordance with the Indenture, assign any right, duty or obligation hereunder. This Agreement embodies the entire agreement and understanding between the Grantors and the Collateral Agent and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, this Agreement may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties. This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document.

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND ALL CLAIMS AND CONTROVERSIES ARISING OUT OF THE SUBJECT MATTER HEREOF WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

THE PROVISIONS OF THE INDENTURE UNDER THE HEADING “*WAIVER OF JURY TRIAL*” ARE INCORPORATED HEREIN BY THIS REFERENCE AND SUCH INCORPORATION SHALL SURVIVE ANY TERMINATION OF THE INDENTURE.

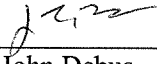

14. **INTERRELATIONSHIP WITH INTERCREDITOR AGREEMENT.** Notwithstanding anything in this Agreement to the contrary, so long as any ABL Obligations (as defined in the Intercreditor Agreement) are outstanding, the requirements for delivery of Collateral to the Collateral Agent under this Agreement shall be deemed to have been satisfied by delivery of such Collateral constituting ABL Priority Collateral (as defined in the Intercreditor Agreement) to the ABL Representative (as defined in the Intercreditor Agreement).

This **TRADEMARK SECURITY AGREEMENT**, dated as of [____], 20[___] (as it may be amended, restated, supplemented or otherwise modified from time to time, this “**Agreement**”), is made by the entities identified as grantors on the signature pages hereto (collectively, the “**Grantors**”) in favor of **U.S. BANK NATIONAL ASSOCIATION**, as Collateral Agent for the Secured Parties (in such capacity, together with its successors and permitted assigns, the “**Collateral Agent**”).

WHEREAS, the Grantors are party to a Pledge and Security Agreement dated as of May 31, 2017 (the “**Pledge and Security Agreement**”) by and among each of the Grantors and the other grantors party thereto and the Collateral Agent pursuant to which the Grantors granted a security interest to the Collateral Agent in the Trademark Collateral (as defined below) and are required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and subject to the Pledge and Security Agreement, the Grantors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms.

Unless otherwise defined herein, terms defined in the Pledge and Security Agreement and used herein have the meaning given to them in the Pledge and Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral.

SECTION 2.1 Grant of Security. Each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under the following, in each case whether now owned or existing or hereafter acquired, developed, created or arising and wherever located (collectively, the “**Trademark Collateral**”):

SECTION 2.2 Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under **Section 2.1** hereof attach to any “*intent-to-use*” application for registration of a Trademark filed pursuant to *Section 1(b)* of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a “*Statement of Use*” pursuant to

Section 1(d) of the Lanham Act or an “*Amendment to Allege Use*” pursuant to ***Section 1(c)*** of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

SECTION 3. Security Agreement.

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Pledge and Security Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Dear Mr Frinzi:

The Trustee recently confirmed to your colleague, Ms. Samantha Sondrup, that the outstanding principal balance of the Notes is \$48,195,190.
